15 Music Pupils Appear in Recital

One of the younger teachers of piano in La Grande is Miss Mildred Spencer, and Sunday afternoon she presented 15 of her pupils in their first public recital. For the decoration of the La Grande ball room where the recital was given, Miss Spencer had used quantities of beautiful garden flowers, perhaps the most striking of them being a huge basket of the lovely golden iris. The rain coming at the most inopportune time interfered with the crowd somewhat but even so there was a good company of friends present, and it was a company which thoroughly enjoyed the program as evidenced by their hearty and sincere response.
