CUBS GAIN LEAD ON PHILADELPHIA

Ray Moss Makes Debut As Major Patcher With Brooklyn.

By Herbert W. Barker
(Associated Press Sports Writer)
Ray Moss, right handed pitcher for the Brooklyn Nationals, finally has completed a major league apprenticeship begun in the spring of 1926.

Moss' 10 to 2 triumph over the Cincinnati Reds yesterday marked the first complete victorious game he ever has pitched in the majors, and, incidentally, it was only the second game he ever started and finished.

He gave the Reds only eight scattered safeties while the Robins were pounding Red Lucas and Duke Krieder for 17, four of them by the illustrious Babe Herman. The Robins pounded Lucas for four runs in the first inning and tallied four more before he went to the showers in the sixth.

Chief interest in the National League struggle centered in Chicago where the Cubs, by surrounding the Phillies, 12 to 10, increased their lead over Pittsburgh to three and a half games. Hack Wilson's 23th homer with Heathcote on base in the eighth, was the decisive blow of the game. Previously Hornsby had cracked on his 22nd homer and Heathcote also had hit for the circuit. Don Hurst's 18th and 20th homers of the year kept the Phils in the running.

The crippled Pirates lost another game to the Boston Braves, 10 to 9, trailing by 9-7 at the end of the eighth the Braves assaulted Henry Meigs and Fred Russell for four runs and the old ball game. L. Wagner's homer with one on had given the Pirates a lead in the eighth. Rabbit Maravalle showed no signs of old age in cracking out five hits in as many times at bat.

The New York Giants crashed out 17 hits off the delivery of war-torn and sundry pitchers to swamp the St. Louis Cardinals, 11 to 2. Given a big lead, Larry Herndon snatched it in an easy victory. Mel Ott hit his 29th homer and Bill Terry his 5th.

Action in the American league was confined to the Chicago White Sox's 5 to 6 triumph over the Philadelphia Athletics, thereby reducing the white elephant's lead over the New York Yankees to nine and one-half games. The Sox outted George Karnshaw around for six runs in 5 1/2 innings and then tallied two more off old Jack Quinn in the ninth. A four run athletic rally in the ninth fell short of tying the score.

The A's to three hits in five innings but had to retire because of the intense heat. Ted Lyons finished up.

Seals and Stars Meet This Week In Los Angeles

By the Associated Press
Decisive battles for supremacy in the final half of the 1929 Pacific Coast league season seemed to be approaching today as the eight league clubs took up new positions for resumption of series play.
Los Angeles was to be the scene this week what was expected to be the most important series, that of the San Francisco Seals and the Hollywood Stars. The Seals lead the league with 21 victories out of 28 games, and the Stars hold second place with 18 won and 9 lost. Both teams last week made strong showings against their respective opponents, and their clash was expected to be a warm one.

This week the Mission Reds and the Los Angeles Angels were scheduled to fight it out at Recreation park, and it was predicted the Reds would have to hustle to make a good showing. Although the Reds had figured on mopping up Farland and Sharpe on its last northern trip, they did not fare so well as had been expected. However, they did win both series, even though by the margin of only one game each time.

The Sacramento club will play this week in Oakland, and Seattle will play in Portland.

Featherweight Of Cuba Will Appear

CHICAGO, July 30 (AP)—Kid Chocolate, sensational Cuban featherweight, will make his initial western appearance at Mills Stadium tonight, in a 10-round bout with Steve Smith, Bridgeport, Conn. The meeting will be the second, the Cuban having won a close decision over Smith recently.

Jackie Fields Is Conquering Hero

CHICAGO, July 29 (AP)—Jackie Fields, world's welterweight boxing champion, has returned to his home town to be received like a conquering hero.
He was greeted by hundreds of admirers yesterday when he arrived from Detroit, scene of his triumph over Joe Dundee. He was hoisted into an open car and paraded atop the rear seat, in a Lindbergh, rode through the loop with a band and a motorcycle detail of police preceding. There were more than 100 cars in the welcoming parade.
Fields is going to spend a few days with his mother in Los Angeles before returning to the welterweight battlefield. Before his departure however, his admirers plan to hold a banquet in his honor.

Jackie Phillips New Welterweight Champ

TORONTO, Ont., July 30 (AP)—The Canadian welterweight throne, declared vacant by the Dominion Boxing Federation, had been filled today with Jackie Phillips as the new ruler.
Phillips pounded his way to the title last night when he decisively defeated a fellow-townsmen, "Red" Hogan, in a 10-round bout for the championship as sanctioned by the Canadian Boxing Federation. Phillips won eight of the ten rounds and floored Hogan twice.
The title had been declared vacant when George Siders, who won it two years ago, failed to defend it. Siders has been campaigning in the United States.

Object To Boxing Board Taking Seats

CHICAGO, July 30 (AP)—Reaction against the admitted practice of the Illinois State Boxing commission in demanding choice seats for boxing shows was started today by Paul Harmon, director of the Chicago Stadium company. Harmon made public complaint

to the press that the commission had "grabbed" 959 of the choicest seats for the Mandell-Tony Canzoneri lightweight championship fight at the stadium Friday night and as a result many fans were either forced to buy inferior seats or go without tickets at all.
"The stadium hasn't reserved a seat for these tickets and the practice has become so serious to promoters in Chicago that the time has come for a showdown," Harmon said. "For this coming fight, the commission has taken 959 tickets worth more than \$5,000 without paying a cent for them. What would we do but give them to the commissioners? If they didn't get them it would be too bad for us. We have to get dates from the commission."

Harmon said he would request the commission either to return the tickets or pay for them.
Paul Frohn, chairman of the ring body, said the large number of tickets were requested "to fill the demands of politicians and friends of the commission."

And Bang go 9500 More Bullseyes

Jack Bartram, rifle team captain at Fresno (Cal.) High school, took a small-bore rifle, lots of ammunition, and began shooting at targets 50 feet distant. And 23 hours 57 minutes later he was a world champion, by virtue of scoring 4700 straight bullseyes in that time. Fame was ephemeral, however, for just as Bartram left the rifle pit amid the plaudits, Richard Hansen (inset), a fellow student, started to work, and he raised the 24-hour mark to 5000 consecutive bullseyes. Their trigger fingers were swollen, the sun reful caused shoulder and wrist contusions, and they suffered from strain of all-night shooting.

"Pa" Canzoneri To Watch Fight

CHICAGO, July 30 (AP)—"Pa" Canzoneri will lead a special cheering section at ringside when his son Tony tackles Sammy Mandell for the lightweight championship at the Chicago stadium Friday night.
The New York butcher and farmer landed in his son's camp at the Garden of Allah yesterday and said Mayor Jimmy Walker of New York and Arthur O'Keefe of New Orleans and other notables will help him cheer Tony.
"I have never missed seeing my son fight an important engagement and to great distances, giving it ment," the elder Canzoneri said.

Culf Stream Temperature

The temperature of the Gulf stream is several degrees higher than that of neighboring oceans. Water has a remarkably high heat capacity. It is four times that of air, five times that of earth. The water of the Gulf stream carries its accumulated heat, derived from the tropical sun, for a long time, and to great distances, giving it a

Pioneer Meet Of L. D. S. Church Is Held July 24

By Mrs. I. Z. Terrall (Observer Correspondent)
UNION, Ore., (Special) — Mr. and Mrs. F. N. Fox and the J. F. Hutchinson family enjoyed the swimming pool at Radium springs on Wednesday evening.
The annual pioneer picnic of the local L. D. S. church was held on the 24th at the Arthur Busch place on Catherine creek. After a short program a beautiful basket luncheon was served. In the afternoon games and contests for old and young were participated in. According to the old rule that youth will be served, the baseball games between single and married men and the unmarried and married women resulted in favor of the younger players. To make the event complete a dance was held at the church in the evening, thus ending a perfect day.

Class Tobin after a short stay in Portland decided that Union is a good place to live. He is going to rebuild his home that was damaged a few weeks back by fire and again open up his meat shop in North Union for business.

Mr. and Mrs. R. H. Honney of the Union fish hatchery are busy liberating fish in the various streams of Eastern Oregon. On Wednesday 10,000 eastern brook trout were taken to Anthony lake and on Thursday a load of larger fish was released in the Meadow brook near Five Points.
Mrs. W. H. Vogel, Mrs. I. Z. Terrall and Miss Eva Wilson took a party of children to the Cove swimming pool for instructions under Basket Bloom on Thursday. They had a lunch at the Cove picnic grounds, near the pool.

Illuminated manuscripts are those whose texts are brightened and heightened by vignettes and otherwise decorated in colors or in gold and silver. Fifteen centuries before Christ the papyrus rolls of the Book of the Dead were illuminated with brilliantly colored scenes. Later, as writing became alphabetic, the important letters were illuminated.
