The vice president, Mrs. Prouty, presided over the business meeting, which was followed by games. Kate Redhead, Edith Gittinger and Lois Gallagher receiving first prizes. Mrs. Effie Baker was the inspiration for a gift shower.

At the close of the afternoon a dainty two-course luncheon was served by the hostesses. Nineteen members and three visitors were present.

The next meeting will be May 14 at the home of Mrs. Earl Roberts in Prud'homme. Mrs. Robert Chandler will be assistant hostess.

## Girls Planning For Pageant on Sunday

The Methodist high school girls' missionary society held their regular meeting last evening at the apartment of their adviser, Mabel Morton, with 14 girls present for the potluck dinner and the regular meeting. The meeting was a very enthusiastic one with the girls entering heartily into the different business matters which came up. Most prominent was the planning for the program which they are to give at the hour of the evening service next Sunday at the Methodist church, the chief feature being the pageant, "The Voices of the Women." The girls will also have one of the months at the Calendar Tea to be given by the Ida Belle Lewis circle in the church next Tuesday evening and will lead the year, taking the month of January.

Two new members, Anna Skully and Verma Sjöfom, were initiated into the society last evening at the meeting held in the L. O. O. F. hall Monday night. Alta Winburn presiding.

Two visitors from Baker, Mrs. McCookie, state deputy, and Mrs. Smith, were in attendance. Refreshments were served with Reba Hough chairman of the committee.

The next meeting will be held May 13 and will be in the form of a grab bag day.

"Picture Study" was talked about in the Togheesse Camp Fire girls when they met yesterday afternoon at Willow school, by Miss Mabel Doty, city librarian. The girls who were there to hear it were: Ola Mae Hough, Lorene Albertson, Georgeanna Lockwood, Eva Kube, Dorothy Hooper, Pluma Shafer, and Mary Jane Chadwick.

The girls and planning a hike for Saturday to the Shafer farm beyond Island City. They will leave their homes at 8 o'clock and will cook their breakfast outdoors.

The Goodwill club of the Women's Relief corps met yesterday afternoon at the home of Mrs. Minnie Laphor. A reading was given by Mrs. Laura Braden which was followed by a social hour. A business meeting was also held.

The next meeting will be held May 14 at the home of Mrs. Frances Kennedy on 1410 Z avenue.

Rex Lowry was initiated into the Degree of Honor Juveniles' lodge at the meeting at Eagles'

Vegetables are too important a factor in maintaining the good health of one's family to be lightly treated and discontinued because they are not at hand.

## Menus

One of the first rules for the preparation of canned vegetables is that they must be properly drained. The very process of draining demands that all air be expelled from the can and this makes the material have a flat taste when first opened.

As soon as a can of fruit or vegetable is opened it should be turned into a wide shallow bowl and allowed to come in contact with the air for 10 or 15 minutes.

A second rule is that the vegetables should be heated thoroughly in the water in which they were canned. Allow time for the water to evaporate from the vegetable rather than pouring it off. This preserves both the flavor and nutritive value.

If canned vegetables are to be served buttered be sure they are well drained before seasoning. The liquid which is drained off should be saved for soup.

Finally the seasoning is of utmost importance. Very often a little sugar restores the natural sweetness of the vegetable. Plenty of butter is always acceptable and salt and pepper "to taste."

A mere suspicion of onion often enhances the flavor of vegetables. Parsley, celery salt, peppercorns, kitchen bouquet, bay leaf, thyme, mustard and all the other "sweet herbs" are excellent for seasoning. Never use enough to have any flavor of seasoning pronounced, but just enough to give an intriguing elusiveness to the taste of the dish.

Canned vegetables make delicious soups. Any vegetable can be used and should be cut in tiny dice or sliced before adding to the egg mixture.

**Vegetable Souffle**  
One cup sliced vegetable, 3 eggs, 1 cup milk, 2 tablespoons butter, 4 tablespoons flour, 1 teaspoon salt, 1-8 teaspoon pepper.  
Melt butter, stir in flour and slowly add milk, stirring constantly. Bring to the boiling point and remove from the heat. Add egg yolks, one at a time, beating each one into mixture. Add prepared vegetable and fold in whites of eggs beaten until stiff and dry on a platter. Season with salt and pepper and turn into a buttered baking dish. Bake 30 minutes in a moderate oven and serve as soon as firm to the touch.

**TAKE PART IN MANEUVERS**  
SALEM, Ore., Apr. 24—(AP)—The 245th coast artillery of the Oregon National guard, which is to participate in the army-navy maneuvers on Puget Sound July 10 to 24, took a day's preparatory school work here when its officers appeared in Salem at the call of Brigadier General George A. White. Col. Hubert A. Allen was here from Portland to assist in the instruction.

## THE GARDEN

### CARING FOR THE PERENNIAL BORDER

Not garden or border of perennials should be allowed to become overcrowded or too bare. Removal of a few plants, where they have become crowded, may entail a sacrifice, but it should be done. Bare places are bound to occur at unexpected times and in unexpected places. If left unfilled, they are apt to ruin the appearance of the border. Where possible, it is best to replace the plants that have died with the same varieties. For emergency use and for general supplementary planting, annual flowers are the life savers. Many of the annuals can be sown directly in the place where they are to serve, while others can be moved in as needed. There is hardly a border that can present a good appearance throughout the season without the use of annuals. Many annuals can be moved from the nursery or service garden into the border in mid-season if the proper precautions are taken not to disturb the roots.

Flowers should be removed by cutting, instead of breaking. Flowers having gone to seed will appear unsightly and discourage further blooming if not removed immediately.

### Staking Perennials

Many of the coarser growing plants have to be staked if they are to remain in an upright position. Staking is an art in itself. If improperly done, it will appear unsightly. One stake, preferably green and inconspicuous, should be used for each branch, requiring support. Never should the whole plant be bunched around one stake. The best material for tying the plant to the stake is raffia, which can be secured in light buff or natural color and stained green or brown, if desired.

A couple of cattlemen drove 50 Mexican rebels into a corral and shut the gate. Instead of sending arms and ammunition to the Mexican government, why not send 'em a couple of Texas cowboys?

## Shortened Sleeves Come With Spring

### By Diana Merwin

(Associated Press Fashion Editor) PARIS (AP)—Not only the question sleeves or no sleeves, but how much sleeve, if any, is raised by spring styles.

Many of the silk dresses for wear under jackets and coats are sleeveless or have a mere vestige of sleeve over the shoulder. Sometimes it is a dropped shoulder line which comes an inch or so over the shoulder.

There are other models with sewed in sleeves less than six inches long.

Elbow length sleeves, without cuffs or ruffled bands, are shown by some of the highest authorities in the fashion world. They are featured on both silk and lightweight wool dresses. Three-quarter and seven-eighths sleeves nearly always show brief lingerie under sleeves or cuffs.

Undergarments with many small buttons down the front are the accompaniment of several short sleeved dresses at one well known house. Most of them are in dark blue tulle, over dark blue or red dresses of small print. The sleeves are the briefest possible caps or little puffs.
