Buffalo Nickel Model

From Yale, a shoe made on the Buffalo nickel model was the first of the Indian head on the shoe nickel, designed by James C. Kruger and put into circulation in February, 1913. Iron Tail later joined the Buffalo Bill 101 ranch boys and toured the country, stipulating that part of his remuneration should be paid in the nickel being his people.

ATHLETICS HAVE FOUR-GAME LEAD

Eleventh Straight Victory Scored Yesterday Over Luckless Senators.

By William J. Chipman (Associated Press Sports Writer)

If the American league only were composed of just the Senators and the Athletics, life would be nothing but a long, sweet dream for the Athletics of Prof. Cornelius McGillicuddy. The aspiring Markkunen have played at a .650 clip against the other six clubs, but have averaged a neat .523 against Walter Johnson's entry, which many picked to win the Barnard pennant. Their record is 13 out of 26 against the league in general, 17 out of 25 against their Washington opponent.

The Athletics shifted the scene to the capital city yesterday to shade the Senators by 4 to 3 for the eleventh straight Philadelphia victory, nine of which have been at the expense of the self-same Senators.

Four-Game Lead

The victory maintained the Athletics comfortably ahead of their field four games in front of the Browns, who shaded Cleveland by 1 to 0, and five and one-half to the fore of the Yankees and the Tigers, who rested in a virtual tie for third place. Old Red Faber applied the one-hit treatment to the Tigers in Chicago to win by 2 to 0 as the Yankees went on a spree in Boston to take the Red Sox by 15 to 4.

Habe Roth's ninth home run was the crowning blow in a 16-hit assault which the champions showed over the Messrs. Ed Morris.

Sweet Sprinter

They won't call it a world's record because a breeze was blowing, but Russell Sweet, ex-Montana track and grid star, ran 100 yards in 9.2-5 seconds at San Francisco for the fastest century anyone has ever traveled.

Ed Driham, Ed Carroll, Billy Hayne and Jack Russell. Walter Hoyt was doing very well with the New York pitching until he became involved in a heated debate with Mr. Richard Nallin, the umpire. Hoyt spent the rest of the afternoon in the club house wondering whether he would get credit for the pitching victory, which he did.

The game marked the first appearance of the Yankees upon Hayes' field, which the Red Sox use for Sunday games because of its advantage over the Fenway in seating capacity.

Rip Collins scattered 7 Indian hits to win over Willis Hudlin by 1 to 0 on only five safe blows by his St. Louis comrades. Blue's double and Manush's single in the eighth settled the argument, leaving the Browns in a threatening position.

Pirates Win Twice

The Pirates definitely inserted themselves into the National league fight, for the moment at any event, by taking both ends of a double header from the Cardinals at Sportsman's park. The scores were 12 and 8 and 7 to 5, with Burleigh Grimes stampeding to the aid of faltering Pittsburgh pitchers in each engagement. The Cubs, aided by a Hornsby home run, had little difficulty in turning back the Reds by 5 to 1 at Chicago.

The Sabbath results in the National league left the Cubs leading the Cardinals by a margin of one full game, represented by a difference of two in the losing column—this in spite of two defeats in three days for the Braves in St. Louis. The Pirates rested only one and one half games behind the Cubs, half a game to the rear of the champion Cardinals. The rest of the league remained below the .500 mark, despite the fifth successive victory of the Giants, who stopped the Braves by 15 to 8 at the Polo grounds.

The Robins completed the National league program by cleaning up their third straight over the Phillies, 5 to 4.

Missions Take Both Games Of Double Header

By The Associated Press

Playing with mid-season precision, the league leading Mission Reds forged ahead two more notches in their standing by defeating Oakland twice at Recreation park here in yesterday's Pacific coast league double header. There were a dozen home runs in the league during the day.

Including their double win from the Oaks, the Missions were credited with 41 games won, and only 17 lost. Their nearest rivals, the Los Angeles Angels, stood 25 won with 27 lost.

The Hollywood Stars bettered their position in fourth place by defeating their Sacramento rivals in both battles. Only the San Francisco Seals and the Seattle Indians split even. The latter defeating last year's champions in a hotly contested afternoon game.

Angels Take Two

At Portland the Angels won the morning contest 7 to 1, and the afternoon game 8 to 6. Berger's homer in the sixth inning of the second game with two out and Tolson on base broke a 6 to 6 tie which had lasted from the fourth inning.

In the fourth Boehler walked the first three men up. Peters then walked the next batter, and two sacrifice flies and a single brought in the runs. Roberts relieved him with the bases full, retired the side, and pitched shutout for the remainder of the six innings.

Monument to St. Francis

A very beautiful monument to St. Francis of Assisi has been erected in the ancient cemetery at Milan, Italy. St. Francis was the founder of the religious order of the Friars Minor, usually styled the Franciscans. He was known for simplicity, unobtrusiveness and extreme beauty of character and was noted for his love of nature.

Coliseum in Chicago Starting Next Fall

Dempsey said his contract with Pugazy, entered into March 25, automatically expired last Saturday upon the promoter's failure to provide him with an outdoor arena where outstanding matches could be staged in New York. In the two months Dempsey was in partnership with Pugazy, he failed to arrange a single bout.

The former champion said his agreement with the Chicago Coliseum, where Jim Muller is the boxing promoter, calls for the staging of bouts there every two weeks during the fall and winter. At the same time, Dempsey said he would continue personal efforts to acquire both indoor and outdoor arenas in New York.

Erecting Brick Buildings At Wallowa, Ore.

By G. C. Meek (Observer Correspondent)

WALLOWA, Ore. (Special)—Work on the new brick buildings going up on the south side of Main street has progressed very rapidly. The new structures replacing the old frame buildings which were destroyed by fire in December, add much to the appearance of the south side of Main street. All the burned out locations have been filled by the new buildings with the exception of the Hotel Northern, on which no start has yet been made toward re-building.

A meeting of Wallowa grange No. 602 was held at the George West home on Diamond Prairie last Saturday evening. A fairly large number of members are reported to have been present. Another meeting which will be open to the public is scheduled for Friday evening, May 31, at the high school gym. A number of outside speakers have been secured for this occasion, among them being Walter M. Pierce, of La Grande, and officials of the state and Pomona granges.

Mrs. Jack Taylor, Mrs. Guy Parker and Miss Olivia Burchfield, of La Grande, were visiting at Mrs. Meek's recently.

Ira Fisher and wife and Mrs. J. H. Fisher, of Joseph, were visiting relatives in the Leap community during the early part of the week. Mr. Fisher has been in poor health for several weeks and expects to leave shortly for Haker where he expects to receive treatment.

Mrs. E. A. Downing went to the home of her son, F. A. Downing, of Leap, recently where she expects to visit for a few weeks. She has been making her home a part of the time with her daughter, Mrs. Pete Knott, of this place.

Charlie Couch, of Leap, was at Lostine during the early part of the week taking music lessons.

Ed Bell started plowing summer fallow at the C. A. Hunter farms in the hills during the latter part of the week. Mr. Bell recently finished double discing all of his ground to be plowed for summer fallow and reports that it has held the moisture in fine shape despite the drying winds of the
