Racers In Crash At Ontario, Ore.; Primm Is Unhurt

ONTARIO, Ore., May 6.—Two crashed on the last lap of the third event of an automobile race program here Sunday afternoon. The 4000 spectators were breathless when they saw C. Harpole, mechanic for Jim Watson of Portland, hurled over the wreckage of their bumper and the Essex special driven by J. Primm of La Grande. Primm and Watson escaped injuries. Harpole was rushed to the Holy Rosary hospital, where it was found his injuries were not serious. His wife witnessed the accident. Guy Bulfinch of Portland won the first and last races of the program. Phil C. E. Boyder of Portland was the winner of the other number. The races were staged by Ontario Post No. 57, American Legion.

OREGON RELAY TEAM WINS IN SEATTLE MEET

SEATTLE, May 6 (AP).—The two-mile relay team of University of Oregon began this week to prepare for new conquests after setting up a new record in the Washington relay carnival here Saturday. The quartet made the two miles in 7 minutes, 52.5 seconds. The previous mark was 7:55.1. Another record fell when the Brooklyn two-mile team of the Seattle high school division bettered the old mark of 8:31.1 by 1:1.5 seconds. Leinhardt, of Washington State, won the pole vault on the toss of a coin after he had tied with Smith, Oregon State college, at 12 feet. Muller, of the University of Oregon, won the discus event when he heaved the plate 156 feet, 5 inches. Washington State won the carnival with six firms; University of Washington was second with four, and University of Oregon, third, with one.

Frank Troeh Wins Trapshoot Title

PORTLAND, May 6 (AP).—Once again Frank M. Troeh has added the Oregon State championship title to his list of trapshooting honors. Yesterday he turned in a 98 yard, which added to his 95 on the previous day, gave him a total of 193 for the two-day meet. H. M. Hollyfield was second with 191. Troeh was obliged to do some excellent shooting to place as he did. As it was, he was not high-gun of the meet. This honor went to O. N. Ford of Del Monte, Cal., who shot two 27s for a 194 two-day total. Since Ford is not a resident of Oregon, however, he could not claim the state title.

Two Balloons Are Unreported Today

PITTSBURGH, May 6 (AP).—Two balloons that left here late Saturday in the national elimination balloon race had not reported in race headquarters here today. The ten other entries were down at points in Pennsylvania and New York. Of those reporting, the Good-year VII apparently had covered the greatest distance of 495 miles, although all figures were unofficial and were based on cursory estimates. The Detroit Balloon club entry's pilot, Svend Rasmussen, reported to headquarters this morning that he had landed yesterday near Camden, N. Y. He estimated the distance traveled roughly at 380 miles.

No Flash In Pan, Joe McCarthy Says

CHICAGO, May 6 (AP).—Joe McCarthy, pilot of the pennant aspirant Cubs, is one manager who admits the early winning streak of the Boston Braves isn't just a flash in the pan. Pointing to their added strength, McCarthy believes they have a much improved club over 1928 and may cause considerable trouble in the flag race. The Braves have won eight out of eleven games.

MISSION REDS INCREASE LEAD

Ducks Ducked Beneath The Surface Twice Sunday in Coast League.

By The Associated Press The Mission Reds were three games ahead of their nearest rivals, the Los Angeles Angels yesterday after one of the hottest sessions of baseball the Coast League clubs have experienced in weeks. All of the teams functioned at top speed, each club playing two games, the day's activities being marked by unusually heavy hitting on almost all sides. Twice, in the morning and in the afternoon, the Portland Ducks appeared to have the Missions checked for the losing end of the score, only to have the Reds rally and emerge the winners. In the afternoon fracas, the leaders went into the last of the ninth on the short end of a 4 to 2 score, but when the inning was finished, they were out in front 5 to 4. In the morning game, the last of the seventh found them behind 8 to 5 but a heavy bottom attack netted five winning runs.

Seals Win Too The Seals won the Sunday doubleheader from the Oaks 4 to 2 in the morning session and 7 to 1 in the afternoon. Walter Mills kept cool in the morning game and upped through to an easy victory. In the afternoon Elmer Jacobs took it easy, with the Seals gaining a four-run lead in the first two innings.

Los Angeles and Sacramento divided the win, but the Angels winning the first game in Stockton in the morning in 11 innings 6 to 5, and losing the nightcap at Sacramento 5 to 2. Backer's hitting featured the morning game. In the afternoon Fray Platt held the Senators at his mercy while Keating had one bad inning. The Angels won the week's series four to three.

Hollywood received an even break in the eight game series against Seattle by taking both ends of a doubleheader 18 to 2 and 4 to 2. The first game was a walkaway for the Stars, who pounded three Indian pitchers for 17 hits and took advantage of their five errors. Hank Hulvey hurried for Hollywood, being hit four times, three a home run by Dave Harber. The game was decided in the sixth inning when the Hollywood team pushed across three runs to another two-run lead taken by the Indians in the fourth, when Charley Wade hit a homer with one on.

Yesterday's Coast league results follow: At San Francisco (morning game) R. H. E. Portland 4 15 9 Missions 19 13 9

Hot Action! — And A Study Of Faces

Remarkable action pictures, taken at the recent Drake and Penn Relays and other collegiate events, offer an interesting study of men's faces under the stress and strain of strenuous competition.

No. 1 shows Eric Krenz, discus hurling champion of Stanford, as he heaved the green platter 181 feet 7 1/2 inches, a new record. No. 2 is Dave Adelman of Georgetown, pictured heaving the shot 47 feet 4 1/2 inches at that event at the Penn Relay.

No. 2 shows the phenomenal Claude Tracey of Rice Institute, catching his breath after he beat a field of crack 100-yard-dash men in 9.45 at the Drake Relays. Tracey violates sprinting traditions as he is nearly six feet tall and weighs 175 pounds.

No. 4 shows Beall of Oklahoma Baptist finishing first in the mile relay at Drake. Not another runner was anywhere near when Beall finished.

No. 5 is one of the most unusual action pictures ever taken, showing as it does the

length of a hurdler's jump as well as of Tracey's study of form. Left to right are Everett Euerbach of Pittsburgh, Tom Churchill of Oklahoma and Alden Holdinger of Junata.

No. 6 is an interesting study of starting form as displayed by Hersey Bertramer of Pennsylvania. Notice the contraction of face and shoulder muscles as Bertramer prepares for a mighty effort. Churchill is shown again in a remarkable instant of action in No. 7, just after taking off in the broad jump.

Keating and Koehler. At Oakland (first game):

R. H. E. San Francisco 4 15 1 Oakland 2 9 6 Batteries: Mills and Reed; Dumovich, Kasich and Reed.

Second game: R. H. E. San Francisco 7 13 3 Oakland 1 9 1 Batteries: Jacobs and Reed; Craghead, Dumovich and Lombardi.

ATHLETIC HEAD JUNIOR LEAGUE

Boston Braves Still Hanging Onto Leadership in National Circuit.

By William J. Chipman (Associated Press Sports Writer) The first weekend of intercollegiate campaigning on the various major league fronts left the Athletics at the head of their class in the American, with the Braves clinging to the top in the National. The Mackmen retained the lead by defeating Sammy Gray and the Browns at Sportsman's park yesterday 2 to 0.

George Wallberg let the Browns down with one hit and fanned six. The romble of Yankee heavy artillery once more is disturbing the peace and quiet of American league cities. The champions have registered thirty-nine hits in their last three games and have won all of them. Three homers by Gehrig on Saturday and one by Ruth on Saturday and another yesterday paved the way for two Yankee victories over the White Sox, 11 to 9 and 8 to 3. Waite Hoyt was derailed on Saturday for the first time this season, but George Pipras yesterday gained the distinction of being the first Yankee pitcher other than Hoyt to go the route this spring. The Sox provided Pipras for ten hits, and George himself belted the opposition along with five passes, but he was strong in the pinches. Eleven on White Sox were left stranded.

Senators Lose Again Washington still is unable to have a good hitting afternoon simultaneously with a first-rate pitching exhibition by any member of the Senatorial staff. Adolph Liska, one of the best right-handers in the major leagues, turned back the Indians with two hits yesterday, but saw his opponents win the game by 1 to 0.

Liska now has lost three straight, each by one run. He has worked a total of twenty-odd innings with only four runs, earned and unearned, against his record.

The Tigers held a big rally at Navin field yesterday at the expense of Ed Morris, who was routed

ed with other Boston pitchers in a 1 to 2 victory by Detroit.

Chris Win Too After trouncing the "Clan McGraw" by 16 to 5 in ten innings on Saturday, the Cardinals came right back yesterday with a pair of late rallies, which netted a 9 to 7 victory.

The Sabbath triumph pulled the Cardinals back into a tie for second with the Cubs who had stolen a march by beating the Phillies twice on Saturday, but who were forced to sit idly by yesterday as the Cards threw the Giants. Burleigh Grimes led the Pirates to a 7 to 0 victory over the Braves at Boston, pulling the Back Bay band down within reaching distance of

the Cubs and the Cardinals.

Dazy Vance entertained 20,000 customers at Ebbett's field when Brooklyn beat Cincinnati 4 to 1. Vance allowed four hits and fanned nine. The only run off him was Curt Walker's homer in the fourth. Glenn Wright started his first game at short field for Brooklyn and hit a home run in the fourth with one mate aboard.

Golf Qualifying Round Is Played In Wind And Rain

GULLANF, May 6 (AP).—All day long through a driving wind and soaking downpour of rain, entrants in the British open golf championship went through one of the worst qualifying rounds in the history of the event. Early indications were that only one American, Ed Lindley, who scored 95 for his first 113 holes, was in danger of falling to qualify.

MacDonald Smith found some trouble in negotiating the Muirfield course but his first 18 holes of 75 left him in a comfortable position.

Dudley will need a round of 75 tomorrow to score the 160 for 36 holes which the experts observers have fixed as the likely qualifying figure. After 36 holes the field will be reduced to below 10 and the men who will then enter the championship proper at 72 holes with a further cut Thursday night.

The storm grew worse in the afternoon as Gene Sarazen and Horton Smith finished and Walter Hagen and Will Hill McWhorn started. There was one advantage in the afternoon, however, the last player out made preparations to withstand the storm, piling on all his weatherproof clothing they could carry and still play their shots.

Tommy Armour, former open champion of the United States, called on his Scotch background to aid him in opposing the weather and turned in a score of 77.

Horton Smith played his first 18 holes of the qualifying tests in 75 strokes while Al Repinson, another American professional, took 80.
