Relief from Gas Stomach Pains Dizziness

The doctors tell us that 90 per cent of all sickness is due to stomach and bowel troubles. You can't be well if your digestion is bad, you are likely to get sick unless you relish food and digest it properly.

Tanlac has a wonderful record as a relief from digestive troubles, even those of years' standing.

Mrs. Anne Waters, of 2752 44th Ave. S.W., Seattle, Wash., says: "I suffered from nerve-wracking stomach trouble. Every available remedy brought no results until I tried Tanlac. It built me up till my stomach trouble was cured."

If you suffer from gas, pains in the stomach or bowels, dizziness, nausea, constipation, or torpid liver; if you have no appetite, can't sleep and are nervous and all run down, you need Tanlac. It is good, pure medicine, made of roots, herbs and barks. Get a bottle from your druggist today. Money back if it doesn't help you.

this morning, but probably will adjourn this afternoon when the house of delegates convenes.

Regulations which the United States health bureau has prepared as a bulwark against the invasion of America by cerebro-spinal meningitis were in the hands of Secretary of Treasury Mellon today, telegraphed him last night by Dr. Hugh S. Cumming, surgeon general of the public health bureau.

Would Prevent Recurrence

Determined to prevent a recurrence of the pestilential outbreak which swept the country in 1918, Dr. Cumming sent the telegram to Secretary Mellon and outlined that the disease under federal law is not quarantinable. Special regulations were set up by the surgeon to restrict entrance of persons from the infected lands.

Regulations covering arrivals of persons from the areas who might bring in the contagious disease will be in effect within a few days, the control said.

Useful Emery

Emery is a mineral. It is a common dark granular variety of corundum, containing some or less magnetite or hematite. On account of its great hardness, it is used in the form of powder, grains or stones for cutting, shaping and polishing hard substances, such as glass, precious stones and metals.

Lyle Wortman, Promise Child, Dies of Poison

By MRS. BERTHA CARPER.
(Observer Correspondent)

PROMISE, Ore., (Special) — Lyle Wortman, two and one-half year old son of Mr. and Mrs. Ezra Wortman, of Powwatka, died Monday evening about 5 o'clock, July 8 after an illness of about an hour. The child was quite well all day and was playing when it suddenly fell over in a convulsion, which lasted until it's death. The cause was unknown but it is thought that it had gotten something poison. Help was summoned but all efforts to save the childs life failed. Mr. Wortman was away, having been to Walowa that day and was on his way home. Funeral arrangements had not been made but the little boy will be buried at Walowa.

Mrs. Allie Smith had the misfortune Friday to injure her eye, by the limy switch striking the ball of her eye causing her considerable pain. She went to Wallowa Saturday to consult a doctor and was still at Wallowa Monday under the doctor's care.
