Ducks Dive Not Over Yet; Oaks Trim 'Em Again

By the Associated Press

Pacific Coast league events of yestedya proved to be only a series of severe setbacks for the league leading San Francisco Mission Reds.

The Los Angeles Angels, third in the league at present, scored two whirlwind victories at Los Angeles over the Killefer club in the day, the only club in the league this year to accomplish that feat and so abruptly to halt the victorious march of the Reds. In the first game the Angels fought their way to a 9 to 5 verdict, and in the afternoon battle came back and completely subdued the Red horde with a count of 7 to 1. The latter game went seven innings, only.

Another jolt suffered by the league leaders was the victory of the San Francisco Seals over the Hollywood Stars at Recreation field here. The Seals, now thriving in second place, and apparently determined to give the Reds a battle for the pennant, outsinged and outpitched the Stars to the tune of a 4 to 2 score.

Quack-Quacks Lose

Oakland had two big innings in the game Portland and took advantage of four errors by the Quack-Quacks finally defeating them 7 to 4. After the second inning Jack Knight pitched shutout ball for the visitors but his team mates were unable to bunch hits off Martin Dumovich's offerings.

In his first start for the Sacramento Senators, on their home lot, Jack Cano, 206-pound Fresno youth, stopped the Seattle Comanches and won by a score of 5 to 4.

Belanger Stops Blackie Miller

CALGARY, Alta., June 8 (AP)—Charley Belanger, light heavyweight champion of Canada, stopped Blackie Miller of Australia in the second round of their scheduled 15-round bout here last night.

Miller was on the floor in bad shape when his seconds tossed in the towel.

Joe Boyd, Seattle, outpointed Billie Barton, Calgary, in six rounds.

Belanger leaves here today for San Francisco where he is scheduled to meet Ace Hudkins on June 24.

Double Header To Be Played Here

The Mt. Emily Lumber company baseball team, with three straight victories behind it, will take part in a double header here Sunday afternoon at the high school field, the first game to start at 1 o'clock.

The O. W. shops team will be the Mt. Emily opponent in the first half of the twin bill and in the last game, the timber town team will furnish the opposition.

BOB KRUSE WINS MATCH

MEDFORD, Ore., June 8 (AP)—Bob Kruse of Portland, won a gruelling wrestling match here last night from Moose Norbeck. Kruse took the first fall with a headlock after a rough session. Norbeck in the second period resorted to butting and knocked Kruse out of the ring, and won the fall with a series of headlocks.

In the final fall Norbeck tried to heave Kruse out of the ring but caught his foot in a hole in the mat and crashed to the floor with Kruse on top of him.

BROWNS BACK IN SECOND PLACE

St. Louis Club Falls on Athletics for 15 Runs—Yankees Lose.

By WILLIAM J. CHIPMAN

The proceedings at Shibe park yesterday fell far short of being any part of an athletic holiday, but the antics of the Browns did enable several of the bench hands aiding the pitchers to get a few moments in the sun. The St. Louisans clubbed Ehmke, Orwoll, Quinn, Hoemmel and Yerkes for 18 hits to win by the neat score of 15 to 6, but as the Yankees obligingly lost, the cost to the Athletics was negligible. The champions are the boys upon whom Connie Mack has his wily eye fixed—the champions and that string of eight games he must play against them later this month.

Turned back by Cleveland for the second successive afternoon, the Yankees dropped to third place behind the victorious Browns. The hugmen remained seven and one half games from the lead as the Brownies reduced their own deficit to six and one half contests.

The Indians defeated the Yankees by the effective process of running up a big early lead and holding it to win by 7 to 3.

Senators Lose Slugfest

Washington fans saw a collapse of two pitching staffs in the same par kyesterday when the Tigers rallied for nine runs in the last two innings to defeat the Senators by 17 to 11.

The White Sox-Red Sox game at Boston was postponed on account of rain.

The Giants continued their spurt at the expense of the Cardinals, winning the final game by 5 to 1 behind Carl Hubbell's fine pitching. This triumph extended the Giants streak to fourteen out of sixteen and six out of seven in the west.

The defeat dropped the Cardinals to third place as the Cubs continued to feast upon the Robins, winning the third and last of the series 11 to 2. Charlie Root pitched in as fine form as he has displayed this season.

The Pirates prevented the Giants from cutting down the margin between first place and fourth, winning again from the Braves 6 to 2.

Donald Hurst hit his tenth homer at Cincinnati, but his wild throw in the eleventh with a double play in sight permitted Ford to score from second, and the Redlegs eased home in front, to 6.

Jim Bottomley To Get $1000 in Gold

ST. LOUIS, June 8 (AP)—Jim Bottomley, the third Cardinal player to receive one of five awards made in the National league for the season's most valuable player, was due to receive a sack containing $1,000 in gold here today from President John Heydler.

Red Birds who have won the award include Rogers Hornsby as second baseman-manager in 1925; Bob O'Farrell, catcher in 1926 and Bottomley in 1928. Hornsby was second to Dizzy Vance the first year of the prize in 1924 while Frankie Frisch was second in 1927 to Paul Waner.

JUDD SCORES KNOCKOUT

EUGENE, Ore., June 8 (AP)—Bob Judd of Portland knocked out "Red Raider" of Yakima in the fifth round of a scheduled ten round bout here last night. Raider put up a poor fight.

Kid Pendergrass, Roseburg and Orlando Farmer, Eugene, went four rounds to a draw. Tony Odell won over Max Massong, Yakima, in the six round semi-final. Red Handeaker took a decision from Mabe McVay of Triangle lake in the four round curtain raiser.

ANOTHER GRID STAR IN MAJORS

And still another Pacific coast All-American football star has been called to professional baseball. Here's Howard Maple, star quarterback of Oregon State college, who has been signed by the Chicago White Sox as a catcher. Maple has been a stellar Coast Conference receiver and hitter for three seasons. Ernie Nevers, Stanford grid hero, now pitches professional baseball, and Larry Bettencourt, a 1927 All-American center, was signed by the St. Louis Browns.

Helen Won't Take Lead in New Fad

LONDON, June 8 (AP)—A Berlin dispatch to the Daily News today quoted Helen Wills, American tennis champion, as saying she would not start the fashion of playing without stockings herself in the coming Wimbledon contests but she would follow the leader if the weather was very warm and the other women wanted to go barelegged.

"If there's a strong public opinion against bare legs then it's stockings for me every time," she said. "But other women players will not find me letting them down if they specially want me to go barelegged."

The fashion of playing marlegged was introduced to Wimbledon two years ago by the South African, Billy Tapscott, so if Miss Wills wants to leave her stockings off she has a precedent.

Maybe we wouldn't have to have a crime commission if the still small voice hadn't become confused with the term speakeasy.

If you go into the stock market, always remember that a loss is a speculation and a gain is an investment.

RUTH'S ILLNESS HOLDS ATTENTION

Mighty Man of Swat is Victim of "Muscular Heart Trouble," Report

By HERBERT W. BARKER

NEW YORK, June 8 (AP)—Lying in a sick-bed, George Herman Ruth, mighty man of swat, held the undivided attention of baseball's millions today.

A victim, according to official pronouncements, of "muscular heart trouble," the great home run slugger of the New York Yankees will be out of the game for an indefinite period.

The more optimistic of Ruth's intimates said he would be back in the Yankee's lineup within a week or ten days; the more pessimistic inclined to the belief that Ruth would not don his uniform again for a month and a half at least and possibly for the rest of the season.

Wall of Mystery

Certainly there appeared to be no basis for early reports that Ruth's baseball career was over. Efforts to learn the Babe's exact condition were hampered by the wall of mystery with which his illness has been shrouded.

Ruth himself was quoted as declaring he would be "as" good as ever" in ten days. Yankee officials, informed by the club physician that muscular heart trouble was not necessarily a serious ailment, thought the Babe would be with them in a week or ten days.

Ruth has been out of the lineup almost a week. After he had hit his tenth home run of the season last Saturday, he left the game and later went to a hospital for an X-ray to determine just how serious was the cold with which he had been suffering for some time. Announcement was made that one lung was congested and that he would be out of the game for a week.

Ruth has been out of the game on frequent occasions during his sensational career but this is only his second long lay-off because of illness. In 1925 he was taken ill during the spring training season and was taken to New York, unconscious from an attack of influenza and indigestion.

Honor Student May Be Suicide, Or Murder Victim

PHILADELPHIA, June 8 (AP)—Whether Bramwell Linn, 21, an honor student at Haverford college, whose body, with a bullet wound through the head, was found in his room on the campus, committed suicide or was slain remains undetermined today, official opinion differed.

The student was a son of Judge William R. Linn, of the Pennsylvania superior court. He was to have been graduated, today and was to have received a special prize for improvement in scholarship.

Judge Linn joined with George Frankenfield, coroner of Delaware county, in expressing the belief that the student had been slain. Those entertaining the suicide theory included Captain Samuel Siegle, of the Haverford township police, and District Attorney W. J. McCarter, of Delaware county.

Clothed only in underwear, Linn's body was found on the floor of his room in Lloyd Hall by Robert Doughty, Jr., a classmate. A .22 calibre rifle stood in a corner of the room.

After an autopsy, Coroner Frankenfield said that Linn had met his death from a bullet which entered the back of the head and lodged at the base of the brain. The coroner said there were no powder marks, indicating that the shot had been fired from a distance.

McCarter thought that Linn stood the rifle in the corner and then, with his hands behind him, pulled the trigger.

All-American Final In Tennis Tourney

LONDON, June 8 (AP)—In an all American final for the North London's women's singles tennis championship at Stamford Hill today, Miss Helen Jacobs, youthful Berkeley, Cal., player, defeated Mrs. Molla Mallory, New York veteran, 6-0, 6-3.

A dozen boys at Towanda, Pa., were discovered to be making moonshine during the school recess period. The thing to do in that case, it seems to us, is to make a law against recess periods.
