Old Mexican Tree

The United States Forest service says that the famous cypress Santa Maria del Tule, in southern Mexico, is among the largest and oldest of trees in the world. It is particularly large in diameter, but not in height. It is 150 feet tall and 25 feet in diameter.

If Henry Ford should write the story of his life, somebody would be sure to call it an autobiography.

OUT OUR WAY

Abe Martin

Now and then a numbered overdoes it and "pays the penalty, but not often. I often wonder what stage dear Johannes think of the movies?

Famous Obelisks

Cleopatra's Needles are two Egyptian obelisks which were transported from Heliopolis to Alexandria in 11 B. C., where they remained until 1877, when they were presented to the government of Great Britain and the United States by the khedive, Ismail Pasha, and one now stands on the Thames embankment, London, and the other in Central park, New York city.

Lighting

There is only one sort of lighting. Forbid lightning is but a flash divided by certain objects in its path. Sheet lightning is the light of an unseen flash reflected in the clouds.

AT THE THEATERS

Gary Cooper In Picture At The Star

According to fan mail statistics, Gary Cooper is fast becoming one of the most popular stars in the movies. Ever since his appearance in "Beau Sabreur" and "The Legion of the Condemned," his mail from admirers has grown to unusual proportions, ranking him as one of the leaders. He will have the leading male romantic role with Lupe Velez and Louis Wolheim in the newest Paramount flaming-love film of pioneer days, "Wolf Song," which is now at the Star theater.

"Speakeasy" Now Running At The Arcade

Things happen now when actors and actresses who appear in motion pictures walk through scenes and shut doors, break dishes, talk out loud or do a hundred odd things which cause an aggravated air condition resulting in a noise. Because Fox Movietone has its celluloid ear cocked for just such happenings, the great motion picture going public is treated to such normal sounds when a picture is viewed on the screen.

"Speakeasy," which is now on view at the Arcade theater, is an all-star production, all Fox Movietone production. The actors and actresses speak; the elevated trains roar through scenes, actually roar; the clatter of the city traffic clatters; the tinkle of glass is real; the staccato exhaust of the automobile thrums the cardrums; the discharge of a pistol is vibrant and scores of other audible noises are brought out in full actuality as they eat the story unwinds in pictures.

Simple Cures for "Blues"

Deep breathing is recommended as a cure for those who get depressed. When the lungs are properly filled the brain gets its full supply of oxygenized blood and functions properly. This dispels the depressed feeling.
