Horse Classic to be Run off Tomorrow—Race Will be Worth \$64,000.

By Alan J. Gould  
(Associated Press Sports Editor)  
LOUISVILLE, Ky., May 17 (AP)—East and west, north and south will send its blue-blooded horse-flesh in quest of the classic three-year old honors of the American turf tomorrow in the fifty-fifth running of the Kentucky Derby. The race will be worth \$64,000 of which approximately \$54,000 will go to the victor.

The weather prospects are dubious, but rain or shine, heavy going or fast, the experts predict a "horse race" and the promoters expect a notable throng of upwards of 75,000 to jam the picturesque Churchill Downs.

**Millions to Tune In**  
Millions more are expected to tune in on the thrills of America's most colorful turf classic over a record radio hook-up for the derby, arranged by the National Broadcasting company and its associated stations.

Derby Day is Kentucky's day of days. Kentucky, as usual, has its favorite. The roar of the crowd tomorrow will be from the heart, as well as the pocketbook. If Blue Larkspur, the pride of the Blue Grass, comes home first in the colors of the Idle Hour farm of Colonel Edward H. Bradley, the Bradley organization suffered a severe blow in the loss of its chief trainer, "Dick" Thompson, now seriously ill after an operation for appendicitis Wednesday night, but there is every assurance that Blue Larkspur nevertheless will go to the post fit and ready.

The famous son of Black Servant, declared good in any kind of going, probably will face the barrier a 2 to 1 favorite, with Clyde Van Dusen, carrying the colors of H. P. Gardner, second choice, probably around 4 to 1, on the basis of wagers reported today.

These first pictures show scenes at the Cleveland Clinic Hospital blast. Above, the hospital, with firemen still engaged in rescue work. Below, rescued patients receiving first aid. Photos transmitted to the San Francisco bureau of NEA Service.

Colonel Bradley has seen his horse wrecked a good portion of the original derby list but there is every indication of keen inter-sectional rivalry in the field that remains. The far west pins its hopes chiefly upon Naishapur, winner of the Tijuana derby and a close second in the rich Coffroth handicap on the Mexican track.
