The People of Eastern Oregon On The New State Normal School

The new Eastern Oregon Normal school, located in La Grande, will fill a long felt need for an institution of higher learning east of the Cascades. It is an institution that will serve the entire Eastern Oregon country and one whose influence will grow with the years to come. The beautiful modern building dedicated today is only a nucleus of the others which will be erected as the student body of the school increases.

A Beautiful Building A Distinguished Faculty

President H. E. Inlow has carefully chosen a strong faculty. One which is schooled and trained to give splendid instructions so that the graduates may go out into the world prepared for their work.

THIS NEW SCHOOL MERITS THE SUPPORT OF ALL EASTERN OREGON
