TEXAS WOULD KEEP WORKERS FROM MEXICO

AUSTIN, Tex., (AP)—Texas has moved to retain its present supply of foreign labor in anticipation of congressional passage of the Box bill, which would place Mexican immigration on a quota basis.

Another measure, calling for a commission to investigate border immigration conditions, has been introduced in congress by Rep. Claude Hudspeth, James J. Davis, secretary of labor, recently visited Texas to study the Mexican labor situation.

Rep. A. P. Johnson, author of the new Texas law, said it was a direct move to counteract possible effects of the Box bill. He declared it was intended to restrict activities of labor agencies that make Texas an annual recruiting ground for Colorado beet fields, northern forests and other out-of-state interests.

Without such a law it was feared Texas farmers and ranchmen some day would find their labor supply gone due to greater pay offered in other states. More than 50,000 Mexicans now perform about 75 per cent of the farm and ranch work in southwestern Texas, it is estimated.

A visiting Britisher says American food is terrible, too.

Seals Struggle To First Place In Coast League

By the Associated Press. San Francisco's Seals, struggling hard to retain last season's laurels, forged to the top of the Pacific coast league in yesterday's second half series battle.

The Seals put over their seventh consecutive triumph over the Oakland Oaks in the Eastbay ball grounds to clinch the week's schedule. The score was 5 to 4.

Eleventh Straight Loss. Portland was noted out by the Oakland Oaks at Recreation park by a score of 5 to 4 in 12 innings of tenacious competition. Scott, pitcher for Baldwin in the twelfth, secured on Finn's strike. The Reds led from the first inning until the ninth when Portland tied up the count. Nelson pitched the entire game for the Reds. Casarella replaced Chestnut for Portland after the sixth, and Mahaffey finished.

Eleven innings of warm scrapping were necessary to decide Sacramento's victory over the Los Angeles Angels by a 4 to 3 score in the capital.

The Hollywood Stars made it four in a row over the Seattle Indians at Los Angeles, by a tally of 10 to 6.

"Eyes" in Swiss Cheese. Gases are produced in swiss cheese by the action of certain bacteria in the curd, and the holes result from the liberation of the gases. Some authorities have advanced the theory that the air and grass of Switzerland have something to do with this quality of producing eyes in the cheese.

ATHLETICS TRIM ST. LOUIS TWICE

Philadelphia and Pittsburgh Both Increase Lead in Major Leagues.

By William J. Chipman (Associated Press Sports Writer). Favorites in the two major leagues had nothing but a breeze yesterday, save the case of the Giants and the Cubs who played each other. The young men of John McGraw rallied in the last two rounds to pull this one out by 4 to 3 in ten innings, and the Pirates gained a full game on the Braves by the simple process of giving the Phillies their daily beating, 6 to 4. The Pirates now lead by three games.

Cornelius McGillicuddy spread gloom in St. Louis by leading the Athletics to a double victory over the Browns by 10 to 0 and 8 to 2, and the same time added a technical half-game to his lead over the Yankees who crushed the White Sox by 12 to 2. The Macklin margin now is eight and one-half games, seven of which are in the lost column which baseball folk regard as money in the bank.

St. Louis. The Giant-Cub game was the most stubbornly contested battle of the day, with Larry Henton shading three Chicago rivals by a whisker at the finish.

Rudolph Grimes gave the Phillies thirteen hits at Baker bowl, but as usual, was stymied with runs. Two three-run outbursts by his support were sufficient to bring him his fifteenth victory. The game was unique in that no batsman cleared that right field wall.

The Cardinals gave Brooklyn fans an intimate demonstration of why the champions no longer are in the race. St. Louis crushed Lacy Vance for five runs in the first half of the ninth to break a 2 to 2 statement, but promptly proceeded to give the game right back to Brooklyn in the home half. Three St. Louis errors, four passes and three hits enabled the Robins to score six runs with one out to win by 8 to 7.

The Cincinnati Reds fought their way to within a few percentage points of an escape from the cellar by harrying the Braves for the third successive afternoon. The Reds rallied behind Rixey for two runs in the ninth to tie, and won by 4 to 3 with a single marker two innings later.

The Tigers rallied for four in the ninth to win a crucial game from the Red Sox by 12 to 12, and the Indians shaded Washington at Cleveland by 3 to 2.

Baby's Way Prepaid, New Insurance Plan. CHICAGO, (AP)—Baby Schneider—charges prepaid? Her husband J. Schneider Jr., who arrived in this world in June, need never worry about increasing medical bills nor need his parents.

He is the first baby to come under the new health insurance contracts recently inaugurated by 227 Chicago physicians.

For a nominal sum paid yearly, Baby Schneider and the other members of his family are covered the best medical and hospital care. No matter how high the fees, they are absorbed by the Health and Hospital Service Bureau, said to be the first organization of its kind.

The best part of the plan in Baby Schneider's case, so far, is that no bills accompanied him.

INDIAN WRESTLER WINS EUGENE, Ore., July 13 (AP)—

Meerin Barackman, Seattle, went down to defeat before Yagui Joe, Sonora Indian grappler, last night when the Indian took two out of three falls in a torrid affair. Barackman took the first fall in 29 1/2 minutes and the Indian manager threw a towel in the ring.

While angling for another Boston crab, the Indian tossed Barackman into the coops. The Seattle man's chin hit the floor and he lost the match in 22 minutes. The third was won by the Indian in one minute and a half.

New Faces Held Certain For U. S. Wightman Team

By TED YOSHURICH (Associated Press Sports Writer). NEW YORK (AP)—Although American tennis is powerful, double-buried tennis threat in the capable persons of its two Helms—Wills and Jacobs—an earnest search now is under way for worthy material with which to back them up in the Wightman cup team matches to be played at Forest Hills in August.

England won last year because of better secondary strength, and the surprising skill of its team in doubles play. The master minds behind the present campaign are none too confident that the two Helms, both of whom were on the team last year, will be able to turn back the British invasion unaided.

The current series promises to hold more interest than any other in the last three or four years as each nation has three victories to its credit since the trophy was placed in competition in 1923 and the winner at Forest Hills will force into the lead.

Calling upon its reserves to provide a third singles player and also to produce the strongest possible partners for the two Helms in doubles, the United States either can call upon the old guard which includes such veterans as Mrs. Molla Mallory and Miss Eleanor Goss or turn to its up and coming young girls for assistance. It now looks as though the latter course will be followed.

Although Miss Goss has been playing sterling tennis in this country of late, the non-playing captain of last year's team is accordingly unlikely to be called upon in an active role this season, as is Mrs. Mallory who was uniformly unsuccessful in her two appearances in the 1928 series at Wimbledon.

One of the comparative "kids" who may get the call is that dainty and promising miss, "Midge" Gladman, a student at the University of southern California and a player who appears ready for her baptism of international fire. It is not improbable that she will be called upon to play the odd singles match.

Miss Marjorie Morrill of Dosham, Mass., No. 6 in the national ranking, a notch ahead of Miss Gladman, is another likely candidate for this assignment.

Miss Edith Cross of San Francisco proved something of a disappointment in European play, but it is probable that she will be teamed with Miss Wills in doubles nevertheless. The two Helms, the keenest of rivals, have never been gotten together as partners and that feat probably will not be achieved this time.

Considerable thought will be used in picking the doubles teams as it is in this department that the British held the edge which enabled them to win last year. With two teams in the finals at Wimbledon, they appear to be fully as strong in tandem play this season.

Moe Gains Three On Opponent In First Nine Holes

MISSION HILLS COUNTRY CLUB, Kansas City, July 13 (AP)—John Moe, 19-year-old college student of Portland, Ore., today continued his drive for the Western Amateur golf crown and was three up on Gilbert Carter, of Nevada, Mo., at the end of nine holes of their 36 hole final match in the tournament here.

Moe sank a 26-foot putt for a birdie two on the ninth to go three up after Carter's drive had landed off the green and to the left. Carter who is half captain at the University of Missouri, was outdriving Moe slightly throughout the first nine and placing his approaches close to the pin, but his putts were not dropping.

A small gallery followed the players as they trekked down the first fairway. The day was sunny and hot and the course in good condition.

Net Finals To Be Played Off Sunday

PORTLAND, Ore., July 13 (AP)—Marjorie Leeming, Victoria, B. C., and Dorothy Weibel, San Francisco, who swung into the finals of the Oregon State women's singles tennis title fight by safely eliminating their competitors yesterday, will play off the final game tomorrow.

Miss Leeming yesterday defeated Mrs. Golda Cross, California, 10-8, 6-1, while Miss Weibel downed Margery MacFarland, Portland, in straight sets, 6-1, 6-1.

In the men's division San Francisco players defeated a combination of Palo Alto and Los Angeles mixed doubles for the title. In the doubles, Ray Casey and Herbert Stur, from the bay district, outgeneralized Lawson Driscoll and Kurt Berndt, 6-4, 6-0, 3-6, 6-3.

Although the Encounter went four sets, it was not until the final set that Driscoll and Berndt flashed a brand of tennis that was dangerous, but the victors easily overcame it.

HACK WILSON BREAKS EVEN IN REDS TILT

NEW YORK, July 13 (AP)—A battle between the Cincinnati Reds and Chicago Cubs was ended in a draw.

The Reds scored first blood when Hack Wilson, barrel-chested outfielder for the Cubs, was suspended for three days for invading the Reds' dugout, on July 4. The Cubs gained an even break yesterday, when John A. Heydler, president of the National league, nominated Wilson of a charge that he committed an "unjustifiable and brutal assault" on Pete Donohue, veteran pitcher of the Reds at the Union Station (Chicago), the same night.

"I can only deduce with certainty," Heydler said, "that the men passed insults to each other and that Donohue in all reasonableness should have been prepared to defend himself."

The league president, although he dismissed the charges, censured Wilson for "initiating a fight in a public gathering place."

There are Kelvinator electric installations for every commercial purpose.

Why KELVINATED food tastes better

ACTUALLY speaking, the use of a Kelvinator makes foods taste better. Simply, the facts are these: If your refrigeration is too cold, food freezes and the flavor is killed. If it is not cold enough, your food spoils.

Perhaps this spoilage is not enough to be very noticeable. But bacteria increase so fast that they destroy freshness and subtly ruin flavor.

Come in and let us tell you about the wonderful New Silent Kelvinators. You will be delighted at their truly amazing silence and their many unusual conveniences.

You can enjoy your Kelvinator at once. Buy it now on Kelvinator's attractive ReDisCo monthly budget plan.

If Your Wife Had To Make Her Own Way

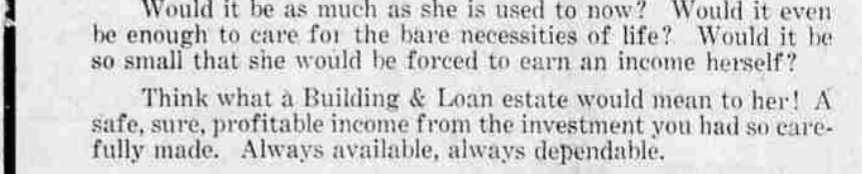

If she were left a widow with a family to support, how much of an income would your estate provide for her? Would it be as much as she is used to now? Would it even be enough to care for the bare necessities of life? Would it be so small that she would be forced to earn an income herself?

Think what a Building & Loan estate would mean to her! A safe, sure, profitable income from the investment you had so carefully made. Always available, always dependable.

You can create such an estate by investing a comparatively small portion of your income each month in your home Building and Loan Association. Earned interest will add to your own money rapidly. Will you let us give you details of our plan?
