Course Record At Del Monte Is Broken by Jones

DEL MONTE, Cal., Aug. 29.—(AP)—Leaving the Pebble Beach course to other amateur practices for the opening of the national ten-year golf championship here yesterday, Bobby Jones, king of the amateur game, shifted his play today to the Cypress Point course where he was to meet Francis Ouless in an exhibition match. Jones' left Pebble Beach with a new course record of 70, two under par, which he established yesterday before a gallery of 3,000, the largest ever to watch even a champion here. The champion's score was three under the mark of 72 set by Johnny McLaugh, of San Francisco, and one under that set by Johnny Dawson Tuesday.

Dawson, a Chicago golfer was a semi-finalist this year in the British championship. He was reported to have withdrawn from the amateur championship yesterday after officials questioned his amateur status because of his employment as a salesman by a golf club firm.

Scheduled to play with Jones and Ouless at Cypress Point today were Henry Lapham, of Boston, and Roger D. Lapham, president of the California Golf association. Followers predicted a card in the sixties for the championship today as Cypress Point is considered to be a much easier course than the renowned Pebble Beach links.

Bobby's showing yesterday was one to satisfy his most ardent admirer. The champion was out in 29 and in with the same number of strokes. Pars and birdies galore marked the large gallery which saw him playing with Cyril Tolley, British amateur champion, Phillips Finlay, young Redlands, Cal. flash, and Francis Brown of Honolulu.

RUPTURE EXPERT Here Soon
D. L. Mack, Nationally known Rupture Expert, inventor of the "New Cushioned Rupture Shield" for Men, Women and Children is coming to La Grande in person to demonstrate his new appliance.

For the past 26 years, I have devoted my entire time to the cure of ruptured people, and now I have the best appliance I have ever made—"The Cushioned Rupture Shield." Notice: If you are an old customer of mine, and still wear a truss, call on me and I will exchange with you free of charge. The "Cushioned Rupture Shield" is constructed on a scientific mechanical principle, embodying features not found in trusses or other rupture appliances. It automatically adjusts itself to every position of the body and can be worn with absolute comfort. It will not slip, slide, or change its position.

The "Cushioned Rupture Shield" automatically gives a gentle and continuous massage to the surface of the ruptured tissues, thereby improving local circulation, assisting Nature in stimulating, strengthening, and contracting faulty muscles, and in the average case the opening closes in a remarkably short time.

One doctor says: "I have used this appliance and endorse it as one of the greatest blessings ever offered to ruptured people. Don't be deceived by 'advised' multi-order contraptions with their cheap, unnecessary bulks, and leggings, as well as Free Treatments of salves and medicines—they are worse than worthless."

Would you be interested, if you could get an appliance that would satisfactorily hold your rupture; one that is sanitary—can be worn while bathing; and, if you could be assured that you would not have to buy any more trusses? If so, come see me—My "New Cushioned Rupture Shield" is such an appliance.

I invite you to come in, have this appliance made up to your measurement, fitted to your body; then, if you do not like it, you will be under no obligation to accept it. "The Cushioned Rupture Shield" will relieve you of that binding, gouging, unsatisfactory old truss.

WINNING STREAK FINALLY BROKEN

Los Angeles Defeats Ramping Ducks After Sixteen Straight Wins.

By The Associated Press
With the series for the week evenly divided at one game each, Portland and Los Angeles today were waging a crucial battle for the Pacific Coast league lead. Meanwhile, the southerners held the distinction of having broken the neck of the Duelling by interrupting their string of sixteen consecutive victories, and thus advancing to within a single game of the league leadership now held by the northern club.

The Angels yesterday won from the Portland team 5 to 3 on the latter's playground. It seemed that Portland's pitching crew finally succumbed to the heavy slugger from the south, Red Roberts hurled good ball for the Angels, but Patterson of the Ducks was hard hit, and in five innings allowed a three-run lead. Chesterfield, who relieved Patterson was nicked for four runs and four hits in the seventh, and Casarella let the visitors add another in the ninth.

Reels Trim Oaks
San Francisco fans saw the Mission Reds defeat the Oakland Oaks 5 to 4 at Recreation park. It was a lucky seventh inning for the home team which whipped out two hits to make both count for runs. The Oaks batted only one run and a single hit in the same inning. Kallio kept San Francisco's lineup scattered while his Indian team mates at Seattle were lurching safely in the first, third, and eighth innings to win the second baseball game of the series by a 4 to 2 score. San Francisco's tallies came in the fifth and sixth when Crossin and Jolley hit homers.

Score Last Again
Sacramento took another defeat at the hands of the Hollywood Stars in Los Angeles, the count being 14 to 3.

50,000 CROWD TO WATCH TILT THIS EVENING

NEW YORK, Aug. 29 (AP)—If anything is lacking to make tonight's battle at the Polo grounds between Kid Chocolate of Cuba and Al Singer of the Bronx a great gate attraction, the fans have not found it. With the promise before them of two natural fighters meeting in the year's "natural" of fights, they have been waiting in time in getting to the box office for seats as close as possible to the center of action.

The early estimates were that about 50,000 of the tight faithful would pay something in the neighborhood of \$200,000 for the privilege of witnessing the battle between the clever Cuban and the New York slugger. The prospect of a last minute rush tonight unless bad weather comes along to change the matter has kept the figures rising steadily.

The streak of brown lightning from Cuba is not expected to weigh more than 124 pounds while Champ returned from his training camp under the limit set of 128 1/2 pounds.

The battle is scheduled to go 12 rounds, starting at 10 p. m. eastern daylight time.

Pirates Defeat Cubs Twice; A's Turn On Yanks

By William J. Chipman (Associated Press Sports Writer)

The demise of the Pirates was prematurely announced, according to no less an authority than Joseph V. McCarthy himself. The keeper of the Cubs takes with him the Buccaneers not only were alive as recently as yesterday afternoon, but also were raiding the country in and about Forbes field where it was unsafe for peaceable folk to go about their business.

The Bruin band tripped into Pittsburgh yesterday faced by the purely routine task of going through with five games of ball against a foe already fallen. The surprise of the invaders knew no bounds when the home defenders took not one decision but two in the dual skirmish which marked the opening of this happy party.

Lead Trimmed
While this double dent put into Bruin lines can hardly be said to have restored the Pirates to the dignity of contenders, the fact remains that the Cubs themselves are headed nowhere in the general direction of a twenty-game lead which seemed not improbable just twenty-four hours ago. The men of McCarthy still lead by twelve and one-half games and rate as coming champions, but the mathematical certainty is at least a bit further away.

Playing their first game under the management of Leyel Kins, successor to Donie Bush, the Pirates lapped Perce Malone for fourteen hits and ten runs in seven innings to win by a 10 to 3 after Kiki Cuyler's homer had given the Cubs a 2 to 1 lead over Hurlberg Grimes in the third. Nine of the runs were earned.

The Cubs dashed into a lead of 6 to 2 in the seventh round of the tightup in Rogers Hornsby's thirtieth home run, and order seemed to be restored. In the home half, however, the Pirates assaulted Ken Penner, the Hoosier recruit, for three runs, and continued the bombardment in the eighth for two more to win by 7 to 6.

Connie Mack righted the fortunes of the Athletics once more, but he had to call upon Bob Grove to clinch a 9 to 7 decision over the Yankees at the stadium on the Harlem. Walberg and Quinn had been roughly used and Eddie Hornbein had been removed for a pinch batsman after one good inning.

Green got nothing but the exercise as the game was won by a five-run rally in the seventh before he entered it, forcing the credit upon Hornbein.

After several brilliant if losing games, Roy Sherid was hammered into a state of helplessness and three succeeding Yankee pitchers fared little better. Babe Ruth returned after a lay-off of part of one game, and hammered out his thirty-sixth home run, increasing his lead. Gehrig hit his twenty-eighth and Lyn Lary his fourth. The victory gave the American league leaders an even division of the two engagements in New York, and restored their margin to thirteen games.

The Senators rolled at the end to defeat the Red Sox by 7 to 4 in the second and final game of the short series in Washington. Walter Johnson's men took both. The four remaining American league clubs were idle.

Carpentier Has Brand New Nose
HOLLYWOOD, Cal., Aug. 29 (AP)—Although Georges Carpentier of France, former boxer of renown, has been a member of the film colony here virtually since he retired from the ring, he doesn't believe his friends will recognize him today. The reason: He has a new nose.

A plastic surgeon explained the badinage last night. In explaining his reasons for wanting a new nose, Carpentier said, "When some 200 prize ring opponents work on your nose—why the old bone is bound to deteriorate to a point of disadvantage in the pictures." He said he traded part of an ear in on a Greek plane.

Mrs. Lifer Enters Golf Semi-Finals
CLEVELAND, O., Aug. 29 (AP)—Mrs. George Lifer of Los Angeles entered the semi final round of the women's western golf championship by defeating Mrs. Lee Mida of Chicago, 2 and 1. Mrs. Mida was the conqueror of Mrs. Louisa Pressler, Los Angeles, the defending champion.

The Los Angeles star lost the first hole to a birdie four, halved the succeeding five and won the next two to take the lead she held throughout the rest of the journey. She shot one over par for the 17 holes while Mrs. Mida was four over.

Another Los Angeles player, Kathleen Wright, remained in the championship battle by defeating 16 year old Rena Nelson of Chicago, one up on the 15th green.

Sport Slants

by ALAN J. GOULD

In the exclusive, if not exactly clubby atmosphere of the Princeton Club a few years ago, Gene Tunney and William Muldoon were the principal guests of honor.

The heavyweight champion talked of the advantages of education, of the lessons to be gained from boxing—in other words of the superiority of mind over matter.

Muldoon, the graybeard who managed John L. Sullivan before Tunney was born, harked back to the days when he wrestled in bar-rooms of an evening for a purse of \$5.

As rapt a listener as any around the luncheon table was Tommy Loughran, then just an ambitious light heavyweight. He hardly could be blamed for considering that the career of Tunney, who had just won the world's heavyweight championship through his skill as a boxer, was preferable to the rough and tumble life of Muldoon.

If Loughran wins recognition as the next world's heavyweight titleholder, and it is no longer to be seen that he won't, it will be due in no small part to the influence of Tunney upon the career of the clever Philadelphia. Tommy's left jab and speed will carry him far.

Most successful fighters have patterned their style, or taken their ideal from some previous star. Dempsey thought Sullivan was "the work." Tunney preferred Corbett's example. Al Singer, the newest lightweight sensation, has patterned his style after Benny Leonard's.

Because he has been shifted around half the National League circuit within the past few years, the idea has grown that Roger Hornsby is something of a hand actor, or at least a difficult citizen to handle.

It doesn't take more than a five-minute chat with Joe McCarthy, boss of the pennant-prospecting Chicago Cubs, to dispose of any thought that Rogers is temperamental.

"Hornsby may prefer his own company of the field," said Joe. "That's none of my business, but on the field he is one of the best team workers I have ever had. He works for the club all the way and does everything he can to give others the benefit of his experience."

"One of the great things about Hornsby is that you can always count on him. He is always in shape. He has his own ideas about training and sticks to them. He neither drinks nor smokes and lives regularly. For instance, he never has breakfast until about 11:20 every day, then he doesn't eat again until after the game.

"When we get into a town early, most of the boys dash for the dining room, but Rog will go to his room, take it easy for a few hours and then have a substantial meal at his regular time."
