MARKET RALLY FOLLOWED BY IRREGULARITY

NEW YORK, Aug. 28 (AP) — The stock market apparently recovered from its money scare today when aggressive bullish demonstrations were conducted in the rails and specialties. Little progress was made by such groups as the oils, motors, steels and equipments, and there were few points of weakness. Pool operations provided the background for the advance although several of the large commission houses reported an increasing odd lot business from small traders and investors.

The market succumbed to a wave of profit taking and short selling in the last hour, under which high priced shares dropped from 2 to 6 points below their best figures. American can, International Telephone and Telegraph and Montgomery-Ward were heavy. Coppers also were sold liberally. The close was irregular. Total sales approximated 4,000,000 shares.

Many designers show the leather belts on dresses, with suits, and coats of tweed. Some of the new jersey dresses are belted at the normal waistline with bands of patent or polished black leather.

Bush Resigns As Pirate Manager; Ens To Carry On

PITTSBURG, Aug. 28 (AP)—Donie Bush, manager of the Pittsburg National league baseball club, today tendered his resignation to President Barney Dreyfuss. The owner of the club accepted the resignation without comment.

The resignation took effect immediately and Dreyfuss named Jewels Ens, a coach, as acting manager.

Asked if Bush gave any reason for resigning, Dreyfuss said: "He resigned. That's all I can tell you."

Rumors of an impending shake up in the Pittsburgh team, following the recent disastrous eastern trip when the Pirates dropped 12 out of 17 games, have circulated in baseball circles here for several weeks. The team returned from the east yesterday and Bush met Dreyfuss this morning. After the meeting Dreyfuss announced the resignation.
