

### The Spirit of Memorial Day

Their spirit of Service is an inspiration to us all... these brave men whose memory we honor today. They have flung the torch of sacrifice and loyalty for us to carry on, each in his humble way, in serving country and community. It is the ideal of this store to serve, too... with something of the same loyalty and sincerity.

### Promise Weather Cloudy; Farmers Wish for Rain

By MRS. BERTHA CARPER (Observer Correspondent) PROMISE, Ore. (Special)—The weather has been quite cool and cloudy with considerable wind. The farmers are wishing for rain, although the grain is not suffering. It would help it greatly if a thorough rain came. Nearly everyone is through planting, the grass is extra good and the fruit trees are all heavily laden.

Chester Corbett with a crew of men started out the first of the week to put in some culverts and to try and repair the road. A crew of men were working at the telephone line last week putting in new poles and putting the wire up and as soon as the skidder is through on the main line telephone communications will be resumed. Melvin Carper, who spent the winter in La Grande attending high school returned home last Thursday with good credits on his school work.

Edgar Barton and mother and brother and sister-in-law, Mr. and Mrs. Thomas Barton arrived Sunday evening from West Virginia. They made the trip in a touring car and were 7 days on the road. Mr. and Mrs. McCubbin visited Saturday evening and Sunday with Cecil's mother, Mrs. Maude Swearingen. Cecil McCubbin and Mabel Buckner were married at Enterprise Friday evening, May 24. Mrs. Stella Paulson and two small children left the first of the

week for a few days visit in La Grande.

Melvin Carper was visiting his brothers, Howard, Harold and Ralph on Powwaka and Mud creek Sunday and Monday.

Mr. and Mrs. W. W. Carper and Mr. and Mrs. Fred Trump made a business trip to Wallowa Monday. There seems to be an epidemic of some kind among the horses of Promise. Mr. Henderson and David Garrett each have lost a good work horse and Tolin Garbert, Leo Kenworthy and C. P. Carper each have a sick horse.

A crew of colored men was burning the slashings along the railroad track last week, under the supervision of fire warden, Leo Kenworthy. Leo and Mr. Heacock have been putting up a phone line to the Kenworthy home where Leo will have his headquarters.

The Bowman-Hicks company will finish logging on the main line in a few days and is now building a camp. Mr. Crawley has a logging contract and a camp at the old Burgoyne place near Cougar creek. Several colored men have come in from Maxville. Also several white families have moved in.

Mora and Dorothy Bennett, of Wallowa, attended the dance Saturday evening. They report that their parents, Mr. and Mrs. Charles Bennett are preparing to move to Pine Valley.

Johnson and son, of Pilot Rock, have brought in two bands of sheep, one band of 2,000 head are ranging on the Wallup canyon near the Burton Miller place, the other band is on Grassman near the Lloyd place. Ula Paulson went to Pilot Rock last week to help bring in another band. Mr. and Mrs. Boyd Carper visited Sunday with Mrs. Carper's parents, Mr. and Mrs. Banner.
