MACKMEN GAIN TWO ON YANKS

Athletics Trim Boston Twice While Senators Humble New York Team

By William J. Chipman (Associated Press Sports Writer) Baseball advances from early season toward the outposts of a full season with the Athletics and the Pirates holding the lead and most of the 14 remaining entries clutching oncoming out the bag. The margin of the Mackmen is large, that of the Pirates satisfactory to Buccaneers boosters. And the standing of the clubs no longer can be spotted as an uninteresting.

The most hopeful expression which now may be made of clubs down in the running is that any potential contender owning a percentage of 500 can possibly rally sharply enough to win in the stretch. This statement just does include the Giants, the Yankees and the Tigers.

Athletics Move Up The Athletics seized the opportunity presented in the Decoration day double—headers to increase their margin over the Yankees to seven and one-half games. Bob Grove and Old Jack Quinn performed in front of Boston spectators, leading the A's to victory by scores of 9 to 2 and 9 to 3 as the Senators trimmed the Yankees twice. Washington chased Herb Pennock from the box to take the opener by 8 to 5, and lusted a ninth-round rally at Henry Johnson.

On the western front pitchers were being manhandled by the Browns and Tigers, who divided their double bill to the profit of Connie Mack. Detroit took the morning game by 14 to 6, but the St. Louis contenders came back in the afternoon to win 12 to 9.

Pirates Retain Leadership The Pirates retained the National league lead by turning back the Cubs, 4 to 0, in the afternoon after the Braves had romped off with the opener, 5 to 1. Remy Krimmer was not quite equal to matching arms with the veteran Artie Nehf in the morning, but Burleigh Grimes had a wide margin over Charlie Rente in the afternoon, winning his eighth successive victory.

The lead of the Pirates is only in percentage points as the Cardinals entered into a virtual tie for the top by defeating the Reds, 5 to 1 and 8 to 2, in an afternoon bargain. Old Alex outpitched Red Linn in the first game and the second was a case of too much Haines.

John J. McGraw won his first double victory of the season when the Giants rallied to defeat the Robins by 8 to 7 in the first game and slammed the ball all over the lot to take the second, 15 to 6. It met with the vociferous approval of 55,000 fans, the largest baseball assemblage ever accommodated at the Polo Grounds.

The Braves turned on the Phillips, 8 to 7, in the morning clash at Baker Bowl, but the home team resumed its spell in the afternoon to win by 11 to 5.

BRITISH GOLF PRO DEFEATS HAGEN TODAY

MOOR PARK, Eng., May 31 (AP)—Archie Compston, British professional golfer, won the first of two 36-hole matches from Walter Hagen, American pro, today, eight up and seven to play. They will play the second and final match at Birmingham tomorrow.

Hagen dropped six holes in a row to lose the match. Hagen won the 23rd hole to reduce Compston's lead to two up but the big Byron then turned on the American and fairly smothered him with a flock of pars and birdies.

The open champion's par four was good enough to win the 23rd but his game collapsed after that. Hagen picked up at the 27th after a series of assorted troubles and a missed four-foot putt enabled Compston to take the tenth.

The cards of the afternoon round: Compston out 442-455-444-437. Hagen out 543-446-556-42. Compston in 31. Hagen in 45.

WASHINGTON IS FAVORED TO WIN

Two-Day Pacific Northwest Track Meet Opens at Eugene Today.

By Frank G. Gorrie (Associated Press Sports Writer) EUGENE, Ore., May 31 (AP)—The greatest collection of athletes ever brought together in the Pacific northwest, gathered here from six universities and colleges to seek honors in the annual northern division Pacific coast conference track and field meet today and tomorrow. The tracksters were representing the Universities of Washington, Oregon, Montana and Idaho and Washington and Oregon State colleges.

Some 50 athletes—the best the Pacific northwest had to offer—were ready to test every conference record beginning with the qualifying heats this afternoon. Preliminaries were scheduled in the 100 and 220 yard dashes, 129 high hurdles, 229 low hurdles and the 440 yard run.

Finals Tomorrow Tomorrow the finals will be held in all fifteen events with the University of Washington an overwhelming favorite to win the conference championship based on the best individual performances to date this season.

Oregon was rated second, Washington was rated second, Washington State third, Idaho fifth and Montana last. The powerful Washington combination which has equaled all northwest competition this season was figured to possibly take every track event and the shot put in the field battles.

A world's champion, an Olympic ace, a national title holder and several other nationally known stars were vying for honors in the classic.

Steve Anderson, Washington's Olympic star, will make an effort to cap both the high and low hurdles for his alma mater in the finale tomorrow. Anderson tied the

Mission Reds Win 44th Game Memorial Day

By the Associated Press

Pacific Coast league clubs spent a busy Decoration day playing double headers with the result that the Mission Reds of the Bay City led the league by two more games, making a total of 44 out of 62. The Reds today defeated the Sacramento Senators. The second place Los Angeles Angels advanced a step by winning the morning tilt from the Seattle Indians, while the afternoon game ended in a tie.

Both games won by the Reds were snappy affairs. They took the morning game 19 to 3, and the afternoon fray 10 to 3, but in that last battle they had to fight for it for at one time the Senators were leading by a score of 8 to 1.

Heavy hitting marked both games played by the Angels and Indians in the northern city. The Angels won the morning game 12 to 6. Both teams batted 15 hits, and in the afternoon battle which was called in the ninth on account of darkness, the Angels hit 16, and the Indians 2.

Ducks Break Even The San Francisco Seals made it three straight over Portland by taking the first of the double header by two lashed rallies, but the Ducks smashed out some timely singles in the second game for an even break. The Seals won the first game, 11 to 8, scoring eight runs in the last two innings off Casarella and Muffrey. Wings and Jolley and Crossell figured in the batting. Portland took the

world's record of 14.4 seconds in the high sticks at the conference meet in Missoula, Mont. Washington also is represented by a national champion in Rufus Kiser, who won the one mile event in 4 minutes 17.3 seconds at the national collegiate track and field meet at Chicago last year.

Two other conference records that were likely to fall by the wayside were the quarter mile and two mile runs. The 440 yard mark of 49 seconds that was made by Miller of Stanford in 1926 and tied by Ed Pollock of Washington a year later but has been bettered this year by Talbot Hartley of Washington. Hartley's fastest time for the quarter was 48.8.

second game 7 to 2 by driving out long hits off Davis in the fifth and sixth, and off Couch in the seventh. Oakland and Hollywood split the day's proceeds, with big crowds at the Hollywood ballgrounds. The Stars won the morning game 7 to 6, and the Oaks took the nightcap 6 to 1. In the first tilt, Hollywood won in the ninth when Leo Carley scored from first on Walter Fish's double. Louis Vergez had tied the score in Oakland's half of the ninth with his fifteenth batter of the season, and fourth in three days.

ART GOEBEL

What Famous Users Say About Richfield

Shortly after we broke the non-stop Coast to Coast record with Richfield Gasoline, we made a comparison of four well-known motor fuels. We discovered in this test that Richfield, in addition to giving us greater power and speed, would enable us to remain in the air two hours longer per one hundred gallons than any of the other fuels. Naturally, we used Richfield in our most recent victory, the Los Angeles to Cincinnati non-stop race.

Goebel adds his tribute to those of dozens of other leaders in the field of motordom, who endorse and use Richfield products—such men as Harry Miller, Fred Duesenberg, Anthony Fokker, Allan Loughhead, Harry Hartz, Captain Wilkins and Ralph Snoddy—men whose achievements as designers and pilots are internationally recognized.

Richfield's qualities—proved in grueling competitive events—are the same qualities you need in your own motor car—insistent power, speed and acceleration without loss of mileage. What gasoline do you use?
