### NO AUTO FOR JOHN COOLIDGE FLORENCE SAYS

CAMBRIDGE, Mass., July 2 (AP)—Miss Florence Trumbull, daughter of the governor of Connecticut and fiancée of John Coolidge, son of the former president, thinks the latter will make a better student at the Harvard business school's summer course if he has no automobile to distract his attention.

Young Coolidge, who is employed by the New York, New Haven & Hartford railroad, was invited here to enroll by Miss Trumbull in her cousin. "Are you going to leave your car with John?" a newspaperman asked her. "No, I'm going back in it myself," she replied. "When I'll lend him my car to run around in," the reporter suggested. "Indeed, you'll do nothing of the kind," she retorted. "He is here by study and it's a hard course."
