The Buying Trend is Unquestionably to SIXES!

Number of Manufacturers making 4-cylinder cars 6 years ago.

Number of Manufacturers making 4-cylinder cars in 1929, **4444** (Of these four manufacturers, three are now featuring six-cylinder cars.)

June sales in Union county, with this graphic picture of the tremendous trend to Sixes throughout the country, argue convincingly in favor of your owning this new Chevrolet Six. All the advantages of six cylinder size and performance—within the price range of a four! Low first cost—

low up-keep—high resale value because it's a Chevrolet Six! Forty-one new Chevrolet Six owners in June. Will you be on the list for July? You can't afford to buy without investigating the Chevrolet Six first!

THE NEW CHEVROLET SIX SELLS ITSELF—DRIVE IT AND BE CONVINCED!
