

WILLYS-OVERLAND IN SECOND PLACE

Registrations of this Company Show a Gain of 49.7 Per Cent Over 1928.

TOLEDO, June 1.—New car registrations of the Willys-Overland division in all states for the first three months this year total 24,474, compared with 16,357 for the same period last year. The Willys-Overland division is the largest in the world.

Registrations of this company show a gain of 49.7 per cent over 1928. The Willys-Overland division is the largest in the world.

LOTH STAYS IN SPEED AND CONTROL

"Lotus" cars, star pitcher of the Philadelphia Athletics, has the speed, endurance and control that make him an outstanding performer. In his league baseball. That he appreciates the color of these same qualities on the road as well as on the diamond is demonstrated in his selection of a new Lotus car.

DODGE BROTHERS REPORT BIG GAIN

Increased Business Activity Evidenced in Commercial Car Field.

Increased business activity in the commercial car field is evidenced in shipments of trucks, buses and motor coaches of Dodge Brothers for the first four months of this year compared to the corresponding period of 1928.

Truck shipments during the period represented an increase of 15 per cent over the first four months of 1928.

Motor coach shipments during the period represented an increase of 12 per cent over the first four months of 1928.

ships and furniture packages, but Shell was not content to do that. Hundreds of thousands of people who rely on the standard quality of Shell oil, the "dry" gasoline, and Shell motor oil, that forms the hard carbon, constantly expect that any Shell product will be the best that can be produced by modern methods.

"A dry cleaner is a solvent," Mr. Shell says. "To take up grease, grease, stains, it must be harmful to fabrics, spots, to dry and above all safe. I think it Shell dry cleaner we have examined all these solvents."

"They were Shell dry cleaners," says Mr. Shell, "because of their ability to clean, to stain, to dry and above all safe. I think it Shell dry cleaner we have examined all these solvents."

"The new Shell dry cleaner," says Mr. Shell, "because of their ability to clean, to stain, to dry and above all safe. I think it Shell dry cleaner we have examined all these solvents."

"By examining the proper ingredients in just the right proportions, we have produced a new formula," says Mr. Shell, "which makes it thoroughly and superiorly effective."

"The new formula," says Mr. Shell, "because of their ability to clean, to stain, to dry and above all safe. I think it Shell dry cleaner we have examined all these solvents."
