Relay Carnival Held At Eugene; Vancouver Wins

EUGENE, Ore., April 29 (AP)—The high school of Vancouver, Wash., invaded Oregon to enter the annual high school relay carnival here Saturday, and returned to Washington with two new records and much glory.

Vancouver established new marks in the quarter mile and broad jump, and equaled the sprint hurdles mark.

Frank Rossmoist of Vancouver performed in spectacular fashion. He bettered a state record of more than 25 years standing in the broad jump with a leap of 22 feet 3 inches. The old mark was 21 feet 7 inches, set by Dan Kelly at Pendleton in 1904.

Franklin of Portland broke the record in the 300 yard dash; Grant, the ten mile swimmer, the distance miler, and hill climber, the shot put.

CONTEST WILL BE HELD HERE ON SATURDAY
By Mrs. A. G. Conklin (Observer Correspondent)

COVE, Ore., (Special)—The picture contest between Cove and Union six grade pupils will be held at the district convention of Federated Women's clubs in La Grande, Saturday May 4. A try-out between the two teams was held at Cove last Friday.

The Ladies Aid of the Methodist Episcopal church gave an automobile party in the church parlors Friday evening. This was what had been advertised as their "Dollar Social" when each woman belonging to the society gave a dollar that she had earned and when presenting the money, gave a receipt of the way in which she had earned it. All of the stories "Earning a Dollar" were interesting but some were exceptionally good, being given both in poetry and prose.

Sounds Reasonable
If anything is worth reading at all, it is worth reading unexpurgated, but often enough, an unexpurgated writer only makes you as fatigued as an unexpurgated gossip monger.

One Consolation
First Horse—"It's tough having these motor cars taking our places."
Second Horse—"Well, it gives them something else to swear at besides us."

Hair on Man's Head
"The hair on a man's head, if left uncut, rarely grows more than 1 1/2 inches, according to one expert."

MISSIONS KEEP AT LEAGUE TOP

Break Even with Los Angeles to Win Series—Seattle Wins Game

By the Associated Press
Eight coast league clubs functioning at top speed, staged seven smashing attacks for position in the standings yesterday, and when the smoke of battle had cleared away, the fiery Missions Reds, who for three weeks straight have led the league in the campaign for the 1929 pennant, were farther ahead than ever.

Aroused to the point of anger because of the harsh treatment accorded the veteran Harry Krause in the morning, the Missions stepped out in the afternoon to batter their way to a 10 to 3 victory and the week's series here. The morning game resulted in a 5 to 2 win for the Angels.

The Southerners scored five runs off the enemy spitballer in the foggy morning hours, and not a single one was earned. Gordon Slade's four costly errors bringing down the blame for the loss. Slade was in a panic at shortstop, but he did much better in the nightcap.

Seals Beaten Twice
Billy Lane's Hollywood boys defeated the San Francisco Seals twice in the day. The Seals won the first battle 2 to 1, in ten fast innings, and the second 4 to 2, in seven.

After the first game of the scheduled Seattle-Portland doubleheader, the home team won with one out in the Seattle sixth, it began pouring, so that impromptu suspended the proceedings, and half an hour later called it off entirely, with the field resembling a miniature lake. Seattle won in the five official innings 4 to 1.

Oaks, Senators Split
The Oaks and Sacramento Senators broke even on yesterday's doubleheader. The hometowners taking the morning game 8 to 7, and the Oaks the afternoon 7 to 5.

The morning win made it five in a row for the Oaks, who overcame a 7 to 2 lead to turn the tide. Max Baehre appeared due for a beating in the sixth inning of the afternoon game when Manager Eddy Ryan sent in Eddy Ryan ersawhile. Mission and Seal pitcher, to stop the Oaks in their tracks.

Yesterday's Coast league results follow:
At Portland—R. H. E.
Seattle 4 7 2
Portland 1 2 1
Batteries: Pipiras and Borant; Casarella and Rego.
(Game called in sixth account rain; second game called off.)

At Los Angeles—R. H. E.
First game—R. H. E.
San Francisco 1 4 0
Hollywood 2 4 1
Batteries: Glynn and Reed; Schmidt; Wetzel and Haasler. (10 innings.)
Second game—R. H. E.
San Francisco 2 4 2
Hollywood 4 5 0
(7 innings by agreement.)
Batteries: Gomez and Schmidt; Marty, Johns and Cook.

At Oakland—R. H. E.
First game—R. H. E.
Sacramento 7 11 0
Oakland 8 16 1
Batteries: Gould, Kunz, Kosting

LYMAN VAULTS 11 1/2 FEET TO TAKE FIRST

Richard Lyman, freshman at O. S. C., who participated in the dual track meet Saturday between the Chemawa Indians and the Rooks, took one first place and one second, for a total of eight points. Lyman won the pole vault at 11 feet 6 inches, considered to be an excellent mark in first-year college events, and he also won second in the high jump, losing to Rodman, rook high jumper, who thrilled the crowd with a leap of 5 feet 11 1/2 inches.

Lyman was also a member of the rook basketball team during the winter athletic season.

RAIN ENDS GAME IN BAKER SUNDAY

Pirate-Elephant Contest Called in Third with La Grande Ahead, 2-1

Rain stopped the La Grande-Baker game in the Blue Mountain league at the end of two and a half innings of play at Baker yesterday and, in the opinion of local fans, who were in attendance, the show-ers prevented another La Grande win and added discomfiture to one William Brauer, former pitcher with the Portland Beavers of the Pacific Coast league.

When the game was called by Umpire Whipple, the score stood 2 to 1 in favor of the Pirates and here is what La Grande did to Mr. Brauer in the two and a half innings: secured five clean hits, two sacrifice hits, one walk and one free pass to first base when the batter was hit by a pitched ball. On the other side of the ledger, Brauer managed to strike out three of the 15 batters who faced him.

At the rate the Pirates were smashing out hits off the ex-coast leaguer, fans were doubtful if he would have lasted through the game.

Duff Allows Two Hits
On the other hand, Cecil Duff faced eight Bakerites in two innings, allowing two hits, striking out one man and two men reached first on a batter's choice and on an error. Baker's lone run was unearned.

Johnny Saunders, Portland third-string catcher last year and part of this season, showed up very well excepting one case of juggling the ball frantically while McKennon was racing from first to second base for an easy advance. In his one time at bat Saunders snared a scratch hit which Sylvester dove into and knocked down, but was unable to field before Saunders had touched the initial bag.

Pirates Score Twice
Both of La Grande's runs came in the first inning, after Sheriff Henry McKinney tossed out the first ball to open the home season at Baker. King was hit by one of Brauer's wild pitches, Helms crashed out a single into left field and went to second when Alexander muffed the pickup. Then Stokke walked and Murchison drove out an easy one to first base. With the bases loaded Sylvester sacrificed to right field, scoring King. McKennon drove out a single, scoring Helms. Moore, next up, struck out.

In Baker's half Higgins, Laymon and Lyke went out one, two, three on easy infield chances. The Baker infield saved Brauer from more scores in the second.

Brown Scores
In the second Saunders got his scratch hit but was thrown out trying to reach second. Brown staying at first on a fielder's choice. Fred Alexander went to first on Murchison's erratic throw to first, permitting Brown to score. Then Brauer struck out and McCard hit an easy one into the infield, Helms taking the assist.

The game will be played off at Baker later in the season, the date to be announced later. While rain was washing out the Pirates and Elephants, Pendleton won a second game against Enterprise.

Major Leaguers Play Sunday On Rainy Diamonds

By William J. Chipman (Associated Press Sports Writer)

In between cloudbursts and showers through the Eastern theater of major league war, pennant contenders, real and accused, stepped to the plate yesterday and won a moral victory over the weather and swam for their lives. One game was delayed, another was cut short, and the second portion of a scheduled double-header at the Polo grounds was washed away, but the rain checks were rendered null and void in every park.

Fighting in the western sector saw the St. Louis Browns continue their mad pace as two National league favorites fell before so-called under-dogs. The Cincinnati Reds, conceded to be as far under as it is possible for dogs to get, left the Cubs reeling under a 17 to 12 blow at Redland field, but found themselves severely battered by Bruin bats before it was called a day. The Reds led at one time by 12 to 2, only to see the Cubs pull up to within one of a tie by scoring once in the fourth and eight times in the fifth.

Petty Wins Game
Jose Petty pitched his first winning game of the year on turning back the Cardinals to 6 to 2 with only four safe hits. The Pirates themselves had their troubles with old Pete Alexander, and made the game safe only by a three-run assault against Sylvester Johnson in the ninth after Alex had given way to pinch batsman.

About 42,000 fans were enticed when Knight, Duff and King hit singles in succession. Knight, however, was caught out off second by one of Saunders' pegs. Helms sacrificed, advancing Duff to third, but McKennon struck out, ending the chances.

In the third Sylvester went to first on Brown's error but was thrown out off the bag by Saunders.

Brown Scores
In the second Saunders got his scratch hit but was thrown out trying to reach second. Brown staying at first on a fielder's choice. Fred Alexander went to first on Murchison's erratic throw to first, permitting Brown to score. Then Brauer struck out and McCard hit an easy one into the infield, Helms taking the assist.

The game will be played off at Baker later in the season, the date to be announced later. While rain was washing out the Pirates and Elephants, Pendleton won a second game against Enterprise.

to the Polo grounds by word that the Giants would trample the Phillies twice in the same afternoon. After Fred Fitzsimmons had toyed with the Shotton troops to win the opener by 8 to 2, rain fell in such a business-like way that Giant officials were forced to send their customers home short changed. Traps Johnson picked up two home runs in the single inning, as a did Hack Wilson in the game at Cincinnati. Hack, incidentally, batted home five runs, a record for the season to date.

The rain which drenched Flatbush and environs gave the Hobins a chance to prove themselves as adept at losing in six innings as they were known to be in nine. The Braves accepted this decision by 2 to 2 and remained at the top of the peculiar standing of the National league clubs. Rube Bressler got three hits, including a homer.

Ruth Home's Again
Babe Ruth's second home run and Waite Hoyt's effective pitching pulled the Yankees through by 7 to 2 at Washington after the rain held up. The contest was delayed by 2 to 2 and remained at the top of the peculiar standing of the National league clubs. Rube Bressler got three hits, including a homer.

Boston fans, to the number of 25,000, finally had a chance yesterday to see a major league championship contest on the Sabbath, but the Athletics, entirely out of sympathy with the gala spirit of the occasion, romped back to Philadelphia with an edge of 7 to 3. The Red Sox led by 2 to 1 going into the sixth, but a well-timed assault upon Charlie Ruffing in that round solved Connie Mack's problem.

King Miller and Jimmy Dykes contributed home runs to the Mackian cause, and Dykes in addition crashed out two doubles. Eddie Rommel attended to the defense by serving the knuckle ball in his best style.

The 6 to 2 victory of the Browns at Detroit, coupled with the success of the Athletics, left these two contenders in a tie for top honors in the younger major circuit, each with a mark of .667.

The White Sox shaded the Indians by 2 to 1 at Chicago in the remaining American league skirmish.

Garden Hose 50 ft. Complete with couplings \$6.95

The famous Goodrich Garden Hose made of toughened rubber, nothing but actual inspection can separate the rubber from the fabric. Resists kinking and twisting and is tested to several times city water pressure. 50 feet, and complete with couplings. \$6.95

Beneath the stylish hood of this new HUPMOBILE . . . is a new style motor.

... asking only for protection from carbon forming oils

A NEW style in motors has swept the automobile industry. High-compression motors, powerful, speedy, economical, add emphasis to the outward beauty of modern cars.

Hupmobile Century sixes and eights are among the most striking this year—and their motors are worthy of the hoods that house them.

But today every car owner faces a problem. Not a fault in his car—rather a fault in the oil he uses. Many oils form quantities of hard carbon. It is bothersome and has to be removed even from old cars. In high-compression motors it becomes a real danger because pistons almost touch the cylinder head. Where would you put a quarter-inch layer of coke-like carbon?

Hard carbon causes more damage than many of us realize. Chips get under valves holding them open to warp and waste power. Gritty bits grind and chafe through moving engine parts.

However, there is an answer: Word has gone out among lubrication experts—word about a new motor oil that solves the carbon problem.

Shell Motor Oil actually forms only 1/3 to 1/5 as much carbon as even the most expensive oil you can buy! The little it forms is only soft soot that blows easily away.

The new high-vacuum refining process by which Shell Motor Oil is made produces a finer lubricant, too. One that is remarkably resistant to heat; it holds its body long after ordinary oils break down.

Thus in Shell Motor Oil you get two vital things. First, freedom from hard carbon, secondly a marvelous lubricant. Fill with it regularly.

Famed always for stamina, Hupmobile has more than kept its pace. New Hupmobile motors are high-compression of course—modern engines must be! And high-compression means no room for hard carbon—use an oil that forms none

Even the coolest oils form more carbon. A sample of this oil, when burned, left more than twice as much as Shell Motor Oil

An equal sample of Shell Motor Oil left only this small fraction of carbon—and it is soft carbon, not the hard, gritty damaging kind

SHELL MOTOR OIL
