

OREGON: Generally fair tonight and Tuesday, warmer in the interior Tuesday, normal humidity.

OLDER BOYS END SESSION HERE SUNDAY

Life's Work and Allied Problems Discussed During Conference

ELECT OFFICERS FOR COMING YEAR

Dr. U. G. Dubach and F. A. Crosby Take Leading Part in Meetings—Baker May Be 1930 Host

Life's work, and allied problems common to boys were talked of at the discussions of the Eastern Oregon Older Boys' Conference held in La Grande last weekend and the final echo of the conference by local boys who attended is that it was highly profitable and successful. In all 50 boys took part.

"The discussions and informal talks by Dr. U. G. Dubach, dean of men at Oregon State college, were the most profitable parts of the program." Robert Stoddard, one of the "older boys" said today commenting on the success of the annual event.

The older boys were divided into three groups for discussion led by E. D. Towler, of La Grande; Mr. Pym, of the Y. M. C. A. at Baker and Will Penland, of Pendleton.

Officers were elected for the year and include: president, Dick McWaters, of Baker; first vice president, Roland Pierce, of Pendleton; second vice president, Robert Stoddard, of La Grande; secretary-treasurer, Bob Johnson, of Wallowa.

Edwin Kirby, of La Grande, acted as registrar and secretary of the convention.

The fellowship supper held at the Presbyterian church Saturday evening was one of the most enjoyable of the three-day program.

F. A. Crosby, of Portland, Northwest conference executive, was one of the leaders in the convention. Although the attendance was not so large as ordinarily would be expected due to conflicting boys' conferences, the conference itself was highly successful, Mr. Crosby says.

Baker May Get 1930 Meet It is expected that the next meeting will be held in Baker next year, although that has not yet been definitely decided.

The address by Dr. Dubach Sunday morning in the auditorium of the high school closed the program of the conference and gave the boys a forceful "send-off" for their lives until the conference meets again.

Active interest in the event was taken by local men who formed the committees in charge of the event representing the various civic organizations, schools and churches of this city who felt the value of the conference merited their backing.

During the conference the boys passed a resolution which is to be known as the La Grande people. It is "To the La Grande People: We, the delegates to the Older Boys' conference, wish to extend our sincere thanks for the generous hospitality shown us during our brief stay in La Grande."

G. A. R. MEMBERS TO BE GUESTS AT MAY DANCE

Final arrangements are being made for the Spanish War veterans flag fund dance to be given by James E. Zuber camp of La Grande at the Zuber hall on May 1.

The hall is being decorated with the national colors by a committee under the direction of A. P. Nelson, of the Sons of Veterans organization, who is donating his services.

The honored guests of this dance will be the members of the Grand Army of the Republic, the father of all veteran organizations.

The La Grande post, No. 43, American Legion, will hold a regular meeting that evening but have signified their intentions of attending in a body. The national guard also will be there to assist in the success of the military ball.

WEATHER TODAY 7:30 a. m.—23 above. Minimum: 17 above. Condition: partly cloudy, rainy.

U. P. Fast Trains To Chicago Will Start On June 9

President Carl Gray Announces Schedule That Will Require 61 Hours and 15 Minutes for Trip

Faster train passenger service between Portland and Chicago over the Union Pacific system, with corresponding benefits for La Grande people, were announced by Carl Gray, president of the system, on Sunday.

Previously it had been announced that the Union Pacific would at least equal new passenger schedules to be adopted by other transcontinental trains but the announcement Sunday, clipped nearly two hours from schedules announced by other railroads. This move insures people traveling on the Union Pacific of the fast time between Portland and Chicago outside of aerial service.

The following is the text of the announcement as telegraphed by President Gray to A. S. Edmonds, assistant traffic manager of the U. P., and relayed from Portland to Joe H. Keeney, of La Grande: Effective June 9

"Important changes in passenger train schedules to and from Portland in which the traveling public and Northwest communities are greatly interested are announced by the Union Pacific System Lines and Chicago and North Western Railway effective Sunday, June 9th. The Portland Limited Train No. 18 will leave Portland 6:10 p. m., arriving Chicago 5:25 a. m., through schedule 61 hours 15 minutes. This will afford an arriving time in Chicago that will permit of connection with all Eastern Lines' fast trains. It will also afford an excellent service from Tacoma and Seattle via Portland to Chicago by the use of train 561, leaving Seattle at 11:19 a. m. with through standard sleeping car from Seattle to Chicago.

Westbound the Portland Limited Train No. 17, is scheduled to depart Chicago 8:29 p. m., arriving Portland 9:05 a. m. through schedule 62 hours and 45 minutes. The operation of the Portland Limited on these shortened schedules will be without extra fare.

A second train will be scheduled through Portland about 9:30 a. m., arriving Chicago about 7:30 a. m. on a through schedule of 68 hours. Westbound this train will leave Chicago 11:30 p. m., arriving Portland 5:30 p. m., affording through service between Chicago, Tacoma, Seattle and other points north of Portland by the use of the night train from Portland.

Other Minor Changes In working out these schedules there will be some minor changes there will be to service and connections at intermediate points, full announcement of which will be supplied as quickly as details can be developed.

According to Mr. Keeney, the changes on No. 18 and No. 17 will just about reverse their time of arrival in La Grande, although the definite schedule has not been announced yet.

Another announcement by the U. P., told of remarkably low fares to the east, to go on sale May 22. Tickets to Zion national park will be available May 27 and to Yellowstone on June 1. From La Grande the round trip fare to Chicago will be only \$85.95 and to Washington D. C., \$140.61.

Short Pageant Given Sunday By Methodist Girls

"The Voices of the Women" a short missionary pageant was given last evening at the Methodist church by the high school girls who are organized for the study of home and foreign missions. The pageant was given at the girls' contribution to "Women's Foreign Mission" day which was observed at this church yesterday, and was witnessed by a good company of members of the church and their friends.

The leading part was taken by Miss Dorothy Rhine, as the dreamer, who had been irritated by a call from a solicitor for foreign missions during the afternoon. She tried to rid her mind of the vision by reading her favorite "Blue Flower" but could not concentrate on it and soon fell asleep. During her sleep, in her dreams, there appeared to her, women from different foreign countries who compared their lot with her own, quite to the disadvantage of the dreamer. She was later awakened by the voices of the women singing "Gave My Life For Thee" in the distance and accepted her responsibility as a Christian woman towards those less fortunately situated.

The various parts were taken by La Velle Richey and Anna Gather as the Mexican girls, Phyllis Peterson and Ruth Aldrich as Mohammedan women, Bernita Pierson and Ethel Sage as Chinese women, Genevieve Adler and Mildred Post as the English girls.

WOULD STOP IMMIGRATION FOR 10 YEARS

Democratic Senator From Alabama Announces Proposal Today

ORIGINS CLAUSE DEBATE IS HELD

Senator Reed Favors a Thorough Discussion—Nye Urges Some Immediate Action.

WASHINGTON, Apr. 29—(AP)—Senator Black, democrat, Alabama, announced in the senate today that in the event legislation looking to repeal or postponement of the national origins provision of the immigration act were taken up for consideration, he proposed to seek suspension of all immigration for a 10 year period.

Later Senator Nye, republican, North Dakota, urged adoption of a resolution to get the bills for repeal of the national origins clause from the irrigation committee which has postponed action on them indefinitely. Senator Reed, republican, Pennsylvania, replied that he was not going to permit a vote on national origins until "we have had a thorough opportunity to discuss this." He said he would not filibuster against a vote, Reed favors retention of the origins clause, but declines to agree to an indefinite date for consideration of national origins question.

An attempt was made by Reed and Harris, democrat, Georgia, to show the senate that steamship companies were instrumental in the circulation of petitions asking for the repeal of the clause. Senator Johnson, republican, California, declared President Hoover had asked for the repeal of the provision and that loyal republicans should follow his wishes, while Senators Dill, democrat, Washington, and Clegg, republican, Oregon, declared they would support the clause.

DISPLAY WINDOW ROBBED SUNDAY

Montgomery Ward Window Stripped of Merchandise During Night

One of the most daring robberies to be committed in La Grande during the last several months occurred early Sunday morning, about 1 o'clock, at the Montgomery Ward store on Washington avenue, when a show window was stripped of clothing on display.

The robbers broke the window and then took clothing, etc., worth, it is estimated, more than \$100. Missing articles include: one tan dress, one black figured dress, one black dress, one green dress, one navy blue-silver dress, two red dresses, two black hats, six pairs of silk hose, one leather handbag, and two tan leather handbags.

T. J. Scroggin, who lives at the corner of Washington and Fourth, heard the crash of the glass and telephoned the police, who immediately rushed to the scene but in the few minutes time, the robbers had taken the merchandise and made their escape.

Shortly before this two men and a woman were seen on the street near the Montgomery Ward store but it was thought at the time that the three were returning home after the Saturday night dance.

The robbery was committed just after the police had passed the store on their regular inspection trip.

A close check over town resulted in finding no trace of the robbers here and officers believe that they escaped in a car, probably leaving here sometime early Sunday morning.

La Grande Easy Winner In Track Meet Held At Union Saturday

Topping a week of hard training—following a setback at Pendleton on April 29—the Tigers easily won the annual regular track meet at Union Saturday, which was the last scheduled event to take place before the Eastern Oregon meet to be held here on Saturday, May 4.

La Grande scored 122 points, Union came in second with 41 and Baker counted 23. Hereford, the fourth team entered, was able to make only two points.

70 New Cars In Saturday Parade Worth \$100,000

Large Crowd on Hand to Witness Event—John Shepard's "Old Wreck" Wins First Prize.

The La Grande new car parade Saturday afternoon took place in a well equipped stage, for the weather was perfect and the streets were lined with people from La Grande and surrounding territory to see the 70 cars, representing a total in value of \$100,000, that were shown as they rolled slowly down Adams avenue. It was a style show of spring fashions in automobiles and also spring clothes displayed by the many attractive women and girls who drove many of the cars.

The latest colors, greens, blues, blacks, tans, browns, maroons, in varied shades were seen in all kinds of models, from the chit-sport roadster to the more ponderous and aristocratic sedan. Most of the cars were closed models, although the open design including the roadster with rumble seat appealing to the younger set was also an attractive feature.

The "kick" of the performance was furnished by the "old wrecks," which had had their palms days and were now in their declining years. One was so ancient and dilapidated and had been so abused in its youth that it went for a distance and then balked.

Prizes for the worst looking cars went to John Shepard, first, \$7.50; Howard Burnett, second, \$7.50; and H. Ledbetter, third, \$5.00. The prizes were given by The Observer.

Led by the band, the procession of 70 cars and four "old wrecks" started at the corner of Henlock and Adams, then going up Adams to Third street and turning and going back on Adams avenue.

Chief of Police Clint Haynes drove the first car in the parade behind the band. The parade was bigger and better than last year, and the crowd also was much larger.

Pendleton Golf Club Wins; Women Stage Tourney

On the whole, the men golfers of the La Grande country club did not fare so well in their set-in with Pendleton yesterday, the results showing the score 20 1/2 for the Round-Up City and 14 1/2 for La Grande.

The weather was suitable for playing at Pendleton as well as for the flag tournament engaged in by the La Grande aviators yesterday although on each course at one time during the day it rained, but not enough to interrupt play.

The score and points standing in the men's tournament for yesterday follows: Elmer Stoddard, 74 score, 3 points; C. H. Reynolds, 79; 3; N. W. Fries, 81; 1 1/2 points; S. D. Crowe, 84, one-half; Dr. Ray Murphy, 85; 1; G. L. Larson, 86, one-half; John Thelsen, 91; 0; Fred Lanzer, 93; 0; W. H. Reuter, 94; 1 1/2; H. A. Zurawick, 94; 2 1/2; Jack Lowland, 94; 0; E. D. Dixon, 94; 0; A. B. Hunter, 97; 1; Mr. Gindison, 107; 0; W. O. Cingler, 113; 0.

Next Sunday the La Grande club will hold a qualifying round handicap tournament. Two weeks from Sunday the club will go to Baker.

Mrs. Anna Polak came out with first place in the women's flag tournament yesterday on the La Grande course with a handicap of 15. Mrs. Elizabeth Donnelly was second with a handicap of 18 and Miss Nell Grinnell was third with a handicap of 18. All came close to the No. 9 green.

Sixteen women played in the tournament. An interesting feature of the tournament is coming up, one of the players said, speaking of the coming season for women golfers in this city.

All future tournaments will be in charge of the new committee including Mrs. L. K. Kinzel, Mrs. Ray Murphy and Mrs. Donnelly.

Dr. Payne To Head State Hospital

ROSEBURG, Ore., Apr. 29 (AP)—Dr. DeWalt Payne, county health officer, today tendered his resignation effective June 1, and will accept the position of superintendent of the new state tuberculosis hospital at The Dalles.

JOY RIDE IN PLANE FATAL TO 3 SUNDAY

Unlicensed Pilot Crashes Near Culver City, Flying in Fog

AUTO TOLL OVER NATION IS HEAVY

Three Dead in Idaho, 13 Killed in Crossing Accidents, Indiana Wreck Takes 5.

LOS ANGELES, Apr. 29—(AP)—Three young men who said they were going out for an early Sunday morning aerial joy-ride were dead today. They were killed and cremated when the biplane in which they were taking the pleasure flight crashed and burned in an outfield near Culver City.

William H. Oviatt Jr., 22, owner and unlicensed pilot of the plane, Ray Scott, 25, scenario writer, and Mack Fluker, 25, motion picture actor, were the dead.

Oviatt was the son of a Palm-mouth, Mass., theatrical producer, and nephew of Charlie Murray, motion picture actor. All had been living in Hollywood.

The three young men took off from Rogers airport, where Oviatt kept his plane, at six o'clock "to take a spin," according to Thomas Loftis, the watchman.

"I didn't want to let them have the plane, but Oviatt insisted," said Loftis. "They borrowed goggles, wheeled the plane out onto the runway and flew away into the fog."

About an hour later a group of Japanese gardeners heard a plane in the fog overhead. Then they said the plane suddenly roared out of the fog, its motor sputtering and the three men shouting and laughing. They believed the plane had come down in a spin with the motor before it crashed. Oviatt tumbled it and gave it full throttle.

"One man, he leapt out and waved," a Japanese gardener told police. "Then she hit."

Flames immediately enveloped the wreckage, and it was several hours before the charred bodies of the three men could be removed.

MEXICAN REBELS Give Up; Calles Reports Victory

MEXICO CITY, April 29 (AP)—General Plutarco Elias Calles, Mexican minister of war, today considered the revolt in Sonora at an end, and the last Mexican state cleared of organized resistance to the central government.

In a message to President Portes Gil he said: "It is my honor to report with satisfaction that in my opinion the rebellion in Sonora has terminated as the principal traitors continue their flight northward unaccompanied by material support."

His message detailed unconditional surrender of two groups of rebel soldiers, totalling 1,000 men yesterday, and described disintegration of the rebel troops as they found retreat at almost every point blocked by federal soldiers.

Expect World To Turn From Sword

PHILADELPHIA, Apr. 29 (AP)—Writing in the May issue of The Ladies Home Journal, former President Coolidge says "men will not long recognize the sword as the major source of authority."

"So long as there is evil in the world," he continues, "armies and navies will be required for domestic and international police service, but peace will never be made permanent by force alone. It must have a main foundation of justice and good will strong enough to satisfy the reason and conscience of humanity."

Graf Zeppelin To Come to U. S. May 15

FRIEDRICHSHAFEN, Ger., April 29 (AP)—The next flight of the dirigible Graf Zeppelin to the United States was definitely set today for May 15.

FOR BRIDE

NEA Los Angeles Bureau Here comes the bride, and this is what the June bride of 1929 will wear in the way of a bouquet, according to exhibitors in the Southern California Flower Show at Pasadena. Miss Ruth Metzger is carrying the bouquet, which is made up of orchids, maiden-hair fern and ribbons.

ELEVATED WRECK INJURES SCORES

Four Lose Lives in New York Collision Near Yankee Stadium

NEW YORK, Apr. 29 (AP)—A steel train and a wooden one, jammed with between 2,000 and 3,000 office workers, collided on the elevated structure just above the Yankee stadium today, killing four persons and injuring two scores, half of them seriously.

Fire and panic followed the crash and for more than an hour police and firemen fought with frenzied men and women trampling each other in a wild scramble for safety.

The accident, a rear end collision, occurred at the 167th street station, where the subway trains emerge from their underground tunnels and run on the same overhead tracks as the elevator railroad trains.

The wooden train was an "L" train and the steel one a subway train. Both were filled with strap-hangers. The wooden train had halted on the signal to permit a subway train ahead of it to clear the station. The steel train came around a curve and coasted down a grade, the motorman realizing the situation too late to avoid a crash.

Two Small Fires Here On Sunday

The fire department was called out twice yesterday to extinguish fires. At 6 p. m. a blaze started in the kitchen at the Walter Young home at the end of Maple street burning a hole in the floor. The damage is estimated at about \$100.

At 9:50 a. m. an attic fire at the Jim Carlin home at Cherry and Russell was extinguished after slight damage had been done. Chemicals were used to put out the morning blaze.

Delegation Will Attend Luncheon

A group of Pendleton men will be in La Grande tomorrow for the noon luncheon of the Union county chamber of commerce. It was announced this afternoon by A. E. Hunter, secretary. Mr. Hunter received word this morning that two cars were expected to drive over the mountains tomorrow, which would allow for a delegation of from six to 10 men.

Arrest Record Is Made In Portland

PORTLAND, Ore., April 29 (AP)—George Dietel, manager of a roller-skating marathon which was broken up by police yesterday, established a record for himself that is likely to hold for some time. Between 12:15 a. m. and 1:15 p. m. Sunday Dietel was arrested fourteen times and paid \$2,000 bail.

Final Action On Farm Bill May Come By Friday

Senator McNary Makes Request Today—House Committee Approves 4 Minor Measures.

WASHINGTON, Apr. 29—(AP)—Final action of the farm relief bill by Friday was asked in the debate today by Chairman McNary of the agriculture committee.

Approve Four Measures Proceeding toward the passage of legislation expected to augment and aid the farm relief bill, the house agriculture committee today approved four measures relating to agriculture.

The bills included the Haugen measure to change the definition of oleomargarine; another Haugen bill to make various changes in the federal warehouse act; the Mapes bill to re-establish minimum standards for canned farm products and the Ketcham bill to provide for the assignment of representatives of the department of agriculture to foreign service.

The committee plans to ask the house to continue to give the measure legislative right of way in the hope that they may be considered on the floor either tomorrow or Wednesday. All four of the bills were introduced at the last session.

At the same time the agriculture committee referred to a sub-committee for consideration the Vinson bill to regulate trading on cotton exchanges and the Palmer bill to provide for the use of net weights and the standardization of cotton bale.

No Decision on Mellon The senate judiciary committee failed again today to reach a decision on the report of Chairman Norris declaring Secretary Mellon unable to hold office and adjournment was taken until tomorrow.

Seeks Investigation Senator Wheeler, democrat, Montana, today formally introduced a resolution asking investigation of working conditions in the textile industry in North and South Carolina and Tennessee, where strikers are in progress.

Senate Passes House Bill The senate today passed the house bill making \$4,250,000 immediately available for combating the Mediterranean fruit fly in Florida.

Second Tornado Swoops Down In South Carolina

CAMDEN, S. C., Apr. 29 (AP)—The second tornado to swoop down on South Carolina in four days took one life and injured fourteen persons near here late yesterday.

Nora Murphy, an aged negro, was killed and 14 white persons injured, none seriously. All the injured were brought to a hospital here.

The tornado, coming from the northeast, first struck at the West Waterlee section, where all the damage was done, four houses were wrecked. An automobile was hurled through the air for more than two hundred yards.

WOMAN FINED \$300 IN "SEX" BOOKLET CASE

NEW YORK, April 29 (AP)—Mrs. Mary Ware Dennett, convicted for sending obscene matter through the mails, today was fined \$300 by Judge Warren B. Burrows in federal court in Brooklyn. She was paroled in custody of her attorney until Thursday, pending the filing of an appeal and posting of bail.

The conviction last week of Mrs. Dennett, who could have been fined \$12,950 and sentenced to five years imprisonment, was based on distribution of her pamphlet, "The sex side of life," which she said she wrote 14 years ago for the guidance of her two sons. She is 53 years old.

AMERICAN LEAGUE GAMES

Table listing American League games for various teams including New York, Philadelphia, Baltimore, St. Louis, Detroit, Cleveland, Chicago, Cincinnati, and Boston.

NEW AIRMAIL ROUTE WILL TOUCH PASCO

Postoffice Department Completes Plans for Northwest Network

WASHINGTON, Apr. 29 (AP)—The postoffice department today completed plans for a new airmail route from Spokane to Portland, Ore., with a leg extending from Pasco, Wash., to Seattle.

The new route will connect with the Salt Lake City route to Pasco at Pasco. It also will connect with the Pacific coast route which runs from Los Angeles to Seattle at both Seattle and Portland. It also is planned to make connections with the Seattle-Vancouver route at Seattle.

Second Assistant Postmaster General Glover said that bids would be asked on the route in the near future. Operation will begin as soon after that time as possible.

THREE FIRMS TO BID

PORTLAND, Ore., Apr. 29 (AP)—At least three air transport companies were seen today as prospective bidders for the new airmail routes connecting Portland and Seattle independently with Pasco, Wash., western terminus of the northern branch of the transcontinental airways. The post office department in Washington today completed plans for the new service.

Vernoy Air Lines, the Manner Air Transport and the Bruning Eagle-rock organization of Spokane and Portland were expected to enter bids. Bruning recently announced tentative plans for a Portland-Spokane line. The Manner company only a few days ago inaugurated a Portland-Spokane passenger service by way of Yakima, Wash.

Varnoy is expected to make a strong bid for the contract. A passenger line from Portland to Salt Lake City is already planned by the company, to start about August 1. Three tri-motored Fokker planes have been ordered for the run. The company plans to carry the mail in separate small planes.

ANNOUNCED RECENTLY

Charles Wrightson, manager of the Varnoy company of Boise, gave an idea of the plans of this company at a recent chamber of commerce luncheon at Island City, when he stated that night airmail flying will begin June 1 and passenger service from Portland to Salt Lake City on Aug. 1.

The new airmail route, announced today in Washington, D. C., will link Portland, Spokane and Seattle with the transcontinental line at its depot in Salt Lake City, and it is said here that it will increase airmail and passenger service over La Grande to a considerable degree. The new route will permit Northwestern airmail to connect directly with the New York bound planes, instead of going to San Francisco or else by train to Pasco.

TODAY'S BASEBALL

Table listing today's baseball games for various teams including Pittsburgh Pirates, St. Louis Cardinals, Detroit Tigers, Cleveland Indians, Chicago Cubs, Cincinnati Reds, and Boston Braves.
