## ABE MARTIN

"Take that stuff out to the barn, do you think I want them dry of ficers murderin' me?" yelled Mrs. Lufe Bud when her husband set a pint of elderberry wine on the mantle shelf. A split inner tube makes a dandy missile, says Miss Dawn Lippincott, on the woman's page of the Weekly Slip Horn.

## Scout Court Of Honor Held At Cove Saturday

By Mrs. A. G. Conklin (Observer Correspondent)  
COVE, Ore. (Special)—The Boy Scout troop of Cove held its annual birthday celebration Saturday evening with a banquet at 7:30 at Morris hall. The dinner was prepared entirely by the boys, who served a very nice meal. The center of the table was decorated with a birthday cake bearing five lighted candles. After the dinner, a court of honor was held, with H. Welmer presiding. He presented Charles Fisher with a tenderfoot badge, Alvin Peterson a second class badge and Allen Miller merit badges for bird study and carpentry. The troop committee presented the troop with the national colors. E. Russell Scott, Eastern Oregon executive, was present and gave the boys a short address. After the court of honor, the troop demonstrated "First Aid," "Signal" and games. The troop committee consists of S. H. Welmer, J. E. Mills, Thomas Towie, Thomas Hefty and G. R. Conklin. There are 17 boys in the troop, 10 wearing tenderfoot badges, Logan Anderson, Donald Smith, Orestis Richards, Chester Baum, Darryl McCool, Jack Paige, Lowell Welmer, Charles Fisher, Wallace Simmons and Millard Van Dong. Four boys have second class badges, David Arnot, Dell Breshears, Alvin Peterson and Darrel Welmer. Two boys have first class badges, Billy Clark and John Fisher, and one wearing a star is Allen Mills. The parents of the boys, their leader, the Rev. P. F. Sturges and a few guests were present.

The young people's conference will be held at the Ascension grove Saturday and Sunday, May 4 and 5. There will be young people in attendance from Pendleton, La Grande and Baker. John Bradner, of La Grande, will have charge of the conference.

Mrs. P. H. Daniel was hostess to the Fun and Joy Bridge club at her home north of town Saturday afternoon. Spring flowers were used in decorating. Three tables of bridge were at play. Two new members of the club, Mrs. P. F. Sturges and Mrs. Vesta Gray, were present. Luncheon was served after the games.

Miss Jean Miller, daughter of Mr. and Mrs. Frank Miller, has been chosen May queen at the Lower Cove school, where they will have a May day fete the first day of May.

Your **MODEL T FORD** is still a good car

THE Model T Ford led the motor industry for twenty years because of its sturdy worth, reliability and economy. Those same reasons continue to make it a good car.

As a matter of fact, nearly one-fourth of all the automobiles in use today are Model T Fords. Millions of them can be driven two, three and even five more years with reasonable care and proper replacements. Figures show that the average life is seven years.

Don't sacrifice your Model T, therefore, but take it to the Ford dealer and have him estimate on the cost of putting it in A1 shape. A very small expenditure may be the means of giving you thousands of miles of additional service.

For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. This price includes new bearings, reboring cylinders and any other work necessary. Parts are extra.

Valves can be ground and carbon removed for \$3 to \$4. The cost of tightening all main bearings is only \$6. The labor charge for overhauling the front axle is \$4.50 to \$5--rear axle assembly, \$5.75 to \$7.

New universal joint will be installed for a labor charge of \$3. Brake shoes relined for \$1.50. Rear spring and perches rebushed for \$1.75. The cost of overhauling the starting motor is \$3. A labor charge of approximately \$2.50 covers the overhauling of the generator.

It will pay you, therefore, to see your Ford dealer and have him put your Model T in good running order. By doing so you will protect and maintain the investment you have in your car and get months and years of reliable transportation at a very low cost per mile.
