SOCIETY NEWS

Dinner Party Is Given In Honor Of Mrs. Luce

A lovely dinner party was given in honor of Mrs. Luce from Hot Lake, of which Mrs. L. M. Hoyt was hostess. There were fourteen guests at the dinner Sunday afternoon, which was a most agreeable affair. On the table and about the room were late summer flowers from the garden.

Mr. Luce and Mrs. Carter from Hot Lake, and Jacqueline Zuercher from Eugene, were out-of-town guests at the party. The others were people from this city.

Waffle Breakfast Event of Sunday

Mrs. Dorothy Smith was hostess at a delicious waffle breakfast Sunday morning, given for some of her friends. Garden flowers decorated the table which was set for twelve. The breakfast was served in three daily courses.

Announcements

The members of the Episcopal Guild will meet Wednesday, September 4 at Haysville park. The meeting hour will be from 11 o'clock until lunch. The regular meeting of the guild will be held from two until four o'clock. Girls will be in Roman Hall at 10:30 for those who have no way to get to church. This is the first fall meeting and it will be a rather large one. Everyone is to bring a cup, plate and silver.

loads of cattle and two double deck cars of lambs. Henry Reed had one double deck load of hogs and H. C. Hansen two cars of cattle. One car of horses was shipped by Joe Thompson for Baker, one car of horses filled for fox feed to Portland.

The drum corps of the American Legion of Enterprise is going to La Grande to take part in the Labor day program. The fair board will be represented that day in La Grande.

George Craig and Kelsey Bergland tied for first in the ram weight guessing contest held last Saturday afternoon.

Love's Mighty Volume

Love is the river of life in this world. Think not that you know it who stand in the little thinking old—Henry Ward Beecher.

URGES STUDY OF LABOR RECORDS

and the creation of a department of labor with a secretary in the cabinet, and with women's and children's bureau as a part of the department.

This is only a brief outline of the things done by the American Federation of Labor," he concluded. "For there are thousands of other things to be done."

Seek Plants for Southwest

Dedicated to finding and developing plants which will grow in the arid southwest is the Boyce Thompson Southwestern Arboretum, erected by the millionaire philanthropist, William Boyce Thompson, near Superior, Ariz. This laboratory is situated on a huge flat rock on top of a hill. Here the habits and adaptability of fruits, flowers, shrubs and plants of value to semi-tropical countries are studied in an effort to find species beneficial to farmers in that locality.

economic life that are to be credited to its persistent agitation. Therefore labor has much to be thankful for on this Labor day."

FAMOUS THORN?

STUTTGART, Ger. (AP)—The parish priest of Waldsee says that he discovered interred in a cross over the tabernacle of the town church a thorn which was covered with carnish to preserve it from decay and was surrounded by a Latin inscription stating that the relic was from the crown of thorns of Christ. The church formerly belonged to a monastery of the Augustinians who were closely affiliated with the Latin church in Rome.

GRADUATES AT 61

PAIRIE (AP)—Gray haired Wendell Jakobson Jakobson, 61, finally got his high school diploma this year and is now ready for the French medical schools. He was educated in Russian schools as a physician, but when he came to France had to have a French school certificate to take the medical examinations. Undaunted, he went back to school and passed the tests.

BEAUTY SHOP AUTO

DELEST, Northern Ireland (AP)—How to see Ireland while you work is a problem two English girls solved by having their automobile remodeled into a beauty shop on wheels. They are touring the country as hair-dressers, bringing up-to-date fashions, shingles, shampoo and waves to the Colleen in out-of-the-way places.

SCHOOLS INCREASING

DAMASCUS, Syria (AP)—Schools in Syria are slowly but steadily increasing in number. Three years ago there were 260 elementary schools for boys and 45 for girls. There are now 314 boys schools and 54 girls schools with an increase in registration.

NEW RESTAURANT SUCCESS

BERLIN (AP)—The first automatic restaurant on the American model opened in Berlin, has been such a success that a chain of them is to be opened and will be ready by autumn in down town Berlin and on the east side, the west side, the north side and in several suburbs.

HORSE MEAT STAPLE

PUDAPIST (AP)—Horse meat has become a staple among the poor of Hungary since the war, although before that there was not one butcher shop in the country where one could obtain it. Several thousand army horses were slaughtered this year to provide meat for poverty-stricken homes.

Thinking Vegetables

Even if vegetable life does think, as a scientist claims, nothing really important can happen when a turnip and a carrot go into conference.—Philadelphia Inquirer.

Where Alligators Abound

More alligators are found in the Amazon river, South America, than in any other stream in the world. The average age at which they are killed for their hides is about fifty.

TOO MUCH SUN TAN

DINARD, France (AP)—The summer heat waves have provided such excellent facilities for tanning on the local beach that some of the British and American visitors

overdid it, and themselves. An enterprising chemist who invented a special ointment for scorched skins, made a small fortune.

Priests Handicapped

Priests of the Maori tribes in New Zealand were not allowed to touch food with their hands at certain times, and so had to be fed.

Washing 11,000 Windows

Ten men are constantly employed washing the 11,000 panes of glass in one large, but by no means the largest, New York office building.
