AT THE THEATERS

"Simba" Is Native Name For African Lion

Real thrills and lots of them are in store for audiences at the Star theater, for the attraction there is "Simba," the motion picture which records four years spent among the wild animals of the African jungles by Mr. and Mrs. Martin Johnson, the famous explorers. The name of the picture tells its nature, for "simba" is the native word for lion.

Eddie Quillan In "Geraldine" Coming Thursday

Eddie Quillan, screen comedian, enjoys the distinction of being the only film laugh-maker who was capable of winning a smile from Cecil B. De Mille. This won him a featured role in "The Goddess Girl," then in "Show Folks," and now in "Geraldine" a Pathe picture coming to the Arvada theater on Thursday in which he is featured opposite Marion Nixon.

Treating Crippled Horse

Usually no attempt is made to cure the broken legs of horses because it is expensive and the value of the horse does not warrant this handling. If a horse is very valuable the leg can be cured by the use of slings, splints, etc., by a veterinarian.
