## 'Blue' and 'Red' Forces Continue War Maneuvers

WRIGHT FIELD, Dayton, Ohio, May 17 (AP)—Military secrecy today enveloped the movements of the two United States army air forces opposing each other in Ohio during the air-ground maneuvers of the "red and blue" armies.

The two forces were depleted as a result of the first engagements yesterday, but reinforcements technically will arrive 24 hours after the combat. This places the blue army, with its base here, at a disadvantage because the red army, stationed at Norton Field, Columbus, made the last attack with five bombers and 21 pursuit ships just before dark yesterday.

The invaders theoretically destroyed one-fourth of the blue squadron of bombing planes in reprisal for an earlier attack upon Newark, important city of the red nation.

## Butter Standards Up a Half Cent

PORTLAND, Ore., May 17 (AP)—An advance of half a cent in butter standards to 43 and half a cent in current egg receipts to 27 were the only changes in the dairy division of the market Friday. Other butter and egg grades were steady with storage progressing normally.

Poultry and dressed meats were unchanged. Mexican tomatoes were cheap, peaking, but the Texas product is coming in at a slight decline in price.

Asparagus continues plentiful and cheap. The most outstanding feature of the vegetable market was the arrival of Maryland turnips. These are declared of unusual quality and wholesaler for 80 to 85 cents a dozen bunches.

All lined oil prices were advanced 3 cents a gallon. PORTLAND PRODUCE. PORTLAND, Ore., May 17 (AP)—Butter standards half cent higher. Portland Dairy Exchange no. wholesale prices (cubes): extras, 45c; standards, 43 1/2c; prime firsts, 42 1/2c; firsts, 42c. Creamery prices: prints, 3c over cube standards.

Eggs: current receipts half cent higher. Portland Dairy Exchange (net basis): fresh standards, extras 29c; fresh standard firsts, 28c; fresh medium firsts, 27c; current receipts, 27 1/2c. Prices to retailers 1c to 3c over exchange prices.

Milk, poultry, onion, potatoes, wool, nuts, hay, canner's bark and hops: steady and unchanged.
