CUBS WIN OUT IN PITCHING DUEL

National League Leaders Increase Margin to Five Full Games.

By Herbert W. Barker (Associated Press Sports Writer) Baseball fans who insist pitching is a lost art and that the lively ball has destroyed the defensive features of the game might do well to consider the battle between the Cubs and Boston Braves at Chicago, yesterday. Nine innings of brilliant pitching by Guy Bush on the one hand and Ben Cantwell and Ed Levertz on the other saw the Cubs ek out a 1-0 decision that enabled them to retain their five-game lead in the National League pennant race.

Bush allowed only five hits in totaling in his ninth straight victory and his 15th of the season against one defeat. Cantwell gave up but three sacrifices in the seven innings he worked and Levertz held the Cubs hitless the rest of the way.

Won on One Hit
As it turned out the Cubs won on one hit. In the first inning, English doubled and Cantwell, losing control, walked three men in a row to force in the only run of the game.

Jess Petty pitched his first full games of the year at Forbes field and the Pittsburgh Pirates came out of a bad slump to down the Phillies, three to one. Petty allowed only six hits and never was in danger after Comorosky tripped with the bases filled in the third inning to give the Pirates a lead.

Larry Benton pitched the New York Giants to another triumph over Cincinnati, 6-1. Dolf Luque was the victim of bunched hits in the third inning when the Giants tallied four times.

The St. Louis Cardinals got to Johnny Morrison for four runs in the first inning and old Pete Alexander was able to coast in a 5-2 decision over the Brooklyn Robins.

In the American League, the Philadelphia Athletics increased their lead to ten and one-half games by turning back Detroit, 7-4 while the New York Yankees were losing to Chicago, 5-2. Babe Ruth got his 25th homer.

Cleveland downed the Boston Red Sox, 19-2, behind the effective pitching by Jimmy Zinn.

Held to one run for six innings, the Washington Senators slugged Collins and other St. Louis Browns' pitchers for five runs in the seventh and seven more in the eighth to win, 12-5.

Good Pitching Potent Factor In Dope Upsets

By The Associated Press Base good pitching yesterday proved to be the most potent factor contributing toward a series of upsets in various Pacific Coast League camps. Most significant, was the defeat of the league-leading San Francisco Seals by the second place Hollywood Stars. This score was 1 to 0, and the contest was a close one throughout.

Goa Johns, smart Hollywood southpaw, held the victors to, but three hits.

The Los Angeles Angels were easy picking at Recreation field for the San Francisco Mission Reds who won by a score of 6 to 5. Dutch Reuther flung 'em fast and fancy, doing a good job throughout the battle.

Sacramento's Senators turned the tables on the Oakland Oaks at Emeryville, winning 6 to 2 in a great display of baseball.

The Seattle Redskins plucked the feathers from the Portland Ducks and ran away with a 5 to 2 score. A puzzling curve used again and again by George Smith, late of the Detroit Tigers, baffled the home boys, and this with loose fielding, spelled their defeat.

Sammy Mandell Is Expected To Keep His Crown

By Paul R. Mickelson (Associated Press Sports Writer) CHICAGO, Aug. 2, (AP)—Tony Cannoneri, chesty little bootblack from New Orleans whose stinging hits achieved glory in the bantam and featherweight sectors, tonight brand his weapons at Jimmy Mandell, one of the most shrewd tacticians of the ring, in an audacious bid for his world's lightweight crown.

The two will battle 10 rounds to a decision for the title in Paddy Harron's gigantic punch bowl, the Chicago stadium. A record floor crowd of 25,000 is expected to watch the duel.

It is to be a skirmish between the clever boxer and a rugged, two-fisted puncher and Mandell, the boxer, is an overwhelming favorite. The champion expects to win handily by a decision; the challenger is confident of victory by a knockout.

Ten Swimmers Training For Channel Trial

CAPE GIRI-NEZ, France, Aug. 2, (AP)—Ten prospective channel swimmers, eight women and two men, have been in training at this take off cape for several weeks and there has not been ten lines in the French newspapers about their activities.

Five years ago the appearance of one lone channel swimmer was good for at least a column.
Mrs. Myrtle Huddleston, billed as the American professional long distance champion, plans to swim from Girs Nez to Dover and back again. Whatever the outcome of her efforts Mrs. Huddleston if her record may be taken as a criterion, is certain to spend more hours in the water than any of the other nine contestants.

The Zintendorf twins, American girls, aged 15, the Misses Ivy Hawke, Joan Brunton, Mollie Parker and Connie Gillhead of England, and Mademoiselle Estelle Verlainny of France, are the other members of the "weaker sex" vowing to swim the channel.
Dorsey Schutte of Germany and Jakob Helmy the giant Egyptian, who crossed last year after unsuccessful unsuccessful attempts, the swimming colony. Helmy says he has acquired the Girs-Nez habit. "It is such a relief from Cairo in August," he said looking at, chilled in 50 degrees Fahrenheit.

Title Fight Sidelights

CHICAGO, Aug. 2, (AP)—Sammy Mandell is expected to receive \$50,000 for defending his lightweight crown against Tom Cannoneri tonight. Both are signed on a percentage basis. Sammy to get 49 per cent and Tony 20 per cent.

"Pa" Mandell and "Pa" Cannoneri will cheer their fighting sons. The elder Mandell will be assisted by a delegation of 1,500 fans from Rockford, Ill., Sammy's home town, while Tony's father will receive the help of old friends from New Orleans and New York.

Regardless of the outcome, the lightweight champion tomorrow will be of Italian parentage. Tony and Sammy are both of Italian blood.
"Tonight will be the first time Mandell ever fought an important title boxing fight without delays or troubles. He won the title from Rocky Kansas in 1926 in a driving rain storm and was handicapped by a fractured rib. His battle against Jimmy McLarin was postponed three times.
"One-eyed" Connolly is on the job again, but he has become so famous now that he has been given a free ticket.
