like the stones in a fairy tale street

DO you believe in magic? You will... if you'll visit our spring showing of Armstrong Floors. Here are modern linoleum designs—patterned like the stones in a fairy tale street—designed like the marble blocks in the palace of Sleeping Beauty.

Truly magic. These new floors transform shabby, worn-out surfaces to gay, youthful, colorful areas. They offer you the opportunity to wave a wand of beauty in every room in your house.

If you'll come to our store, we'll tell you the whole tale—magical, yet entirely practical, possible. If you like, we'll give you estimates, after measuring your rooms.
