# Joseph Ewing Of Nyssa, Ordained At Cove Sunday

By MRS. A. G. CONKLIN
(Observer Correspondent)

COVE, Ore. (Special)—A very beautiful service was held at the Ascension Episcopal church Sunday morning when Joseph Ewing was ordained to the deaconate. Mr. Ewing is from Nyssa and a few years ago was a teacher in the public schools. He was graduated from the Theological seminary at Alexandria, Va., this year. He came to Oregon just before summer school. He is said to be the first young man from Oregon to enter the ministry of the Episcopal church. The sermon was preached by the Rev. H. R. Bennett, of Williamsport, Penn., and the music was furnished by a choir from the summer school with Mrs. Remington as organist. Mr. Ewing was presented for ordination by Archdeacon Creasey and ordained by the bishop. Including the bishop and Mr. Ewing there were nine clergymen present: The Rev. H. R. Bennett, Archdeacon Creasey, the Rev. John Richardson, the Rev. Philemon F. Sturges, the Rev. J. Henry Thomas, the Rev. Schuyler Pratt, the Rev. E. Stanley Moore, and the Rev. Fredrick Bartop.

An open air service was held in the Ascension grove Sunday evening when there was a large attendance from the Methodist Episcopal church. The music was led by Capt. Archie Buchanan and Capt. Tom Lewis of the church army and Bishop Remington gave the sermon.

The summer school had a picnic dinner on Mill creek Sunday.

As the congregation dispersed Sunday morning, Miss Mary Sanford of Fresno, Cal., was equipped with a camera and took some movies. Saturday evening at the French hall was shown a "reel" of last year's summer school. There was also a reel of Bishop and Mrs. Remington and the bishop's mother, at their home at Pendleton.

Mrs. Harriet McDonald, of La Grande, who is registered at the summer school, went to La Grande Sunday morning with the Rev. Mr. Tennyson for the morning services at St. Peters Episcopal church.

The Rev. H. R. Bennett, of Williamsport, Penn., who has been giving a lecture course on "The City of God" at the summer school, is leaving Monday, accompanied by Mrs. Bennett.

Dr. and Mrs. C. G. Patterson, of Baker, visited the summer school Saturday evening. Their daughter, Miss Jean Patterson, is giving a course in rhythmic gymnastics for girls at the summer school.

There were about 15 visitors from Pendleton at the summer school Sunday.

Mrs. Viola Parker, Mrs. Butler and Miss Maggie Bell, of Union, came over for the morning service.

Mrs. Laura Van Vlack and her daughter, Miss Faye, of Portland, are guests of Mrs. Van Vlack's mother, Mrs. A. C. Sills.

The Woman's club will serve a silver tea at the library Thursday afternoon. The hostesses will be Mrs. Joe Goyette, Mrs. Alice Trippler and Mrs. Stewart French.

The Epworth League had an ice cream party on the lawn of Miss Nellie Martin's home Saturday afternoon. The proceeds are to be used for some new song books. They cleared about $20.00 as the result of their efforts.

Mrs. Leona Hansen who is spending the summer with her parents, the Rev. and Mrs. M. J. Hansen at Island City, was a guest of Mrs. John Miller Saturday afternoon when she entertained the bridge club.

Mrs. Hester Conley, of Weiser, Idaho, who came over for the Smith-Conley reunion last week, has been visiting Mrs. Alma Conley and Mr. and Mrs. George Miller for the last week.

Mr. and Mrs. George Miller visited their daughter, Mrs. Joyce Clark at Alicel early last week.

Rankin Severy attended the Union county Pomona Grange meeting at North Powder Saturday.

Mrs. John Miller entertained the bridge club at her home Saturday afternoon. Two tables were at play. The house was prettily decorated with the season's flowers. A dainty lunch was served after the game.

Ruth Comstock, Alice Mills and Troy Becker, who attended the summer school at Corvallis, returned home Saturday evening.

Mr. and Mrs. Clayton Mays and two children, of Baker, and Lewis McNeill, of La Grande, were guests at the home of Mr. and Mrs. W. A. McNeill Sunday.

Mr. and Mrs. Cameron Sherwood, of Seattle, Wash., are the parents of a baby daughter born June 12. She has been named Janet Elaine. Mrs. Sherwood was formerly Miss Marian Conklin, daughter of Mrs. Edna Conklin of Walla Walla, formerly of Cove.

A tortoise over in Indiana moved a mile in 47 years. It is believed he started somewhere in a Sunday automobile parade.

## Public Utilities Reach High Mark

NEW YORK, June 26 (AP) — A board upward movement of prices took place in today's market with the railroad and public utility averages reaching record high levels. While the industrial average was still a few points under the year's top, the recent advance has practically wiped out all of the ground lost in the May reaction. Oils and coppers were the only important groups which failed to participate in the up-swing, due largely to the uncertainty regarding the outlook in those industries.

Call money renewed unchanged at 10 per cent, with an apparently sufficient supply of funds attracted to keep the rate at that level all day.

ISN'T THAT TOO BAD?

CHICAGO, June 26 (AP)—The Chefs DeCuisine association of Chicago is all hot and bothered over the "American habit of smoking cigarettes during meals."

In a resolution copies of which were sent to all associations of chefs in the United States the cooks spoke of the habit as a practice which "renders the diner incapable of appreciating good culinary workmanship."

## Wheat Nervous And Nearly Unchanged

CHICAGO, June 26 (AP) —Reports of beneficial rains in Canadian drought sections led to early downturns in wheat values today. Rallies ensued, however, at times as a result of advices of continued excessive dryness south of the Canadian boundary and of considerable export business overnight. Opening at ½ cent to 1⅛c setback, wheat afterwards recovered much of the loss. Corn paralleled the action of wheat, starting ⅜c to ⅝c off, and subsequently turning upgrade.

Oats were easy. Provisions likewise tended to sag.

Wheat closed nervous, at the same as yesterday's finish to half cent down, corn half to 1⅝c up, oats unchanged to ⅛c off, and provisions unchanged to a setback of 12 cents.

The legislature in Michigan has started an investigation to determine whether or not co-eds smoke. After they're through with that one, they might try to find out also whether or not any of them bob their hair.

# Egg Prices Go Higher Today In Oregon Market

PORTLAND, Ore., June 26 (AP) —Egg prices continued to climb today. Standard extras and standard firsts were one cent higher at 32 and 24 cents, respectively. Fresh medium extras gain half a cent at 32 and medium firsts one cent at 31. Current receipts were down one cent at 22. Trading was active, with buyers outnumbering sellers.

Butter was firm at previous quotations.

Poultry prices were balanced by equal demand and supply.

Fresh meats were steady and unchanged.

Watermelon supplies were increasing and it looks like there will be plenty for the Fourth with cheaper prices.

Plums and peaches were arriving from the south.

Cantaloupes continue scarce. Lots were jobbing still higher.

By a vote of nine to three, members of the dairy exchange have decided to change the grading classification of two of the egg divisions. Fresh extras of mixed colors will be quoted in place of standards, which may or may not be fresh, and fresh medium extras of mixed colors will replace medium firsts.

Members say the substitutions were made in order to improve the standard type of eggs traded in on the board by prohibiting the delivery of washed or sanded eggs or eggs other than fresh. It is contended that this will raise egg grades to a higher standard than that required by the state law.

Quotations on the new grades will become effective Monday.
