

# 1929 AUTOMOTIVE EDITION

## THE STAGE IS SET

**A**S SPRING bursts into bloom, nothing is more interesting to the motor-minded American than what is new in the Automobile World—and La Grande dealers and service men are co-operating in a Demonstration Week and Spring Showing for the benefit of people of this territory, starting tomorrow.

With this annual Automotive Edition the local dealers especially invite and urge you to visit their showrooms and to take a few minutes for a ride and a demonstration in the new models. The hand of Change has written swiftly — Motors . . . Body Designs . . . Safety Features . . . Driving Comforts . . . and the creations of America's finest engineers for the 1929 season will intrigue your interest more than ever before.

In the following pages of news and advertising content will be found much that is new and improved for the perusal of every motor car owner.
