

# Our Equipment and Methods Are Abreast of the Times

The winged shoe of Mercury, expressing speed and change of the world, is symbolic of the La Grande Bakery. For nowhere in the entire northwest, can be found better equipment or better bakery products than we offer to this community.

We realize the importance of keeping pace with the current day advancements in the baking industry. The changes and improvements in machinery are closely watched and immediately installed when proven better than those we are using.

Our most famous product, Butter Nut Bread, is on sale at all La Grande dealers and our trucks make daily trips to all nearby towns. People will no longer be satisfied with ordinary bread but demand a loaf that has food value and an appetizing taste.

Our plant is open for inspection at all times. We are sure that a trip through it would prove interesting. Come and bring your friends—we want to show you that your bread is baked under strict, sanitary conditions and that nothing but the best ingredients are used.

## ATTEND THE HOME PRODUCTS SHOW

All of us home manufacturers cordially invite the entire community to attend The Home Products Show. The exhibits there will convince you that La Grande made products are on a par with those made any where: You will find the show interesting and instructive—see the exhibits and then you will know one reason why La Grande is a "Good" town.

### The Dutch Stores Are Coming

These stores will mark a new epoch in merchandising. Attractive and unique in appearance, equipped with every new device, managed by a trained personnel, located at three convenient points—we promise a food dispensing service that will appeal to all. The first unit of the Dutch Stores will be opened in about two weeks on the corner of Depot and 5th streets. Watch for further announcements.

## FOOD FOR THOUGHT

During the warm summer months the extra worry and effort of baking at home is intensified. Why not let us do all your baking? We can give you the same high quality in pastries, cakes and pies as we are giving you in Butter Nut Bread. You will find that there is economy in buying our bakery goods—your fuel bill will be greatly reduced and your health will be conserved.
