Missions, Seals In Deadlock For First Position

By the Associated Press
Baseball with an old time tang, exhibited at Recreation park in San Francisco yesterday, when the Mission Reds sparked the San Francisco Seals and tied the latter for the Pacific Coast League lead.

The game of the Seals-Missions game was a 6 to 6 tie. The home team led by a couple of homers for the Missions while Cavney knocked out one for the Seals. Guale Suhr, Coast League home run king, homered out his thirty-second homer of the season. Poor base running on the part of the Reds accounted in a large measure for their loss of the game.

Angels Trim Stars
Clyde Barfoot's brilliant mound work and Walter Berger's opposite hitting gave Los Angeles a 3 to 2 victory in the series opener against the Stars in Los Angeles. Barfoot outpitched Shellenback, veteran spitballer, in a nine-inning duel.

The Oaks defeated the Seattle Redwings at Emeryville across the bay 7 to 5. Pete Duglia was on the mound for the Oaks, but he staggered through the nine innings, allowing 11 hits. The Indians saw the tying run die on base when Louie Almada lined a long one to centerfield, which Schingo bagged. Albert Pisch, young Indian southpaw, started against Duglia, and was charged with the defeat.

Portland Loses
Sacramento took the first game of the series from Portland 4 to 1 in the California capital. MaHarvey for Portland and Bryan for the Senators pitched good ball, but the latter weakened toward the last. Barked started in his fielding role for the Senators.

CUBS READY FOR FINAL CONQUEST

Chicago Team Swings Into the East, Hopeful of Clinching Pennant.

By William J. Chipman
(Associated Press Sports Writer)
Spurred by the prayers of a million Chicago fans, the Cubs are on the march today seeking a final conquest of the east.

In two swings along the Atlantic seaboard this year, the Braves have won nineteen games and lost nine; a continuation of that pace through the sixteen engagements of the impending invasion would send the young men of Joseph McCarthy back to the west late this month all but assured of their pennant.

Despite a 5 to 4 defeat by Brooklyn before a record mid-week crowd of 25,000 at Wrigley field yesterday, the Braves are eastward bound with their lead of seven and one-half games intact. The Pirates also lost — to the Giants by 5 to 3 — and must face the Stan McGraw in another game today.

Pennant-Hungry
Chicago burned with baseball enthusiasm yesterday as it had at no other time since the dim and distant days of Tinker and Evers and Chance. Wave after wave of pennant-hungry fans swept thru turnstiles, filled vast stands and poured out upon the field. For the first time in the history of William Wrigley's enlarged plant, amazed club officials had to claim the gates shut at a mid-week game, with 55,000 yelling madmen (and mad-women) inside and perhaps 25,000 more milling about in the streets outside.

Even with the loss of this farewell home game, the Cubs quit Wrigley field with a record of fourteen victories and only two defeats in their stand against the east. Their grand total for the season against the east to date is forty-one victories and sixteen defeats.

Walker Holds Lead
Bill Walker performed upon the mound against the Pirates and pulled out of a mean hole in the ninth to preserve the slender lead. Giant hits and Pittsburgh errors led to the tie in the eighth. With the bases filled by three singles and two men out, he forced Pie Traynor to roll weakly to the infield for the final out.

Jess Petty went the route for the Buccaneers, and permitted the Giants to bunch their hits where they would do the greatest damage. Paul Wagon, who has been in a batting and fielding slump, was benched to give him a chance to rest up a bit.

Rain interfered with the Cardinals-Braves game at St. Louis and the Phils and the Reds were not scheduled.

Contenders Mark Time
While Chicago was cheering its Cubs, American League contenders were in street marking time. The Athletics boxed to the Browns by 8 to 3 in the first game of a double-header, but came back strong to win the second by 11 to 3 behind Eddie Rommel's knuckle ball, which was working. The Senators trimmed the Yanks by 13 to 5 in the opener, but Freddy Helmuth pitched a three-hit shut-out.

Trapshooting Titles to be Decided at Dayton

The cannonading will be terrific when Ike Andrews, Spartanburg, S. C., defends his grand American handicap championship at Dayton, August 13-25. One million rounds of ammunition will be fired.

In the nightcap, winning for the champions by 8 to 6.
This left the Athletic margin stationary at eleven and one-half games with the Yankees on deck at Shibe park for a double-header today and a single clash tomorrow.

Cleveland posed out Detroit by 6 to 5, and entered into a tie with the Browns for third place. The Sox, white and red, were not scheduled.

Yank Pitcher To Rest Until 1930

NEW YORK, Aug. 7, (AP)—Henry Johnson, right-handed Yankee pitching star who has been out with an injury since June 9, has been ordered to go to his home in Florida and rest until the start of the next training season, the club management announced today. Johnson wrenched his back in June. He still is forced to wear a heavy brace. Last season he was the Yankees' most effective pitcher against the Mackmen, winning five out of six.

The new money is smaller, but some people can make just as much of a flourish with it and miss it just as much when it's gone.

College Tennis Stars In Lead At Southampton

SOUTHAMPTON, N. Y., Aug. 7, (AP)—The 46th annual invitation tennis tournament of the Meadowbrook club has taken on the aspect of an international intercollegiate championship of the 16 players still in the running, no less than eleven are college students.

Representing ten different universities scattered over the United States and England, these eleven fine young players are Berkeley Bell, University of Texas; present holder of the national intercollegiate crown; Bradshaw Harrison and Phil Neer, University of Oregon; Norman Parsharson, Cambridge; Eddie Jacobs, University of Pittsburgh; Donald Crum, Vanderbilt; John Doeg, Stanford; Donald Strachan, Princeton; Julius Seligson, Lehigh; Gregory Mangin, Georgetown; and H. G. N. Cooper, Oxford.

All of the collegians were playing fine tennis yesterday. With the expected arrival of Bill Tilden and Frank Hunter to start play in the doubles play of the tournament today, some of the spotlight may shift from the college boys to the returning American Davis cup warriors. Tilden and Hunter radiated acceptance of an invitation to compete in the doubles here and there was some hope that Wilmer Allison and John Van Ryn, heroes of the challenge round against the French, will accompany them as well as George Lott and John Hennessy.

Tilden Silent As To Future Plans
NEW YORK, Aug. 7, (AP)—Big Bill Tilden evidently intends to give his tennis strokes a few more years before he makes a definite decision whether he will stick to his early decision to make this the last year of his participation in international play. Returning from the Davis cup wars in Europe last night, Tilden maintained a discreet silence concerning his announced retirement and the later reports that he might have one more shot at international honors.

Neither Tilden, nor his four fellow members of the American squad who came back with him last night would give any interviews.

Three Lose Lives When Boat Upsets

NANAIMO, B. C., Aug. 7, (AP)—A woman and two children were drowned in a boating accident at Boat Harbor, eight miles southeast of Nanaimo last night according to meagre advices reaching here. A Mrs. Mines of Island Park, Burnaby, an eight-year-old boy named Cummings, and another boy whose name was not given, were the victims. A three-year-old child, who was at first thought drowned, escaped.

The four were rowing about 50 yards from shore when the boat in some way upset, throwing the three victims into the water. The three-year-old child did not fall out of the boat and was picked up safe in the cabin some time later.

CHICAGO, Aug. 7, (AP)—Here is the first football yarn of the season. Within six weeks the boys will be in their moleskins, and Amos Alonzo Stagg, the "grand old man of the midway" will be ready for them.

Stagg, dean of America's gridiron coaches, is in training, like his players, for the opening of the practice season, September 15. He will be 67 years old, August 16, but he is playing his usual game of tennis daily with his son, Paul, junior champion of Illinois, to get into condition to direct his squad.

Doukhobors Are Blamed For Fires

NEILSON, B. C., Aug. 7, (AP)—Four school houses, a flour mill and a warehouse are in ruins following fires of incendiary origin among the colonies of the Christian Community of Universal Brotherhood. Doukhobor schools at Champion Creek, Brilliant, Spencer and Krestova, are in ruins after fires of Monday night.

It was at Glade that flour mill and warehouse was destroyed. Fanatic Doukhobors are blamed for the fires.

Hon. Jash Hinchliffe, minister of education, stated that the schools would be rebuilt at once along more modern lines. Hinchliffe had a lengthy interview with Peter Verigin, Jr., Doukhobor leader who consented to have the schools rebuilt and ready for the opening of the fall term. The Doukhobors must stand all losses incurred through the fires.

Urges Limiting Of Prune Supply

WALLA WALLA, Wash., Aug. 7, (AP)—Limiting the supply to maintain the market for the fresh prune crop of Walla Walla valley was suggested at a meeting here last night of prune growers and shippers. A resolution was adopted urging growers to meet with a group of shippers to decide upon a maximum number of cars to be sent to the markets. The shipments would be prorated among the dealers each day.

Spokesmen for the growers considered it was up to the shippers who have contracted for the prunes to protect the growers by agreements among the shippers themselves concerning limiting the supply to maintain the market.

Cinderella and the Three proud cigarette brands

A Modern Fable

Once upon a time a Mighty Prince set forth to find a perfect cigarette. Being very wise, he noted down his search to the four national favorites... that quartette of popular sister brands known as the "20 for 16c" family.

The three elder cigarette brands rushed forward to meet the Prince with all the proud pomp in the world... each vying with the other in urging her charms upon him.

"Smoke me!" said the eldest, "I am the class of the field."
"Smoke me!" said the second, "for I am beyond compare."
"Smoke me!" said the third, "all the world acknowledges me to be the best."

Then, from the background, the youngest brand... the Cinderella of the family... quietly spoke up, "If you please, Sir," she suggested, "why not smoke all four of
