Bill Dollar Meets Another Local Booster on His Rounds in This City

DOC, YOU ARE A REAL CITY BOOSTER... Well, Hill Dollar, I'm glad to see you... I have no hesitancy about taking you by the hand for I am a good friend of yours... I have heard a great deal about you and have been anxious to meet you, for you are doing a good work... I have no hesitancy about taking you by the hand for I am a good friend of yours... I have heard a great deal about you and have been anxious to meet you, for you are doing a good work... I have no hesitancy about taking you by the hand for I am a good friend of yours... I have heard a great deal about you and have been anxious to meet you, for you are doing a good work...

To those fellows: Your letter of recent date asking why I do not read with you received, and as you ask me to tell you frankly why, I will give you a few reasons... First, I am in business in this community and am looking to Union county with its varied resources for my support... Then, in looking over the lists for the improvements of our roads and local betterments I have failed to find the names of any member of your company... In fact, in all of the movements for the betterment of Union county whose one community has needed the united efforts of her public spirited citizens, I have failed to find your name among the list of contributing merchants... Paint and varnish splatters can be removed from windows by applying either kerosene or alcohol and then rubbing with a rough surface such as a coin or dull knife.

Helen Wills Denies Any Infringement... LONDON, June 11 (AP)—With a gesture of unconcern, Helen Wills today denied that she was involved in a suit for a patent infringement in Germany centering about a special kind of eye shade... Miss Wills added that she had never invented an eye shade, and that none had been given her name with her consent... Some of the profits being made in the stock market these days are without honor.
