Walters Again Pitches Ducks To A Victory

Hollywood was its old self again to maintain its half game lead in the Coast league pennant race, but the hostling Mission Reds were right on the heels of the lads from movie land, while the top match standings indicated that first place was virtually anybody's prize.

The fourth game of the week's series at Emeryville across the bay from San Francisco was a snappy exhibition, which the Stars bagged 2 to 1. "Booze" Weisel held the mound for the visiting Stars doing a tidy job by allowing only a single hit in the first four innings, although the Oaks gathered eight in the long run. The Stars hit the ball for a total of 11.

"Doc" Boone's prolific hot work raised the stock of the Mission at Sacramento, where the Senators met defeat 6 to 2 before a very small crowd. While Boone's honors came when the bases were empty, they would have brought victory anyway, inasmuch as Meriton Nelson allowed the home team only a pair of marbles, although the boys did get a dozen clouts.

Walters Wins Again
Televised by the Sox a few weeks ago, Johnny Walters now of the Ducks pitched against his former team mates at Recreation park at San Francisco yesterday and defeated them with ease by a score of 3 to 2. Walters held the San Francisco team to but eight hits, and was rarely in any danger.

Los Angeles scored its fourth victory this week over the luckless Seattle Indians by defeating them 5 to 3 in the California city. Red Roberts had a little difficulty pitching his mates to a win over the league tail-enders, Harbor of the Indians and Shuler of the Angels flogged out some runs.

Poincare's Health Worries French
PARIS, Sept. 7 (AP)—Anxiety is felt here regarding the health of Raymond Poincare, ex-president of France, who underwent a major operation a month ago. Doctors estimated this evening reported a spot of congestion in the lungs, and it is feared the statesman is gradually becoming weaker as he has been bed-ridden several days. His condition is officially described as stationary but a communique will be issued tonight after physicians see him.

Dempsey To Stage Title Tilt in 1930

JIMMY AND DOC IN FINALS TODAY

Dr. Willing and Harrison R. Johnston Paired in Pebble Beach Play.

By Anna Gould
(Associated Press Sports Editor)
PEBBLE BEACH, Cal., Sept. 7 (AP)—Two stalwarts of the links, Dr. Oscar F. Willing, of Portland, and Harrison R. Johnston, of St. Paul—"Doc" and "Jimmy"—to the galleries—came today to the final round of play at Pebble Beach to decide which was to experience the thrill of being amateur champion of the United States for the first time.

Johnston was the more impressive of the two finalists yesterday, but his path to the deciding round, on the whole, has been more difficult than that of Dr. Willing.

Yesterday, however, Johnston was always the dominating figure in his match with Omet, who found more traps during the day than he did in three previous matches.

Two Believers Betten
Willing's closest match was in the first round, where he beat Danny Sanger, Los Angeles youth, 2 and 1. Then he put out two Englishmen in succession—"A. Horn" by 3 and 2 in the second round, and Cyril Tolley, the British champion, by 4 and 3, in the third round.

Willing's opponents today were in the semifinals were panned in the outlying nine of the second round of the Kegan-Willing match and they were vanquished exclusively by the 45-year old Egan.

Willing, as well as Johnston, entered the finals for the first time. Neither had ever before gone beyond the third round, although they have been competitors in a number of tournaments since 1927.

Johnston has been season amateur and Minnesota state champion. Willing has twice held the Pacific northwest amateur title.

Good Medal Players
Both have proved good medal as well as match players. Johnston has scored well in several open championships, leading the field at Oakmount for 36 holes in 1927.

Willing won the Oregon open last year, sinking a 25-foot putt on the last green to beat Johnny Barren, then the national open king, by a single stroke with a score of 294.

The final match today was scheduled to start at 2:30 a. m. with the second round at 2 p. m.

Only Two Games Played Friday In Big Leagues

By The Associated Press
Rain and open dates limited major league activity yesterday to two games in Pittsburgh, but even this excitement failed to prevent the Cubs from driving closer to the pennant. The Braves themselves had two games washed permanently from their schedule in St. Louis as the Robins held the Pirates to an even break. This turn of events left the Cubs in need of only eleven victories in their remaining twenty-three games—the same number the Athletics require.

With two games permanently removed from the card, the Cubs led winning eleven more would finish with 95 victories and 54 defeats. A clean sweep from this point to the finish would give the Pirates a final record of 99 games won and 55 lost, just a percentage shade worse than a 95-54 Cal record.

Burling Grimes sought his eighth victory in the opener at Pittsburgh, but received instead his fifth defeat. Babe Hornman hit a homer with one on in the third, and other Robins bunched blows for four more runs in the fifth, giving the Cubs just enough leeway to come out ahead by 6 to 5 at the finish. Watson Clark won his fourth victory, but had to have the help of Johnny Morrison in the ninth, when, after several earlier rallies had failed, the Pirates threatened to tie.

Joe Petty was right in the second inning, and Moss, McWemy and Moore were hot, so the Buccaneers had little trouble in winning by 5 to 1. The Pirates collected twelve hits.

Games were scheduled only at Pittsburgh and St. Louis in the National league. The Indiana Athletic encounter, rained out at St. Louis, was the only American league fixture on the card.

Foreign Threat In Forest Hills Low

FOREST HILLS, N. Y., Sept. 7 (AP)—With the French stars out of the lists only one foreign player seems to stand in the way of an American victory in the National tennis singles championship tournament, starting today.

He is Henry W. (Bunny) Austin, of England, who has made tremendous strides in the game in the past year. There are other foreign contenders, including Austin's compatriot, John S. O'Hir, and E. R. Avery; the South African, Norman G. Panzani; the Cuban, German Upanian; and the green G. M. Pappadopoulos.

Three Cities In Canada In Fight With Doukhobors

NELSON, B. C., Sept. 7 (AP)—Police in three cities in Canada today were awaiting the next move of three separate bodies of Doukhobors, sons of Freedom Sect, following demonstrations last night in this city, in Kamusok, Sask., near here, members of the sect were camped following an attempt to join the "brothers in jail" last night and have threatened another march, probably minus their clothing.

At Kamusok, where another band, mostly women and children, was halted in its march toward this city to join their comrades, police were expecting another attempt to parade through the city. At Polly, Sask., where Bill Bonoff was held in jail on a charge of publishing sedition, police were expecting a threat that if the man is not released, the Sons of Freedom would march to the city.

One Doukhobor woman received a broken leg and some of the men leaders of the crowd were treated roughly when 250 Doukhobors marched into the city last night and were met by determined citizens, reinforced by police and firemen. The chanting Doukhobors reached the center of the city where a line of trucks and automobiles had been thrown across the street. When leaders declared they would disperse if they were not permitted to go to jail, police and citizens rushed the invaders and after an hour's fight succeeded in ejecting the Doukhobors from the city limits.

The other band, containing about 200 members, were met and dispersed at Kamusok, where the Doukhobors, mostly women and children had marched from Verigin, Sask., en route to join the Nelson camp.

Condition Of Employment In Oregon Given

PORTLAND, Ore., Sept. 7.—Following is a report according to dispatches of condition of seasonal employment conditions in Oregon:

Portland—There is a surplus of workers in all lines of work in this vicinity and indications are that this surplus will exist throughout the season.

Salem—There is a shortage of hop and evergreen berry pickers and of farm help. Pears, blackberries and apples have not begun harvesting. There is a demand for men to work on the roads.

Corvallis—There is a surplus of common labor in this locality. Hops are now being picked and indications are there will be a surplus of help.

Newberg—Grain and hop harvest is now on in full swing and the prime harvest will start about September 15th. As many transients are passing through, we expect to have a surplus of workers throughout the season.

McMinnville—Hops, apples, pears and peaches are now being picked and peaches will be ready soon. We have a surplus of help on hand.

The Dalles—We have a surplus of workers on hand in all lines of work and other transients are being picked.

Hood River—There is a large surplus of common labor on hand at the present time. Harvesting of winter apples will begin between September 25th and October 1st. Indications are that if the daily stream of transients continues to come in we will be able to take care of our crop with this aid and the local help.

La Grande—The labor situation is very well balanced here. Apple picking can easily be taken care of by the help on hand.

Ashland—There is a surplus of help in practically all lines. There is some opening for timber work.

CARR FURNITURE CO., INC.

Chicago, and it was ten vigorous rounds to a well earned draw. Loayza was no more eager than his countryman, Bill Modill, was not the competition Mandell was.

Fighting at 135 1/2 pounds, the champion was his old self. After the first five rounds, the fight was all Mandell. He was fast, accurate and willing. Often Mandell landed as his own target and drives met nothing but atmosphere.

The fight was not a champion-ship affair, both men coming in over the 125 pound limit. The Loayza-Modill fight was ten rounds of toe-to-toe banging, with one as ready as the other to trade punches. It was the most active fight on the card, which included a ten rounder in which My Sullivan, St. Paul welterweight, belted victory for himself over the ringed, but not too clever Spaniard, Al Ross. Clyde Chastain, Dallas welter, and Jackie Brady, Syracuse, drew in the other ten round match.

If You Are Afraid To Look at the Fall Suits so Early — Listen:

Banish the dozens of bogies that are buzzing in your ears. The same chaps were whispering when American Tel. and Tel. was 99.

You've got the time to see the suits—the money to buy them—the weather in which to wear them—and you must be most vain if you don't admit there is room for style improvement.
