Best Residential Town
IN EASTERN OREGON

This Beautiful New Modern Home

Located at 904 N Avenue

Open for Public Inspection

**SUNDAY JUNE 30TH
and MONDAY JULY 1ST.**

The owners and builders of this ultra-modern home extend a hearty invitation to the entire community to inspect and investigate the superior construction—the result of detailed planning—which is evident in every nook and corner of this property. We take special pride in announcing that local labor was employed 100% and local materials were used where ever possible. Feel free to come—everyone should be interested in better homes and this is an opportunity to see the very latest. No selling effort will be made—come and bring your friends.
