Score Marriage Of Companionate Type In America

RIVER FOREST, Ill., June 22 (AP)—Companionate marriage increases in divorce, decrease in marriage, and birth control, have been condemned at the triennial convention of the Evangelical Lutheran Missouri Synod.

It was pointed out that at the present rate of increase divorces in the United States would end one-fourth of all marriages by 1950 and by 1959 the rate would be one-half.

The Lutheran church calls for a halt in the social breakdown in which marriage has become a matter of mere convenience to be discarded at will and for a series of excuses not in the Bible, declared the Rev. Paul Lindenmann, St. Paul, editor of the Lutheran American.

The growing economic independence of women was ascribed by the Rev. Martin Walker of Buffalo, N. Y., the outstanding external factor in the decreased marriage rate and the increased divorce rate.

"The chief factor is the loss of religion," he said.

In remedying conditions, the Rev. Mr. Walker recommended greater uniformity in marriage and divorce laws and more strictness in issuing marriage licenses.

Pointing out that an increasing divorce rate usually was accompanied by a decreasing birth rate, synod officials protested the "unscriptural, but rampantly popular methods of birth-control and point to broken lives, shattered homes, blasted hopes and the score of physical and spiritual complications which follow in the wake of such unnatural practices."

"Livingstone, I Presume"
Ujiji Tanganyika (Africa) is famous as the spot where Livingstone, after having been lost for some time in the region of the continent, was found by Stanley in 1871.

OFFICE CAT

By Julius

Pat's eye was badly discolored. He wrote asked him who did it.

"Mike Murphy," he sadly replied.

"What?" she exclaimed, "do you mean to say you let that little shrimp black your eye?"

"Martha," said Pat reproachfully, "don't speak disrespectfully of the dead."

A physician received a package by mail from a distant city. The package contained two boxes of cigars and was accompanied by a note which read:

"Dear Doctor—These cigars are of extra fine quality. I know you will like them. Smoke a couple and if you like them remit \$150.00. If you don't smoke, perhaps some friend would like to buy them at this very attractive price."

The doctor smoked a couple—liked them and wrote as follows:

"Dear Sir—Cigars received and very satisfactory. I enclose two prescriptions which are excellent. I can assure you they are well worth the \$150.00 they cost. If you do not need them, you can sell them to some friend. With regards, I am yours truly."

Host to small boys: "Can't you eat some more ice cream, sonny?" Billy: "I'm afraid I can't, but I don't mind trying."

Taking him at his word. He was telling her about the members of his baseball team. "Now, there's Johnson," he said, "in a few weeks he will be our best man."

And then she lisped: "Oh, Jack, this is so sudden."

There is a story that a merchant once saw a friend approaching his store whom he recognized as an itinerate borrower of money. Tel-

Attorney Pays \$10,000 To Win \$5 Bet

CHICAGO, June 22 (AP)—The pet peeve of Alfred S. Austrian, Chicago attorney, has been his inability to play a round of golf with a dignified score. Day after day his scorecard was in the nineties, and he has occasionally even in three figures.

Austrian went to George O'Neil, formerly professional at the Lake Shore country club, and said:

"I will give you \$10,000 if you will teach me to break 80."

O'Neil told him to take off his coat and the training began. It was no overnight miracle. It was months of toil. The attorney seemed to have some vital reason for wishing to attain this golfing ambition.

There came a day when the professional said to his pupil:

"Go out and play; return and pay."

The attorney came back with a score of 78. He came back a second time with a 79. And the third time his score was 77. He paid.

Austrian was asked why he was willing to pay \$10,000 to shoot under 80.

"To win a five dollar bet," he said.

AT THE THEATERS

Barthelmess Is Here In "Weary River"

Richard Barthelmess again! Again in a hit—one of the biggest in his career of hits. The First National star who gave us "The Patent Leather Kid" and "The Noose," will make his appearance on the screen Sunday at the Arcade Theater in "Weary River."

"Weary River" has given Barthelmess an unusual role to play. He has been given an exceptionally dramatic story to tell, a real, living, breathing character to portray, and situations brimming with extraordinary histrionic opportunities. And he takes full advantage of every one of them.

"Weary River" is the story of a man who was framed, sent to prison, disillusioned, inspired, finding himself in song and music, winning fame, fortune and love. He's the victor. It is strictly modern, teeming with action and movement and altogether designed as a great picture.

In the cast we are given Betty Compton, that always dependable actress, who gives one of her finest performances. Frank Lloyd's direction is of superlative caliber, and we are happy to be informed that he will also direct the next Barthelmess opus.

The balance of the cast render themselves worthy of the general excellence of the feature with outstanding performances by George Stone, Louis Natheaux, Edwards Davis, Gladden James, Raymond Turner, Robert O'Connor and others.

Theater-goers of La Grande have a rare treat in store with the coming of "Making the Grade" to the Star Theater for a 2 days' run.

"Making the Grade" Is Riotous Comedy

Hospital Blast Report In Error

HONGKONG, June 22 (AP)—Reports received in London yesterday that there was a disastrous explosion in the compound East-bound hospital at Canton are erroneous as there has been no hospital disaster there.

The reports apparently had their origin in the explosion of an ammunition dump which was located in the neighborhood of a Chinese military hospital. Five workmen were killed and it was necessary to remove one hundred patients from the hospital because electric light service in the building was interrupted by the blast.

HERD REPEATS RECORD

MONTEAGUEVILLE, Pa. (AP)—Establishing a new state record in cow testing circles, H. A. Snyder has obtained a herd production of more than 500 pounds of butterfat per cow for the second consecutive year.
