## The Commander Six and Eight

Worthy successor of the world-famous Commander which sped 25,000 miles in 22,960 minutes—a feat no stock car except Studebaker's President Eight ever approached. An example of the power, speed, endurance you enjoy when you drive a world's champion Commander.

The Commander Eight, slightly higher in price than the Six, provides supple suavity of eight-cylinder power. The same luxurious bodies can be had on either chassis—stunningly styled cars upholstered in mohair or broadcloth with all the fine appointments of a car of twice the price.

## The President Straight Eight

Studebaker now sells more 8-cylinder cars than any other manufacturer on earth, and this World Champion car holds 23 international and 11 world records for speed and stamina—30,000 miles in 26,326 minutes. Nothing man-made ever went so far so fast!

The President Eight is the ultimate in luxurious motoring. The hit of the New York and San Francisco Auto shows, its beauty of line and coachwork is as outstanding as its speed, endurance, and tremendous power. A wonder car to drive and to own—a World Champion at One-Prof-it prices.
