### BUY FROM INCOME

In spite of the radical reductions offered in this sale, you can still take advantage of our "Buy From Income" plan and pay gradually, if you wish. A small amount down will secure delivery. Don't miss this chance.

During the past few months our store has been re-arranged, remodeled and new fixtures installed. A new front has been completed and a new warehouse is under construction. Due to the increased display rooms made available on the upper three floors of the building part of our first floor furniture room will be vacated and re-leased. To introduce to you this better and more convenient store and to clear stocks for this change in our furniture department, this great House Warming Sale is provided. It will be worth your while to attend. Prices have been cut throughout the hardware and furniture departments—you can save from 10% to 33 1/3% on everything except contract lines. Only a few items can be listed here but you can save money on hundreds of things during this sale. Come—and come early! Quality merchandise guaranteed.
