## PIRATES PULLING AHEAD OF OTHERS

### Buccaneers Gain in National League—Mackmen Hold Their Own.

By William J. Chipman (Associated Press Staff Writer)  
The twin dash of the Pirates and the Athletics continued yesterday to the accompaniment of increasing speculation on the part of sportswriters and spectators. The Buccaneers turned back the Giants 11 to 7 for the second successive afternoon, gaining over every first division rival, but the Mackmen had to content themselves with holding fast to their eight-game lead.

The A's trimmed the Indians by 10 to 3, but the Yankees kept pace by downing Detroit, 8 to 3. The Pittsburgh game saw the early demise of both Jess Petty and Bill Walker, who crumpled in succession in the second when each side scored five times. Melvin Ott's thirteenth home run with two on base settled Petty's case in the Giant half, and Melvin removed Walker on suspicion in the home section with one run in and the bases filled. Hensley greeted Carl Mays with a triple and the Pirates were back in the game after having spotted the Giants a margin of six runs.

### Scores: Five Innings

The Cubs were unable to reach a decision in their five-inning game against the Phillies. The score was 0 to 0 when rain fell. The Cardinal-Braves game at St. Louis was postponed altogether because of rain.

The old dazzer, Arthur C. Vance, made his first start since May 16, and the Reds would have been just as well pleased if he had postponed it a few more days. The Brooklyn star fanned only one but he gave Cincinnati just five hits and the Indians won by 2 to 1. The one run off Vance was unearned.

### Borneo Southpaw Wins

Eddie Wells, the southpaw from Borneo, opened the Detroit series for the Yankees by losing five passes, but at the same time limited the slugging Bengals to seven hits.

Milton Gaston added to the woes of the Browns by turning them back at Boston in a game which saw each side get seven hits. Gaston was sturdier than Rip Collins and his successor Kinsey.

Walter Johnson went through another painful afternoon at Washington where the Chicago White Sox pulled for three runs in the tenth to win by 11 to 8.

## League Leading Mission Reds Are Gaining Stronger Lead Over Seals

By the Associated Press  
The league leading San Francisco Mission Reds, facing the cross of the Pacific Coast league mid-season, rapidly pulled further ahead of the pack yesterday, with the added impetus gained from defeat of the second place San Francisco Seals by the Sacramento Senators.

Harry Krause, veteran southpaw pitcher of the Reds got off to a bad start, but he quickly recovered and with the help of his mates at bat defeated Seattle 7 to 5.

### Vinci Stops Seals

Louis Vinci, Sacramento Italian southpaw, stopped the Seals' winning streak with his handy hurling. He shut out the visitors to the capital city 4 to 0, aided by the phenomenal catch of Lennie Backer in the ninth inning with the bases full and two out.

Pete Paglia, star twirler of the Oakland aggregation, turned in his eleventh pitching victory of the season at Emeryville, defeating the Los Angeles Angels for the third consecutive time this week to the tune of 5 to 1.

### Hassler Homes for Ducks

Joe Hassler, shortstop, recently acquired by Portland from the Philadelphia Athletics, slammed out a homer in the eighth inning to break a tie and win the battle from the Hollywood Stars 5 to 5 in the southern metropolis.

Hassler secured another four-base hit in the first inning and a double and single in two other trips to the plate. Cleo Carlyle put Hollywood in the lead in the seventh inning with a home run while two were on. Turz Weizel, Star pitcher, failed to hold the Ducks in the next frame, and Roy Mahaffey, Ducks twirler, hit one into the bleachers to even up the score.

## CHICAGO GOLFER IN SEMI-FINALS

### John Dawson Defeats A. J. Evans Six up and Five to Play in Sandwich.

SANDWICH, Eng. June 14 (AP)—John Dawson, Chicago amateur, was defeated by John Smith after 19 holes of thrilling golf in the British amateur championship. Dornie three, Dawson lost four holes remaining to his young Scottish opponent in a semi-final this afternoon. Smith will meet Cyril Tolley former champion, who defeated Rex Hartley, one up.

SANDWICH, Eng. June 14 (AP)—John Dawson, young American amateur who has been steadily sweeping his way through the British amateur golf championship tournament, entered the semi-finals today with the most convincing display of golf he has yet given the championship gallery here.

The sole surviving American in the field, Dawson started out this morning with A. J. Evans, London barometer, and Kent county cricket star, and came back six up and five to play, taking three holes in a row after the turn.

Outclassing Evans with every club, the young American took the first two holes. He had several bad ones but never looked like making a mistake after holing a ten-footer for a birdie two at the eighth. He took the ninth, tenth, eleventh and twelfth, thus winning five straight holes and becoming Dornie at the thirteenth.

### Scottish Carpenter Wins

John Smith, Scottish carpenter, finally conquered the Hon. Michael Scott, 2 and 1, thus gaining the right to meet Dawson in the semi-finals this afternoon.

Meanwhile Cyril Tolley, the British star, defeated Major Keith Thorburn by one hole while Rex Hartley eliminated Edward Tipples, 15-year-old London youth, five and three.

Tolley and Hartley will meet in one of this afternoon's semi-final rounds.

## Lively Ball No Cause To Worry, Magnates Say

By Allen J. Gould  
NEW YORK, June 14 (AP)—Baseball magnates see no reason to view the home run epidemic of its game, the lively ball, with alarm, quite the contrary, in fact, they are quite willing to admit the ball is lively, perhaps a little livelier than in 1928; furthermore, that the customers as well as the players like it.

In substance, this is the word brought back by John Arnold Heyler, the National League's chief executive, after a trip through the Southern part of the circuit that included a session of the club owners in Cincinnati.

After an exhaustive analysis of the whole "lively ball situation," the National League club owners, Mr. Heyler said, have concluded that nothing needs to be done about it, whatever. They did not really explain the big increase in home runs in the rise of a group of new players, especially they explain the ball no different from that of last year but it is all livelier it is due to a slight change in the cover by which, through a new process, the surface is roughened by the manufacturer.

Mr. Heyler's figures, incidentally, throw a little light on why the Yankees are so far ahead of the Athletics in the American League race. Last year, when the Yanks were far out in front themselves, they had amassed 47 home runs up to June 8. On the same date this season, their total was only 15 circuit blows and their standing in the race correspondingly lower.

## HUSKIES WILL TAKE PART IN TUNE-UP RACE

MADISON, Wis., June 14 (AP)—A crew of sturdy oarsmen from the University of Washington will test Wisconsin's comeback possibilities in rowing tonight by racing the Huskies over a two mile route on Lake Monona.

The race between the two varsity eights will be a tune-up affair for the Poughkeepsie regatta in which both are entries. Washington is favored to win handily unless the course becomes stormy.

Junior eights from both schools also will meet.

Before the varsity race, Washington will honor the memory of Hiram B. Conbeek, former Huskie star, by christening its new shell with his name. His daughter, Miss Catherine Conbeek, will christen the boat.

## Battle In Mud In Sight For Derby

CHICAGO, June 14, (AP)—Another battle in the mud is the almost certain prospect for the \$50,000 American derby which will be decided among three-year-olds over a mile and a quarter at Washington park tomorrow.

Three days and nights of heavy rain had churned the course into a quagmire and no amount of sunshine is likely to make it fast by post time.

The track's condition has made Clyde Van Dusen, which splashed through the mud to win the Kentucky derby, an overwhelming favorite. The night son of Main G'War today was quoted at 8 to 5 with indications the odds would drop to 7 to 5 or less by post time.

Several other speedy stakers winners which have won events recently in the mud and rain are entered in the derby and their stock, too, skyrocketed. Among these are African, Windy City, Karl Kell and Paul Bunyan.

## Two Planes Crash At Canal Thursday

The plane piloted by Lieutenant Harris nose-dived when attempting to alight on the water off Saboga Island, in the Pearl Island group. Lieutenant Harris and his three passengers were saved from drowning by a United States tender.

The second plane crashed on the recreation ground at the site of the Gatun dam after it had failed to gain height from a take off on Gatun Lake. Lieutenant Spangler and his three passengers escaped with minor injuries.

## Plane Wreck Near Havana Takes Two

HAVANA, June 14 (AP)—General George Taylor, 64, operations manager of the Pan-American Airways Inc., at Fort An (Primo) Hill, and former United States army officer, died at 7 p. m. yesterday of injuries received in an airplane crash earlier in the day.

His death, which occurred at the Los Angeles hospital at Santiago de Cuba, was the second crash. John M. Griffin, radio operator, being burned to death when the plane, Pan-American Airways passenger mail ship, failed to gain height as it took off for Havana and struck some power wires.

Four others were injured. Mrs. Taylor, who escaped injury, last night at her husband's death.

## Healthful vegetables need not be unappetizing

Little water and small amounts of sugar work wonder flavors in these beneficial foods

A FAMOUS cooking specialist, on the staff of two large magazines, has announced a discovery of importance to everyone interested in healthful, delicious foods.

This woman announces her discovery to all interested in better tasting foods. "We have discovered," she says, "that sugar, in correct amounts added to the vegetables while cooking, intensifies the natural flavor in fresh vegetables, restores in large measure the flavor of freshness to slightly wilted vegetables, and enhances the flavor of canned vegetables." In all instances she emphasizes that sugar increases the food value of the vegetables. She gives the following delicious recipe:

**PEAS COUNTRY STYLE**—To 2 cups of shelled peas, allow 4 young tender carrots, and a small onion. Scrape and slice the carrots, and cook them and the peas in just enough water to cover, adding 1 level tablespoon of granulated sugar. When nearly tender add a chopped onion and 1 generous tablespoon of butter. Add salt and pepper to taste and 1 level teaspoon of sugar. Simmer until the onion is cooked.

The wonderful thing about sugar as a flavorer, recommended by good cooks and scientists alike, is that it develops the appetizing flavors of fruits and meats as well as vegetables—in fact makes nearly every good food more palatable. A bit of sweet makes the meal complete. The Sugar Institute.
