There's one thing about a bachelor. He doesn't use the hotel towels to fill up his bag.

"Haven't I run across your face some time or other?"

"No, it's always been like this."

"And how do you get on with your wife?"

"I've a splendid working arrangement with her. In the morning she does what she wants, and in the afternoon I do what she wants."

TRY THIS!

"Listen! Lend me twenty dollars, but only give me ten of it. Then, as I owe you ten and you owe me ten, we'll call it square."

He: "Don't you think it is getting chilly?"

She (resignedly): "Oh, all right, go ahead and put your arm around me."

Mr. Freshwed: "This is an extra fine steak, dear."

Mrs. Freshwed: "Glad you like it, honey. I'll save a sample and see if I can't match it for Sunday."

Little boy to store clerk in midst of the Saturday night shopping rush: "Please, sir, have you seen a lady without a little boy who looks like me?"

Hub (angrily): "Why did you wake me out of a sound sleep?"

Wife: "Because the sound was too distressing."

"The girls in our office wear dark hose."

"What do you mean, dark hose?"

"Roll tops!"

OSLO, Norway (AP)—Eller Ringnes, a brewer who contributed liberally to polar expeditions of Nansen, Sverdrup and Amundsen, died here at the age of 86. He financed one of the expeditions which searched for Amundsen last summer after the latter was lost while seeking survivors of the Nobile disaster.

In the janitor and teacher, such efforts go best with organization and direction by thoroughly prepared special workers. However, we are not thoroughly in earnest about the health of the school child if we sit down and told our hands because such special workers are not available.

BERLIN (AP)—Last year 30,555 newly registered motor vehicles were recorded at the traffic registration bureau, an increase of 100 per cent over 1927. Of the total, 19,657 were German and 10,898 of foreign make, of which 7,017 came from the United States.

LONDON, May 1—(AP)—A mild sensation has been created in London art circles by the Royal academy's rejection of a picture by Mrs. Dodd Procter, prominent artist, entitled "Virginia"—a full length nude figure holding a bird. No reason for the rejection has been given out.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says: "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry excremental bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25¢ today at the nearest Rexall Drug Store. Glass Drugs, Inc. —ADJ.

THIS INTERESTING scarf was seen in the Easter parade worn with a tweed suit. It is shaped like an arrow. The shaft is of red crepe de chine and the ends are of black and white checked cravat silk.

Camp Fire Girls Enjoy Hike And Picnic Tuesday

By Lois Witherspoon

(Observer Correspondent)

CRICKET FLAT (Special)—The camp fire girls with their guardian, Miss Price, went up Dry Creek for a hike and picnic Tuesday evening.

They reached their destination they cooked supper on the camp fire and later held a council fire when some of the girls received their wood-gatherer's rank. Those who went were Misses Cora Price, guardian, Wilhelmina Stewart, Frances Cates, Geneva Taylor, Ruby Scott, Ina Scott, Genevieve Crum, Helen Baumgardner and Lois Witherspoon.

The members of Cricket Flat grange held their regular meeting Saturday evening with about 20 members present. Mr. and Mrs. Roy Gekeler, of the Blue Mountain grange, were visitors. Mr. Gekeler brought blinding twine with him that he had received. He also put on a diversified contest for the grange's program. The home economics committee served a delicious luncheon after the meeting.

A group of friends of Esther Witte gave a surprise picnic on Garden Creek Sunday afternoon in honor of her eighteenth birthday anniversary. Hiking and playing baseball were features of the afternoon. Those present were the Misses Esther Witte, Cora Price, Genevieve Crum, Loretta Condon, Delphia Beem, Frances Cates, Lois Witherspoon and Messrs. Kenneth Blanchard, Glenn Fuller, Edwin Witherspoon, Leonard Cates and Homer Greene.

The members of the Cricket Flat grange gave a party at the Highland school house recently. At a late hour refreshments were served. An out-of-town guest was Miss Eva Woodell, of Summerville.

Mr. and Mrs. Dave Scott and small sons, Ralph, Harold and Kenneth, of Joseph, were visiting Mr. and Mrs. L. V. Witte Sunday.

Mrs. Raymond Waelty, and daughter, Zella, and Mrs. Mary Waelty were La Grande visitors Friday.

Mr. and Mrs. Roy Knight and daughter, Verna, were visitors of Mr. and Mrs. J. E. Witherspoon Sunday.

Clarence Witte and Mr. and Mrs. Jay Johnson, of Wallowa, were visiting Mr. and Mrs. W. M. Miller and friends in Elgin Saturday and Sunday.

LONDON, May 1—(AP)—A mild sensation has been created in London art circles by the Royal academy's rejection of a picture by Mrs. Dodd Procter, prominent artist, entitled "Virginia"—a full length nude figure holding a bird. No reason for the rejection has been given out.

THEATERS

"Carnation Kid" Now Showing At Arcade

Talking and sound effects feature Douglas MacLean's latest starring picture entitled "The Carnation Kid," produced by the Paramount-Christie corporation, which is now at the Arcade theatre.

While there is not 100 per cent dialogue running throughout every scene yet in every sequence the action is featured by the talking. Instead of making the film an all-talking one, Christie officials wished to emphasize the opportunity afforded by the story for typical movie action, and for the first time local audiences hear as well as see the customary four or five locations as heretofore has been the case. "The Carnation Kid" features forty-three different sets and locations during the running of the film.

"Trail of '98" Is Feature At Star

The emperor, Nero, who fiddled while Rome burned, would get a "kick" out of seeing "The Trail of '98," the Metro-Goldwyn-Mayer epic of the north directed by Clarence Brown, now at the Star theatre.

One of the most gigantic fires ever registered in a motion picture story is but one of the many thrills contained in this great film.

It represents the burning of Dawson City when the Klondike gold rush was at its height.
