

MISSIONS LOSE AGAIN TO ANGELS

Portland Makes It Two Straight over Seattle With Easy Win

By The Associated Press
Big time-games ruined late yesterday, leaving the San Francisco Mission Reds hard put to maintain their position in the van of the race for the 1929 confederate.

The Reds, who have held the lead for nearly the last two weeks, were defeated by Los Angeles 12 to 6, and the most potent factor was that the Angels pounded Billlette, McQuinn and Knott from pillar to post for a total of 15 hits, and scored on most of them.

Wash of the Angels managed to squeeze through after allowing nine hits and walking seven.

Led by Roy Carlyle, the Birmingham flash, the Oaks slugged their way to a 10 to 6 victory over the Senators at Emeryville, tying the series one and one. Carlyle started throughout the game, banking in a home run, two triples and a single.

Down south the seals won from the Hollywood Stars 19 to 3. Young Vernon Gomez paved his way to fame by hurling one of the tightest games of the season. The Seals rapped off 16 hits, while Gomez held their southern rivals to a meagre five. His good work was equalled only in part by Frank Crossell, who pounded out four hits in five trips, including two homers and two doubles for a total of 12 bases.

Portland won from Seattle 5 to 2, and it was easy. Big Lee Roy Mahaffey had his fast pill rolling past the redskin batsmen so briskly that they never had a chance. Until he had a four-run lead, not an Indian runner reached second base. Jim Keesey put the game away with two off in the third when his home-run drive into the left field stand scored Cronin and Hillis ahead of him.

Yesterday's coast league games follow:

At Los Angeles— R. H. E.
San Francisco 10 15 0
Hollywood 3 5 4
Batteries: Gomez and Schmidt; Hollerson, Murphy, Kinney and Haasler, Sypher.

At Portland— R. H. E.
Seattle 2 7 2
Portland 5 10 1
Batteries: Graham and Borroni; Cox; Mahaffey and Rego.

At Oakland— R. H. E.
Sacramento 5 14 1
Oakland 10 17 2
Batteries: Kung, Gould, Freitas and Severoid; Daglia, Dumovich and Harns.

At San Francisco— R. H. E.
Los Angeles 12 15 0
Mission 6 9 1
Wash and Warren; Billlette, McQuinn, Knott and Baldwin.

Lion Tamer Quits Giants On Top In The Senior Circuit Today

It's too dangerous, says Bert Nelson, San Francisco animal trainer who has trouped over the country for years with circuses and vaudeville shows—meaning, not lion taming but the dangers of restaurant cooking to his digestion. Nelson explains that for this reason he is retiring and will settle down with Princess Pat, one of his pets, with whom he is shown above. Princess Pat is to have a special cage with modern comforts in the rear of the Nelson

By The Associated Press
Another duel between the Cubs and the Giants is in the making. Heroic shadows of the baseball past, like Chance and Matty, urge the battle-lines of 1929 on to combat like that which marked National league campaigns from 1903 through 1913. That period saw the rise and fall of the peerless leader, but the Little Napoleon remained in the fight to witness the renewal of rivalry with Chicago.

The Giants climbed to the top of the heap by executing a smart comeback against the Phillies at the Polo grounds yesterday as the Braves bogged down from their first week spurt and permitted the Robins to take a second decision in Flushing 5 to 3.

The Cubs deployed along the Pittsburgh front. The powerful bat of Rogers Hornsby was spiked by the splitter of Burleigh Grimes. The Pirates hammered Charley Root and finally snatched the winning run from Berlyn Horne in the thirteenth to triumph by 5 to 4.

Murderer's Row
The Yankees rocked the American league front with a blast which shattered Charlie Ruffing and the Red Sox by 9 to 2. The barrage consisted of sixteen hits, of which Babe Ruth's portion was just one single, and White Hoy breezed to his second triumph.

The Athletics were effective with their eleven shots at Fred Marberry and Lloyd Brown, who succumbed with the Senators at Shibe park by 9 to 14. The Athletic attack was capped by a home run by Jimmy Foxx with one aboard in the fourth. Al Simmons, in his first appearance of the season, tripled with two on just ahead of Foxx.

Sam Rice Saves Day
At Detroit, 20,000 fans at the home opening of the Tigers saw Sam Rice save the Benjamins by a spectacular sliding catch in the ninth. Two Cleveland runners were on base as Rice sprawled headforemost near second to clutch Luke Sewell's nantarizer. Detroit won by 7 to 6.

Rain forced the postponement of the Brown-White Sox game, which was to have opened the American league season in Chicago.

Rail Application Denied By I. C. C.

WASHINGTON, Apr. 25 (AP)—An application of the Western Pacific Railroad company for authority to purchase for \$150,000 the short line of the Union Belt Railway in Oakland, Cal., was denied today by the interstate commerce commission.

At the same time the commission held open for further consideration the proposal of the Western Pacific to build a short bit of line across the Tidal Canal at Oakland to connect with the Alameda Belt Railway, and will allow further presentation of evidence on the subject. Sale of the Union Belt of Oakland to the Western Pacific was opposed by the Southern Pacific system.

GENEVA, Ill., April 25 (AP)—Grand jurors investigating the dry raid in which Mrs. Lillian De King was shot to death last month by a deputy sheriff heard their last witness and began balloting on true bills today.

Possible indictments of deputy sheriffs who participated in the raid, and others connected with the events leading to the search of the De King home are expected to be returned Monday.

The brave deserve the fair but it can't always be said that the fair deserve the brave.

Bob Kruse Beats Billy Edwards

PORTLAND, Ore., Apr. 25—(AP)—Bob Kruse, Portland heavy-weight wrestler, pinned Billy Edwards, Kansas City, two out of three falls here last night. The first fall went to Edwards in 13 minutes, 12 seconds with a series of headlocks. Kruse came back and tossed Edwards for the second fall in 13 minutes, 31 seconds with a flying wheellock, and took the third in 8 minutes, 12 seconds with a double toe hold.

Indians' Outfielders All Bat Left Handed

If there's anything in right handed pitching being easy for left handed batters, Cleveland should prosper this year. The Indians have four southpaw batters to send against American league pitching, which is 90 per cent right handed.

Farm Pointers

The poultry situation today is greatly improved over that of a year ago, when a general depression was felt in all lines of poultry work, according to observations of the experiment station. Reports obtained from a number of hatcheries throughout the state indicate a slight increase in the number of fowls kept during the coming year.

An extensive weed control campaign in the nature of demonstration experiments between the

college station and the Oregon county agents is being planned for 1929. Tests with borax, sodium chlorate, calcium chlorate and some other materials will be made to determine their effects on perennial weeds. Trials on each of the more important perennials, in most of the counties throughout the state, will be made this summer.

The mortality among Oregon poultry flocks is nearly always highest in the older and lowest in the newer farming sections. The difference is due largely to soil infection of the other sections, believes the experiment station.

That defective cream separators are frequently the source of con-

siderable loss of butterfat is a well-known fact, yet too often the individual farmer assumes that his own machine is all right. Often the farmer with only a few cows feels that a small production does not warrant a good separator because the loss from a small herd would necessarily be small. The fact is that the smaller the production, the less a farmer can afford loss through inefficient methods, says the Oregon experiment station.

Collars and cuffs used on simple frocks as a distinctive trimming feature may be made of organdie, acetate, voile, linen or ribbon. The best effect is obtained when they contrast in texture with the material of the dress.

PROMISE MAN JUST ESCAPES SEVERE INJURY

By Mrs. Bertha Carper (Observer Correspondent)
PROMISE, Ore. (Special)—Fred Trump narrowly escaped serious injury recently when insuring the skidder on his way to Maxfield an anchor cable came loose and as he went under it he struck him on the head, frightening his horses. Luckily the horses leaped, saving Mr. Trump from being hit again by the swinging cable. As it was he was only slightly scratched and bruised.

Orvan and Ivan Carper visited Wednesday with their brother Ralph who is herding sheep in the Wallupi canyon.

Ed Carper returned home Monday from Wallowa where he had two teeth extracted. He is consequently suffering considerably from it.

Miss Marie Kalsey was ill Tuesday and Mrs. Stella Poulson taught Riverside school.

Raymond Wortman has recovered sufficiently for his father to return to his brother's sheep camp in the Wallupi canyon.

Mrs. Lona Carper and Mrs. Bertha Carper were at Maxville Tuesday.

Mr. and Mrs. W. W. Carper were visiting at Leo Kenworthy's Sunday.

The mud is drying rapidly and people are out with their cars again. Mr. Fisher is coming through with his car now.

I. K. McDonald and son, Alvin, visited Ralph Carper Sunday and brought two orphan lambs home with them.

Charles Kenworthy, who has been quite ill for some time, is able to be out again. He visited his daughter, Mrs. Hazel Gerrett, the last of the week.

F. G. Potter was up from the river Sunday attending Sunday school and took dinner at C. P. Carper's.

Mrs. Nellie Fleishman and family visited Sunday at C. E. Gerrett's.

Lee Smith went to Powwarka Monday to assess the taxpayers there.

So Dawes is going to Great Britain as ambassador. We hope the rules of the Court of St. James are not anything like those of the United States senate.

AN ALL-STEEL REFRIGERATOR

THE FIRST!

...THE ONLY ONE!

THIS General Electric is the only refrigerator built entirely of steel! Think what that means! It is sturdy and durable beyond anything that you ever believed a refrigerator could be.

This small-family model freezes a generous supply of ice... and in a shorter time. One tray freezes in two hours, both trays in four. It uses less current because the cabinet is so efficient that cold does not leak out and heat does not creep in.

And, of course, it has the exclusive advantage of simplified mechanism, enclosed in an hermetically sealed steel casing and mounted on top. This leaves the greatest area available for food storage and makes possible the up-on-legs model which is so easy to clean under.

In operation it is extremely quiet. It never needs oiling. You just plug it into any convenient outlet. See all its unique features yourself. Come in today. And ask about the very convenient plan on which it can be bought.

Listen in on the General Electric Hour, broadcast every Saturday evening, 9 to 10 Eastern Standard Time, over the N.B.C. network of 42 stations.

New Low Prices Now in Effect on all Models

After all's said and done, the pleasure you get in smoking is what counts

CAMEL

CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels are made of the choicest tobaccos grown. The Camel blend of Domestic and Turkish tobaccos has never been equaled.

Camels are mild and mellow. They do not tire the taste. They leave no cigarette after-taste. Camels have a delightful fragrance that is pleasing to everyone.
