Just about 26 years ago, Joe McCarthy was a fair to middlin' infielder around the American association which Connie Mack was running American league pennants and world's championships.

PORTLAND LEAD ONLY HALF GAME

Ducks Split Double Bill While Hollywood Wins Two and Creeps Up.

By the Associated Press. The Pacific Coast team leadership remained in the possession of the Portland Ducks by only half a game today, after one of the hardest fought series of the year, in which the Southerners hung close to the heels of their Northern rivals.

Both teams gained an event break in the Sunday doubleheader. The Angels winning the first by 11 to 4 and 5 to 4, making it seven out of eight of the series for the Stars.

Hollywood took both ends of a double header from the Sacramento Senators by scores of 10 to 4 and 5 to 4, making it seven out of eight of the series for the Stars.

The Chicago manager knows from a bit about the A's, even though he hasn't had contact with them in recent seasons. McCarthy managed the Louisville club of the American association when it played in the little world's series against the Baltimore club that had Hishop, Haley, Grove and others now on the A's payroll.

Grover Cleveland Alexander, it seems, could not resist the temptation to celebrate his 27th birthday and the new National league record it gave him.

"Old Pete" was sold down the river to St. Louis by the Cubs three years ago because he kicked over the traces and refused to obey the orders of Joe McCarthy, then just taking hold of the Chicago team.

Alex was a big factor in the subsequent successes of the Cardinals. There was the celebrated instance of his detour off the main road with Phil Rhoen, the Cardinal finger. Rhoen, when called to account, insisted he felt obligated to the retrospectives to keep the veteran from limping too freely.

"There's no secret, apparently, to the big success of Guy Bush on the mound for the Cubs this year. 'No, he hasn't any wrinkle ball, or slide ball or radio ball," said Joe McCarthy, "but he got a fast one, slow one and a good curve. But that's enough?"

EASTERN NET STARS NEED 2 GAMES TO WIN

FOREST HILLS, N. Y., Sept. 2 (AP)—Eastern tennis stars took the courts today in their annual contest with eastern representatives, needing only two victories to clinch the 1929 series.

The East rolled up a 2-1 lead on the first day of the series on Saturday. With five matches on the program today victory in two automatically would clinch the series for the Atlantic seaboard.

The chances were that the East might find that rather difficult. The West was greatly strengthened by the addition of George Lott, of Chicago, and Johnny Drexel, of Salem, Mass., new national doubles champions. Lott and Drexel were not available for play on the first day because they were engaged in winning the doubles title at Brookline, Mass.

MAJOR LEAGUES LOCKING AHEAD

With Pennant Races Practically Decided, Preparing for Next Year.

By Jay Vessels. (Associated Press Sports Writer). NEW YORK (AP)—Instead of standing around wringing their hands about the 1929 pennant race, major league managers are working overtime in an effort to strengthen their clubs for 1930.

Four of the sixteen clubs are badly in need of new shortstops. The Braves will have to have one to replace Rabbit Maranville, who apparently will be a manager next year. Dave Harpoff's aging arm and legs put Brooklyn in the market for a new man. Joe Hooley's bad throwing arm is causing Connie Mack to look around for help.

Brooklyn wants, in addition to the shortstop, a second baseman to help stop the treacherous lead in the middle of its inner defense. The Braves want a shortstop and an outfielder.

Bill Carrigan's Red Sox must have a pair of slugging outfielders if they expect to get out of the cellar.

Pitching is the Phillies' greatest need. Cincinnati craves some batting punch and a pitcher or two to replace the aged Lange and Bixey.

Pittsburgh wants a second baseman and new pitching strength, which it probably will be able to get if the Paul Waner deal goes through.

Cleveland is short on catching strength. Washington is in the market for a first baseman. The White Sox could use a pair of pitchers, a second baseman and a slugging outfielder or two.

Babe Ruth Gets Fortieth Homer As Yankees Win

By William J. Chipman. (Associated Press Sports Writer). With the private bubble exploding, major league tennis swung into labor day and the fastest run with little to offer the fans except Babe Ruth's home run race against time.

The Babe's own record of 60 in two years ago is safe from any new advances at this moment, but another September such as the one he experienced in 1927 would give him about 24 for the season—easily enough for another home-run king.

Easy for Zachary Billy Hain had the honor of pitching Babe Ruth's fortieth. Tony Lazzeri would like to have a little over the fence, and these three blows made things rather easy for old Tom Zachary, who added his tenth victory of the season in a record shattering no defense.

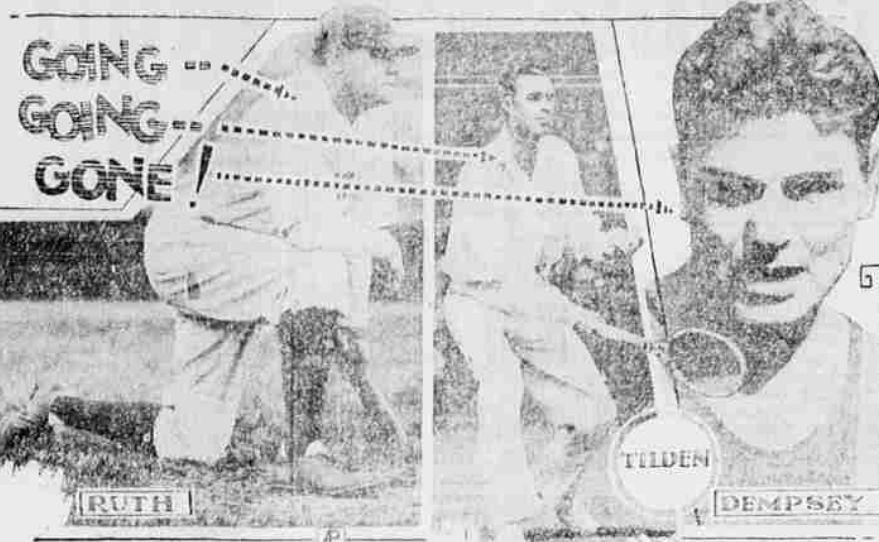

After being cuffed about by the Athletics all season, the Senators turned yesterday to win. The victorious score of 12 to 1. Red Sam Jones was right, and the Senators smashed everything that was served to them. Connie Mack availed himself of the opportunity to insert several of his second string for a bit of exercise.

Plates Take Rest The Pirates treated themselves to a 3 to 1 victory over the Reds at Cincinnati in week's ending. The game was notable, first because nobody but Red Lucas was the destined pitcher, and secondly because Ervin Beane, the hitting pitcher, reached the distant right field bleachers at Redland field to a home run in the fifth with two on base. He had to have relief from Benny Kremer on the mound, however, and Kremer got credit for winning.

The Phillies won both games at Ebbets field by 13 to 2 and 8 to 0. The opener was marked by the third straight victory of young Harry Kossuth, recent southpaw from Asheville, and by Chuck

Crown Princess of Tennis

"Like mother, like daughter" caused a family racket to draw a lot of attention to the eastern woman's tennis championships at Ives, N. Y., the other day. Above you see Dorothy Bundy, 22-year-old daughter of famous Mrs. May Sutton Bundy, former national champion, as she made her major tournament debut with a superb victory over Mrs. Matanus James of Ives, 6-4, 4-2. Ladies are predicting she some day will wear the tennis crown which her mother won for many years.
