THE CHILDREN'S ADVOCATES—Take heed that you do not miss one of these little ones, for I say unto you, "That in heaven their angels do always behold the face of my Father which is in heaven." For the Son of man is come to save that which is lost.—Matthew 18:10, 11.

CHILDREN EAGER FOR OPENING OF SCHOOL MONDAY

(Continued from Page 1)

meetings will be held in all buildings to discuss the details of the opening of school.

Students Seek Work
Mr. Towler reported this morning that he has received several requests from students, both boys and girls, for part time work and for room and board. Anyone interested may call him at the high school.

In order to offer a paying to the school patrons certain of the textbooks newly adopted by the state textbook commission will be introduced only into grades where pupils would ordinarily have to buy new books in the subject affected. New adaptations were made in art language, physiology and writing. The only changes affecting the La Grande schools are those in language and physiology.

Books Issued
Following is a list of the books in the two latter subjects with an explanation concerning which grades will use the new books and which will continue to use those now in their possession.

In the fourth grade language course, all 4-12 pupils will be using the newly adopted "Lower Book" by Leach, Collier & Gillet. All pupils in the 4-A, 4-B, 4-C, 4-D, 4-E and 4-F classes will continue to use the "Old and Well-known English" book I, which they now have in their possession. All seventh and eighth grade pupils will continue to use the newly adopted "Old and Well-known English," Upper Book, by Leach, Collier & Gillet, since this was in use in La Grande before it was adopted by the state commission.

Concerning the physiology or health books, all 4-12 pupils will buy the new "Health for Every Day" by Huxley and Broadhurst. All 4-12 pupils will continue to use "Healthy Living," Book I, by Winslow, now in their possession. All 4-12 pupils will buy the new "Health in Home and Neighborhood," and all 6-A pupils will continue the use of "Healthy Living," Book II, now in their possession.

Regular class work in the grade schools will begin Tuesday, Sept. 10.

The teachers meeting this morning was opened by singing "America" led by W. W. Niskanen. After the regular session, a short meeting of the executive committee of the La Grande Teachers' association was held, presided over by Arnold Gustapp, president. The date for the first regular meeting was placed at Sept. 17.

Children who are entering school for the first time will be admitted to the first grade if they are to be six years old on or before October 31. Pupils will not be accepted in the beginning classes after the second week of school.

The enrollments in the model school at the Normal are not yet filled and any parents who wish to send their children to that school should call the office of the city superintendent, Main 424, before 5 p. m. on Saturday or before 9 a. m. on Monday, or 9 a. m. on Monday. The grades available in this school are 1-12, 4-11, 4-11 and 4-11. There will be room for 20 pupils in each section.

The Town Doctor (The Doctor of Towns) Says

BEFORE YOU TAKE YOUR OWN MEDICINE—

Why does a mule stick his head through a fence? You have seen many a mule reaching for grass on the other side of the fence. He puts his ears down, his neck stretched and his head out, and when there is just as much grass on this side as on that, he comes back and sticks his head under his very nose. Did it ever occur to you to ask the question why he does that? There is a reason—it's because he's a mule.

The same logic and reasoning applies to people in unwise conditions who look on buying their needs in some other town, from peddlers or from mail order houses.

Now, do not misunderstand me. I am not writing with only the intent of placing blame where blame is due. Not now, nor at any other time, does this writer overlook your side of the question.

There are many merchants who do not deserve your confidence and which ones do and which ones do not? There is no law of nature that says that every merchant that you should buy anything from you are buying it that merchant is so located the times or in other words, the position that he does not tell you what he has to offer and lose, in the way of his goods and services, from him. In preference to anyone else, in some other town, a mail order house, or a peddler.

The only way for you to be sure of things is to see something in it to give you just a little chance now, in conformity with the national observance.

So "Try The Home Folks First." (Copyright, 1929, A. J. Stone.) Reproduction prohibited in whole or in part. Published by The Observer through the cooperation of the Home Club.
