OUT OUR WAY

WAR COLLEGE. J. R. WILLIAMS

AT THE THEATERS
Star Athletes Have Parts In Film At Star
Two outstanding features in the sport world worked together on "Wolf Song," Paramount's gripping tale of the California Sierras and Mexico is now showing at the Star. They are Constantine Romanoff, former contender for the heavy-weight wrestling crown and Duke Kahanamoku, famous Hawaiian swimmer. Both have roles in the Victor Fleming production featuring Gary Cooper, Lupe Velez and Louis Wolheim.
Romanoff and Kahanamoku are one two of a number of famous athletes who have found sports an excellent entry into motion pictures.
In "Wolf Song" Romanoff does not wrestle, and the Hawaiian aquatic does not swim. Romanoff takes the part of a mountain trapper and Kahanamoku plays the role of a Mexican cavalier.
Although the Fox Movietone production, "Sneaky" is an all-talking picture, there are many topical moments furnished by virtue of Sharon Lynn's vocal talents and Henry B. Walthall's piano playing which are important parts in the relating of the story.
A great deal of the action takes place in one of New York's world famous (first) quoniam, palaces and Miss Lynn portrays the character of Matie, entertainer, and Walthall takes the role of Fuzzy, piano player in the same "joint."
There are several decidedly new twists to the story and the singing of Miss Lynn and the piano playing of Mr. Walthall are woven into two highly dramatic episodes which are nerve-rattling when they reveal on the screen of the Arcade theater.
Paul Page and Loh Lane, two newcomers to motion pictures, are cast in the leading romantic roles with Helen Wars, Warren Hymer, Lynn Lawson, Marjorie Beebe, Stuart Erwin, Freddie Alderson and James Guilfoyle in major characterizations.
The Yankee Doodle players will appear at the Colonial every Sunday and Monday, with a new play each week, spending the balance of the week on a circuit that will include Baker, Enterprise and Elgin. Popular prices will prevail throughout their engagement here.
International Boundary
The work of keeping the international boundary between Canada and the United States in a state of effective demarcation was made one of the functions of the international boundary commission by a treaty signed at Washington on February 24, 1925.

True Greatness
It is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude.—Emerson.

Airplane Phraseology

Zoom means to climb for a short time at an angle greater than that which can be maintained in steady flight, the altitude being carried upward at the expense of kinetic energy. The term is sometimes used as a noun to denote any sudden increase in the upward slope of the flight path.

Canada's Status

Canada is one of several self-governing countries that make up the British empire, or as it is often called, the British Commonwealth of Nations. Their allegiance is to that commonwealth and to its ruler, and not to England, Scotland or Wales. The prime minister is the actual head of the government, but the governor-general appointed by the king is the nominal head.

Italians in Metropolis

New York city has more Italians than any city in Italy.
