Much Whiter, Fresher, Cleaner
When the Laundry Does Them

Linens back from the laundry have the new, crisp feel that delights the immaculate housewife. She knows they are thoroughly cleaned, aired and beautifully ironed. It is so much easier to send these things to the laundry, where all the newest equipment makes short work of laundering them. It is real economy, too, for there is no use spending exhausting hours and worry on work that the laundry can do so cheaply for you.

Rid your home of flies.....

The new Shell Sprayer screws onto the spray can

... a safe, stainless spray
... a simpler, better sprayer

SPRAYS will kill flies and insects all right. That has been proven. And now Shell laboratories have overcome the last objection to sprays. The new Shell Fly Spray is stainless.

Used properly it disappears from walls and curtains—every trace of it. You can spray it into closets, into wall cracks—everywhere in the house without making yellow, ugly stains.

And the improved Shell Sprayer simply screws onto a full can of the spray. No tank to fill, no spilling or messy handling. See these new home necessities at your stores or Shell stations today.
