LOGAN, BRYAN WILL ADVANCE \$250,000 S U M

PORTLAND, Apr. 24 (AP)—The New York brokerage firm of Logan & Bryan, for which the now defunct Overbeck & Cooke company was Portland correspondent, has agreed to advance the sum of \$250,000 toward clearing up liabilities of the Portland company. This amount of money will be turned over to creditors, the company said, only after the receiver of the bankrupt Portland company has requested releases of creditors relieving Logan & Bryan of any other liability. It is believed the \$250,000 would provide a dividend of between 20 and 25 cents on the dollar for the general creditors of Overbeck & Cooke.

The Portland company closed its doors in January, 1927, with a loss estimated then at approximately \$1,600,000.

GIRL MAKES NEW FLYING RECORD

Elinor Smith Remains Aloft for 26 Hours, 21 Minutes, 32 Seconds

ROOSEVELT FIELD, N. Y., Apr. 24 (AP)—Elinor Smith landed at 2:02:16 p. m. today with a new woman's solo endurance flight record to her credit. She took off at 11:40:44 a. m. yesterday.

Miss Smith had been in the air 26 hours, 21 minutes and 32 seconds. The previous record, held by Louise McPhetridge, was 22 hours, 3 minutes and 12 seconds. She made a perfect landing but had to be helped from her plane after the long hours in the pilot's seat.

Earlier this morning she dropped a note saying that her stabilizer had gone "haywire" and that she was clinging to the control stick with both arms. This difficulty apparently corrected itself, however, as when photographers flew alongside her shortly before noon she blew them kisses with both hands and seemed to be having no trouble at all.

Miss Smith established a woman's record of 13 hours last January, but this was shortly after surpassed by Miss Bobby Trout, of California, who in turn lost to Mrs. McPhetridge.

In her previous flight, which was made in an open cockpit plane, Miss Smith suffered severely from the extreme cold, but her father, Tom Smith, actor and amateur pilot, revealed that this time she was amply protected against any chilling blasts.

Broad Advance Checked But Not For Very Long

NEW YORK, Apr. 24 (AP)—Special dividend conditions and favorable earnings statements provided the groundwork for another broad advance in prices in today's stock market. The rally was temporarily checked before midday by the marking up of the call money renewal rate, but offerings were well absorbed, and prices headed upward again in the early afternoon. Gains in the active issues ran from 1 to 1 1/2 points, with trading again in large volume.

Directors of the Pennsylvania railroad increased the annual dividend from \$3 to \$4, the annual rate on Calumet and Arizona copper was raised from \$5 to \$10, a 50 per cent stock dividend was declared on Julius Kayser, and directors of Hiram Walker-Gooderham and North American, which concern whose stock is listed on the curb market, authorized a 3 for 1 stock split up.

Cleveland Cops Bombed; Liquor Dealers Blamed

CLEVELAND, Ohio, Apr. 24 (AP)—Two dynamite bombs which police charged against harrassed bootleggers exploded within an hour of each other early today in attacks upon two members of the department. One was planted at the home of Captain William A. McMasters and the other at a recent residence of Sergeant Patrick J. Holland, chief of the vice and liquor squad.

At the McMasters home part of a porch was torn away and all windows in the neighborhood were shattered. Mrs. McMasters and two children, William Jr., 4, and Ruth, 3, were severely shaken. Frame porches were ripped from a four-apartment building where Holland lived until four weeks ago. Windows were broken and occupants of the building were thrown from their beds.

The bootleggers left no clues and police said they believed the explosive was thrown from an automobile in each case. Another bombing a week and a half ago was accepted as an attempt upon the life of police Sergeant John Mack, who until recently lived in a hotel in the neighborhood where police said. The residences of Holland and Mack are listed in all current directories at their former addresses, and police declared they believed those responsible for the explosion gained their information there.

Relatives Seeking Details Of Deaths Of Four During Cruise

NEW YORK, Apr. 24 (AP)—Relatives today were seeking details of the deaths of four passengers during an African cruise of the Canadian Pacific liner Duchess of Atholl.

Officials of the line at Montreal said the dead were: Dr. Edward Hardenbrook, Rochester, N. Y.; Henry J. Norweb, Roslyn, N. Y.; Mrs. A. H. Ernecke, Hollywood, Cal., and Luther Facey, Kingston, Jamaica. The liner was due at Cherbourg, France, today.

First news of the deaths, which placed the number at 10, was received in a letter by relatives at Old Lyme, Conn., from Miss Louise Terry, a passenger on the ship. The company's statement said two deaths were the result of sunstroke and two were caused by malaria.

Line officials at Montreal said the deaths occurred on March 26, 28, 29 and April 1.

Mrs. Norweb said she was notified that her husband, who was a retired lace manufacturer, died a month ago off the coast of Africa of sunstroke after a fainting spell.

She said her son, Raymond H. Norweb, who is first secretary of the American embassy at The Hague, had been endeavoring to learn the circumstances of his father's death. She said the son would meet the ship at Southampton, England, and claim the body.

Mrs. Norweb said the family had not been satisfied with the explanation that Norweb's death was caused by sunstroke but had been unable to obtain any further information.

Walker Facey, a student at Gardiner, N. J., said he had been notified by a friend that Facey had died of sunstroke while on the cruise. He said he had been notified by a friend that Facey had died of sunstroke while on the cruise.
