

# 2 more improvements

by Oshkosh B'Gosh

Here is the "1929 Model" Oshkosh B'Gosh Overall, a year ahead in two important respects—still longer wear and much better fit. Every really worthwhile improvement in overalls during the last ten years has been made by Oshkosh B'Gosh. In 1921, Oshkosh B'Gosh changed to the heavier, stronger, longer-wearing 8-ounce denim. Today, 8-ounce overalls are the accepted standard. In 1923, Oshkosh B'Gosh brought out the now famous "Vestback" overall, the fastest selling overall ever designed. It is now copied by all manufacturers of standard overalls.

## Shadowweave Blue Denim

This new denim is a still better overall cloth. Shadowweave is a plain blue denim but the new way of weaving the cloth for greater strength gives it a faintly striped appearance. You will say it's the classiest looking overall you have ever seen. It is a full 8 ounce, soft-finished material that wears and holds its bright blue color. Your wife will like the way it washes.

The Oshosh B'Gosh Bib and back just right, waist higher, suspenders longer

Whether you are tall or short or in between, Oshkosh B'Gosh overalls will now fit you better than ever. The short man doesn't like his overall bib hitting him under the chin, the back up to his neck and the buckles pulled back over his shoulders. The tall man doesn't like his waistline so low that his shirt works out; suspenders so short that he can't let them out enough and the bib and back way down low. The new Oshkosh B'Gosh "graduated scale of patterns" mean a perfect fit for every figure. If your dealer hasn't the new Shadowweave tailored-to-fit overalls in stock, tell us his name and we will see that you are supplied.

## Six Teams Take Part In Stock Show Contest

By W. V. Conor

(Observer Correspondent)  
UNION (Special)—One feature of the Livestock show which will patronized this year was the Smith-Hughes judging by the teams from six high schools of Eastern Oregon. Following are the teams and instructors from the six schools: Ontario—Lester Hickey, Walter Flynn, Don Lake, Earl Jackman, Ruell Cleimen, Nell Huffman, Maurice Fakes, Lester Smith, Herbert Wayne, Austin Cane, Eckert Off, Hans Off, Jim Carico, Claude Odell, Alvin Wilson, Tim Brenner and John Westfall with their agriculture teacher, W. C. Higgins; Wallowa—Clayton Mackenzie, Cecil Betchel, Carlton Waugh, Dave Couch, Robert Couch, Melville Piass, Granville Piass, Howard Johnson, Arthur Thompson and the instructor, Thompson and the instructor, Charles A. Thompson; Imbler—Lyle Ledbetter, Norvin Woodell, Lyle Slack, Clifford Conrad, Arnold Masters, Claren Rollins, Eford Smith, Ben McCoy, Everett Holmes, Charles Lewis, Bill Fries with Ralph Morgan in charge; Enterprise—Alvin Boels, James Wilson, Joe Kelsey, John Dunsy, Clifford Lines, George Peal, Lester Saurer, Wayne McFettridge, Ray McGee, Don Kooch, Ken Kooch and the instructor Alfred Zundel; Halfway—Herbert Bussard, Acee Garlinhouse, Bud Rogers, Ormin Ballard, Robert Thomas, Vernon Thomas, George Taylor and instructor Ira H. Tarrey; Union—Roy Conklin, Elsworth Halsey, Dale Baxter, Willard Edvalson, Allen Zaugg, Deshler Lay, Dave Tripp, Rodney Miller and Cecil Griggs instructor.

Kathryn Keilblock who has been visiting in Walla Walla since the local high school closed returned home Thursday. She was accompanied by her brother Darrel Irwin whose home is in Walla Walla.

Ten pupils from the grammar grades of the Union schools wrote on the state tests June 6 and 7.

A committee from the Epworth League had charge of a lunch stand in the K. P. building during the three days of the Stock show. The young people were raising money for their annual trip to Wallowa lake during the institute week.

Three cars were in a smash-up on the highway in South Union Thursday morning. Frank Ricker was turning in at his gate when another auto failed to slow down enough and ran into his car. Before this tangle could be straightened out a third machine coming from the opposite direction joined the mixup and the result was two cars in the garage for repairs and one or two occupants of the autos bruised up considerably.

Clifford Irwin arrived home from California Wednesday evening for a couple of weeks visit with his mother, Mrs. Flora Kist block. He has been away from Union for the past six years traveling in different parts of the country.

Wythe Aekley went to Lostine Thursday afternoon to visit with her grandmother and other relatives. She will spend the summer vacation in the Wallowa county town.

T. B. Johnson, announcer for the Stock Show and also an exhibitor at the show, very nearly failed to reach Union with his exhibit Tuesday afternoon. He was driving from Lower Cove to Union with a ball in the back part of his truck the bottom of the truck being hit with straw. Some of the straw worked through the floor and was ignited by the engine and when discovered the fire was close to the gas tank. Fortunately the fire was extinguished before any damage was done.

## HERE IT IS—THE GOLDEN ERA WASHER

# Meadows Select-a-Speed

The Meadows Select-a-Speed is truly Golden Era Washer. The vast number of fundamental improvements over the old style, assures the latest, most modern type washer available and a new era in washing machine history.

Exactly what the name implies—The Meadows selects a speed for every purpose. A low speed for laces, silks and rayons; a medium speed for table linen and a high speed for all heavy or badly soiled pieces.

Note these features—All exclusive with Meadows

The Select-a-Speed control illustrated here is the latest development in washing machine manufacturing and exclusive with Meadows. The graduated control stops the machine under full load smoothly without shock.

Together with this are many other exclusive features—

- The large wringer rolls of pure Para rubber.
- The Magic Bake-lite impeller.
- Other safety features as well as greater beauty.

The Meadows Select-a-Speed may also be had with Briggs & Stratton, 4 cycle 1/2 h. p., full power gas engine for homes without electricity.

Come in tomorrow for a demonstration

## Chicago Wheat Quotations Go 3 Cents Lower

CHICAGO, June 10 (AP)—Reports of rain in Canada, which there has been complaint of moisture shortage, led to an early downturn in wheat prices today. Besides in some quarters the United States government crop report was construed as decidedly bearish relative to wheat. Opening 3/4 to 1 cent lower, wheat afterward undrew an additional 1/2 cent. Corn, oats and provisions also were easier with corn starting at 1/2 cent decline to 1/4 cent advance, and subsequently showing a setback all around.

Wheat closed heavy 3/4 to 3/8 cent lower, corn 2 1/4 to 2 1/2 down, oats 1/4 to 1/8 off, and provisions varying from 17 decline to a rise of 5 cents.

## POLITICS BUBBLE AS DEMOCRATIC BANQUET NEARS

(Continued from Page 1)

Democrats and force those Democrats who were opposed to Smith on the two main grounds, into the Republican ranks.

### Glass Seeks Regrets

Senator Glass, Democrat, Virginia, a Smith supporter in the campaign whose state went into the Hoover column, is one who said his regrets, but, taking cognizance of the reports centering on similar action by other party leaders of the south, he made public a letter written to Mr. Hoover in which he explained his inability to attend.

Senator Robinson, of Arkansas, the Democratic leader, announced, that the minority party was ready to cooperate to dispose of the program recommended by President Hoover during the extra session. This declaration was regarded as insuring a final vote on the tariff bill in the fall without the definite agreement asked by the Republican leaders.

While the farm relief question was discussed, Senator Robinson said no attempt was made at the Democratic conference to ascertain how the party members would vote on the farm relief proposition.
