La Grande Men Visit Union Odd Fellows Friday

By W. V. Connor
Union Lodge No. 29, I.O.O.F., conferred the third degree on L. A. Tidball at the regular meeting Friday night, July 26, etc.

According to a notice in the local paper Miss Mattie Best who was a grade teacher in the Union school a few years ago, was married to O. L. West, also a former resident of this place.

A fire in South Union Thursday morning resulted in only slight damage as the blaze was extinguished by a bucket brigade before the department arrived on the scene.

George Gillison who had been visiting in Union for several days, left Saturday for his home near North Powder. He had injured his side while at Wallawa lake with the Epworth League camp and remained there in Union on his way home in order to visit the hospital at Hot Lake.

Mr. and Mrs. Ed Mitchell of North Union are entertaining their son Frank Mitchell and family who arrived here from Portland Wednesday.

The subscription contest which has been in progress for the past two weeks under the direction of C. L. Perkins closed Saturday night at eight o'clock and the judges, M. S. Levy, C. L. Cadwell and J. P. Hutchinson, proceeded to count out the votes. First prize, a diamond ring was won by Juanita Hill of Telocaset, Jane Smith of Union won second and also received a ring. Other contestants who participated in the campaign and received prizes were: Irene Wilkinson of Hot Lake, Bernice Lamb of Union, Maxine Duncan of Medical Springs, Freda Haester of High Valley, Vallie Gaertner, Edith Cheney, Camille Harn of Union. The contest was carried on to secure more subscriptions to the local newspaper, The Weekly Republican.

The last quarterly conference of the local Methodist church for the present year was held at the church Wednesday evening, July 24 with H. H. Hamilton, district superintendent, in charge. Election of leaders for the various departments of the church work was confirmed at this meeting. Reports made for the year and recommendations for the next conference year.

The local state fish hatchery in the midst of the busy season distributing rainbow trout to the various streams in this part of the state. Last week truck loads were placed in the headwaters of the Grande Ronde, Five Points. These fish are six inches or more in length and of legal size for the fisherman.

Mrs. Marjorie Strincham left Thursday for Weber to join her husband who is working there. The Union Epworth League decided at its meeting Sunday night to discontinue its Sunday evening meetings for the month of August. This week will practically see the end of the cherry harvest around Union.

Eldridge Huffman came home from Greeley, Colorado last week, called here by the serious illness of his mother. He has been in Greeley this summer attending the normal school. Mr. Huffman is a teacher in the grade schools of La Grande.

The local L.D.S. church folk held their annual picnic at the Kofford grove just east of Union Wednesday.

Nellie Vaden, Josephine Hills, Robert Wakefield, W. V. Connor, and Edridge Huffman are driving over from Union to attend the Normal school at La Grande for the summer term. Mr. Wakefield will probably continue his normal work during the next year but the other students from Union will leave the Normal to teach this winter.

FLIERS PAY TRIBUTE TO AIR BUDDY

(Continued from Page 1)

Tomorrow there will be a parade and a public acclaim such as the city has extended to only one other aviator, Col. Charles A. Lindbergh, when he, too, came home as a conqueror of the air after his New York-to-Paris flight.

Jackson and O'Brien were cheerful almost to hilarity as they discussed their achievement with reporters. Bed's greeting to the field physician was "good morning, judge. What's the sentence today?"

Both said they felt fine, although O'Brien added he was a "little weak in the knees."

Asked as to the hardest part of the flight, O'Brien replied without hesitation "the first 100 hours."

Both aviators had praise for the plane, Jackson adding "that old motor sure is a jolt. It would have done another 200 hours." O'Brien was even more optimistic. "We would take it up again and break the record," he said.

They were steady on their feet and the long time aloft had not impaired their hearing. One of the officials started to shout at Jackson and drew the comment, "I can hear you."

O'Brien gained a pound and a half in the air while Jackson's weight remained stationary at 124 pounds. O'Brien's weight was 140 on coming down. Both had pulses of 84, a gain of 16 for Jackson and

CUBS THREATENING LEAGUE RUNAWAY

Lead Stretched to 4 1/2 Games Yesterday With 4-0 Win From Braves.

By Herbert W. Barker
(Associated Press Sports Writer) Unless something speedily turns up to stop them, the Chicago Cubs soon will be making a runaway of the National League race just as Connie Mack's Philadelphia Athletics have in the American.

The Cubs stretched their advantage over the field to John Heyl, who pitched to four and one-half games yesterday by rouncing the Boston Braves 4-0, while the hapless Pirates of Pittsburgh were losing to the Phillies, 13-5.

The Cubs' victory, their ninth in a row, was due almost entirely to some excellent pitching by that erratic right hander, Sheriff Blake. This native of Astoria, W. Va., allowed the Braves exactly five hits and never was in serious difficulty. He was a trifle wild, giving five bases on balls, but four double plays behind him served to stop the Braves every time they threatened. Of the nine hits the Cubs got off Bruce Cunningham, six went to Hornsby, Wilson and Stephenson who scored all four Chicago runs in the bargain.

Six Pirate pitchers failed to halt the slugging Phils at Pittsburgh. It took three pitchers to halt the Phils in the third inning when they scored seven runs and five more in the seventh and one more in the eighth made the Corsairs' cause hopeless for the day. Chuck Klein hit his 32nd homer of the year. Hurst his 23rd and Pinky Whitney not only cranked out a homer but two triples and a double as well. All together the Phils collected 13 hits.

Big Fred Fitzsimmons further demonstrated that he is no "cousin" to Red batsman, the burly New York Giant right hander shutting out Cincinnati, 3 to 0. It was the fourth successive shut-out Fitzsimmons has scored against the Reds. They have failed to score against him in 26 consecutive innings.

The St. Louis Cardinals ended a three-game losing streak by beating Brooklyn, 10 to 9 in 11 innings. Seven pitchers trotted to the mound during the day and gave no fewer than 33 hits among which were home runs by Hendrick, Orsatti and Sherdell.

The American League situation remained unchanged as the Yankees and Athletics both won.

The A's traveled on tonight to down Detroit, 5 to 4. George Uhle gave only four hits up to the ninth but the A's tallied three times in this session to tie the score and won out to Simmons' single in the tenth. Letty Grove led the game for a pinch hitter in the ninth and Barnshaw was credited with the victory.

Herb Denкок pitched the Yankees to a 7-3 victory over the Chicago White Sox. Alphonse Thomas yielding 14 hits among which, straggle to relate, was not one home run. Denкок kept the Sox' 10 hits well scattered.

Fifteen solid drives gave Cleveland an easy 11-4 triumph over the Boston Red Sox Morgan getting two singles, a double and a triple.

A three-on rally in the eighth gave the Washington Senators a see-saw battle with St. Louis, 11 to 9.

The Glee earned more than \$21,000 in their time aloft, including \$25,000 from the Curtiss-Robertson company. An additional \$2800 was received in cash besides gifts received by the chamber of commerce and untold.

Their pay as pilots for the Curtiss-Robertson company was continued during the 15 days.

Rosenbloom Takes Canadian Easily

Portland Ore., July 31, (AP)—Maxie Rosenbloom, New York, light heavyweight contender, was too fast and carried 100 many gloves for Harry Dillon, Winnipeg, in the main event of last night's boxing card at the Portland auditorium. After the first few rounds Dillon was on the receiving end. No great damage was done during the battle. The six-round semi-windup between Erico McGale, Seattle and Jimmy Dolan, Los Angeles at 148 pounds was a good bout with McGale apparently having an edge, but the decision went to Dolan.

Coast League Has Wild Day of Play

By the Associated Press
Pacific Coast League hurlers suffered adversities in yesterday's renewal of series play. In almost every case in the three games played, poor control, wildness and excessive walking were the important factors in the scoring. The San Francisco and Hollywood clubs were the only ones to take the day off, those teams traveling to Los Angeles, where they open up today.

The Los Angeles Angels defeated the San Francisco Mission Reds at Recreation park here, 5 to 1. Marlon Nelson walked twice of the boys from the south.

Portland opened the series with an easy victory over the Seattle Indians at Portland. Kallio was exceedingly wild, giving three walks in the second inning, all of which resulted in tallies. Lamanicki relieved Kallio in the seventh and retired the side after the latter had allowed two more passes to first. "Big Fred" Fitzsimmons pitched a field day with two hits, two runs, seven fielding chances, and three stolen bases.

The Sacramento Senators won from the Oakland club 6 to 3, making their fourth straight after a losing streak of 13 consecutive games. The team played in Oakland.

SUGAR MAKES FOODS PLEASANT

Good Cooks Learn to Use Nature's Supreme Flavorer

No wonder sugar used to be considered a luxury of the rich. No wonder a noted scientist says that sugar is the greatest condimental food in the world.

Sugar's supreme importance to health is that it makes foods pleasant. No man, woman or youngster can live on one food alone. To eat a great variety of foods daily the year round is to promote health, and sugar adds flavor and delight to nearly every known food. As a noted scientist says, to try to eat most foods "straight" would result in a monotonous, unpalatable diet, and you simply can't get people to eat things they don't like.

Try a dash of sugar on your favorite cereal. Eat healthful blackberries and other fresh fruits made delicious by a sprinkling of sugar. Profit by the experiments of four well-known women cooking experts covered the old art of using a dash of sugar in vegetables while they are cooking in a small amount of water. Note how the vegetable colors, freshness and flavors improve. This little added sugar makes eating vegetables a joy. Remember the value of custards, milk shakes, ice cream and other milk desserts in helping your family to eat enough milk. Remember stewed fruits, candy and cookies for the end of the meal.

Old Gold CIGARETTES
THE TREASURE OF THEM ALL
GROWING like Jack's beanstalk!
"Let's be fair about this matter of deciding which is the best cigarette," said OLD GOLD to Mr. American Smoker last January.
"That sounds reasonable," replied Mr. S. "What do you want me to do?"
"Well," continued O. G., "why don't you smoke me and the other three leading brands with paper masks covering our names, so you can't tell us apart? And leave it to your taste to say which one it likes best?"
And Mr. American Smoker did . . . with the following results.
In February, the nation gave OLD GOLD a rousing sales boost over January. In March, April, May and June this brisk upward sales swing continued unabated, with June racing ahead to nearly double the sales of January.
OLD GOLD wins in these tests because it is a better cigarette. Blended by skilled blenders from Nature's choicest queen-leaf tobaccos, its finer quality just naturally proclaims itself in any reliable comparison of cigarettes.
Because it IS a smoother and better cigarette with . . . "not a cough in a carload"
