Sport Slants by ALAN J. GOULD

It's anything but quiet along the far western athletic fronts. This observer can testify to that after visiting the main sectors of action from Seattle, down through Portland, San Francisco, Del Monte and Los Angeles.

The general impression has been that the Pacific coast has contributed more than an ordinary share to the savvy of sports competition in the last few years but out there, you are assured the big battle has just begun, that the shock troops are just coming up.

Delon Williams has just come back a world's champion for the third year in a row, disposing of any doubts so far as women's tennis is concerned. And even if Maury McLaughlin is now a golfer and Little Bill Johnston in retirement, there are a number of youthful stars of championship promise to keep the coach's banner around the front.

The amateur golf talent has had its most with the bankers of Pebble Beach in the first national amateur championship ever held west of St. Louis. The professional stars will gather for their own little quest at Santa Barbara in December, thereby giving California two of the four big tournaments of 1929.

Los Angeles has begun preparations for the Olympic games of 1932 on a scale that will dwarf any of the previous conventions of the noble athletes. Around 10,000 may watch the main events.

In football, California goes out for the first time to play Pennsylvania in October.

Palo Alto is preparing for one of the greatest gridiron fustles of the year when Fred Cagle romps in with his Army minutes to play Stanford.

The Army-Roosevelt clash on December 23 will show just enough time for the experts to dash down to Pasadena for the New Year's Day classic and another charge.

ORANGE TEAM TO BEGIN PRACTICE

Coach Schissler Issues Call For Grid Men to Report Saturday.

OREGON STATE COLLEGE, Corvallis, Sept. 12.—Everything is in readiness for the opening of football practice here Saturday morning.

Oregon State will miss the services of Fred Schell and Russell Striff this season. Both these veteran players have been under the weather all summer and are not in condition to play football this season.

These are Mel Whitlock, end; Roscoe Lane, tackle; Bill Kirk, center; Joe Carlson and Vern Elern, guards; Ralph Tatchell, half; and Howard Maple, quarter.

With the loss of these men, veteran Coach Schissler has a tough assignment ahead of him to rebuild the Orange team.

Starting Saturday morning the Orangemen will have two workouts a day until the opening of school September 20. Practice will then be confined to two hours a day.

The first game on the Orange schedule is with Willamette University at Corvallis September 21.

STARS CLIMB IN COAST STANDINGS

Trounce Reds to Increase League Leadership — Ducks Beaten Again

By The Associated Press. The Hollywood Stars and the Pacific coast league had worked up today with a margin of one and a half games, after trouncing the San Francisco Mission Reds for the second time in two days in Los Angeles.

Meanwhile, the Reds were sinking lower and lower. Only the day before yesterday they occupied the low berth position, but Hollywood gave them a setback, and today the Mission were tied for second place with the Los Angeles Angels.

The Stars defeated the Reds by an 11 to 4 score, behind the pitching of John. Although touched for eleven hits, the Hollywood pitcher was stingy in the pinches, and held the heavy hitting San Francisco to one run until the closing inning. Home runs by Huff and Hoffman brought the Mission talley.

Los Angeles downed the Seals 11 to 3, taking a two-to-one edge on the series. Vernon Gomez, young infielder sold recently to the New York Yankees, started the game but was hit out of the box, in the third when the Angels scored eight runs. Val Glynn relieved Gomez and after getting out of the trouble, held the home team at Recreation park to a shutout until the eighth inning when the Angels put across three unearned runs to gain the winning margin.

The Oakland A's took the marbles at Emeryville yesterday, defeating the Portland Ducks in an uphill contest 5 to 3. Just as they did the day before, the Ducks let the winning punch go when Charlie Bates popped out and Larry Woodall's grounder found willing hands after they had the winning run on base in the ninth inning with only one out.

The Oaks had the Ducks on the short end of an 8 to 7 score at the close of the sixth.

Indiana Trum Sacs. Good pitching featured the third game between Seattle and Sacramento, which was won by the Indians 2 to 0 for their second straight victory. Only eight hits were recorded. Smith, Indian's pitcher, held the capital city boys to only three hits. Fredell, a Stockton youth, was nipped for five.

Yesterday's coast league results: At Oakland: R. H. E. Portland 8 15 5 Oakland 5 15 1 Batteries: Casarella and Woodall; McEvoy and Lombardi.

At Stockton: R. H. E. Seattle 2 5 0 Sacramento 0 3 1 Batteries: Smith and Cox; Fredell and Koehler.

At San Francisco: R. H. E. Los Angeles 11 16 2 San Francisco 8 14 3 Batteries: Pitt, Horne and Standberg; Hammond; Gomez, Glynn, Couch and Haworth; Melisars.

At Los Angeles: R. H. E. Missions 4 11 0 Hollywood 11 11 0 Batteries: Caster, McQuinn and Hoffman; Johns and Severid; Snyder.

German Advance On Heavyweight Crown Is Halted

NEW YORK, Sept. 12 (AP)—The German advance on the heavyweight championship vacated by America's Gene Tunney, seems to have come to a dead halt.

Alvin Schmeeling, the Hamburg aspirant to the throne, fought his way into a contending position and was rendered hors de combat by edit of the New York State Athletic commission. With "Herr Hoeha" out of the picture, Dr. Ludwig Haymann the German champion, took up the burden but dropped it with a dull thud last night when Gerald Ambrose (Tuffy) Griffith of Sioux City, Ia., stopped him in the fourth round of their ten round bout opening Madison Square garden's indoor season.

Haymann, who had had some success against several second-rate American heavyweights, found himself outclassed by Griffith. The Sioux City slinger tagged the German with a hard right early in the first round and Haymann was on the defensive all the rest of the way.

After absorbing heavy punishment in the second and third rounds, Haymann ran into a right that dropped him for a count of nine in the fourth round. He went down again and then crumpled under still another right before the referee called a halt after two minutes, 25 seconds of the round.

Ted Sandvina, American-born German heavyweight, was outpointed decisively by Arold May of Bayonne, N. J., in the ten round semi-final.

Athletics And Cubs Both Need Three Victories

(By The Associated Press) The Athletics moved on game nearest their pennant yesterday by winning, but the Cubs advanced not as rapidly through a defeat as the Giants were smearing the Pirates by 5 to 2. Each of the leaders now needs three victories, with the Athletics in prospect parade by Sunday night.

If Jess Petty can hit the Giants today, the Pirates may feel fairly safe in second place. After failing to defeat the veteran Nelt in the opening game of the series, the Phillies went on a hitting spree in Chicago yesterday and gave Gus Borch his 10th triumph in the big league.

Withougly held the Braves to seven hits and was scored upon only because of Wilson's homer. A four blow by Horace Ford for four bases with one Red on the path enabled the veteran Eppie Rixey to shade Dazzy Vance and the Indians at Cincinnati by 3 to 2 in the second game of the series.

The Red changed Babe Herman into the right field seats and himself skipped merrily about outside for a home run as Herman tried to extricate himself from his predicament.

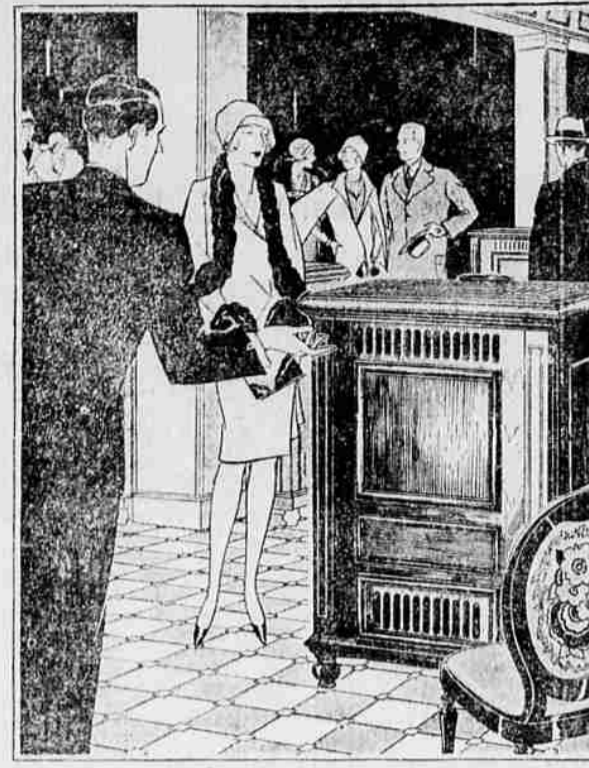

Rain in St. Louis built up a double-header today for the Braves and the Cardinals. After the White Sox had chased Babe Waberg from the mound with a two-run flurry which tied the score at 3 to 3 in the sixth, the Athletics pushed home one to the eighth to win by 4 to 2.

Winks Best Browns

The Boston finally broke the spell woven about them by the Browns, winning by 5 to 2, after five straight losses in their previous five engagements against the St. Louisers, but the runs came hard of Sammy Gray.

Walter Miller held the Senators hopeless, and Cleveland won the second game of the series by 5 to 2. Arthur Herring, who shows some signs of being a pitcher, tossed the Tigers to a 2 to 1 victory over the Red Sox in Boston. Ed Morris was the victim. It was Herring's first major league start, following his purchase from Oklahoma City by the Tigers. He is 23 years old and a right hander.

Mack Looked Over 595 Ball Players In Fifteen Years To Develop Team

PHILADELPHIA (AP)—Five hundred and ninety-five names have appeared on the Philadelphia Athletics payroll in the 15 years that have passed since Connie Mack won his last pennant.

The club records show that 295 players have participated in American league games for Philadelphia since the Collins-Baker-Bentley combination was broken up in 1914 after the Boston Braves snatched the Mackles in the world series.

Three limited ambitious rookies and hopeful veterans have been at Athletic training camps in that time without getting into the "big show."

WOMAN FIGURE IN TELLURIDE BANK SCANDAL

DENVER, Colo., Sept. 12 (AP)—E. D. Averill, special operative of a Denver investigation service, said today that Miss Frances Carlisle, 18, stenographer in the Bank of Telluride, told him "convincingly" she sent from Denver two of the six listed telegrams by which C. D. Wargency is charged with having attempted to deposit six New York bonds of \$500,000.

Miss Carlisle has been subpoenaed by a federal grand jury in New York as a witness in the case. Averill arrived here yesterday with Clarence E. Duncanson, member of the Bank of Telluride, whom he is taking to New York. Duncanson also has been subpoenaed.

construction. The St. Helens plant will employ 250 persons and will have an annual payroll of more than \$1,000,000.

Products of the plant will be insulating and building board and pressed board. The material is manufactured from disintegrated wood fibers, the entire bark content of any wood having fibre being used. Fir, hemlock and spruce are said to be especially adaptable.

The plant will be placed on a 70-acre tract and will have a water front of 3700 feet.

Charles E. Dunt, of Dunt & Russell, of Portland, is chairman of the board.

TUT DEFEATS PETROLLE IN DETROIT RING

DETROIT, Sept. 12 (AP)—King Tut, blonde lightweight from Minneapolis, demonstrated that he is one of the leading challengers for Sammy Mandell's crown by decisively defeating Billy Petrolle, the Fargo Express, in a ten round fight at Navin field last night.

Tut had all the advance of seven of the ten rounds, and at least one of the three which were given Petrolle was doubtfully his if not even. Petrolle appeared to be badly mangled in the closing rounds, but managed to stay on his feet until the final gong, although the blood flowed freely from a cut over his right eye. Both fighters were covered with blood before the final bell sounded.

SEARCH CONTINUED METROPOLIS, Ore., Sept. 12 (AP)—The search for John Wright, 19, who disappeared ten days ago while on a fishing trip with companions in the Prospect district, is being continued in the heavy timber of that area. Wright is believed to have fallen and made his way into the timber in a dazed condition.

A Sour Stomach Can Turn A Sweet Temper

Billy Sunday once said that many a man's religion was nothing but a good stomach, and that all it would take to turn his saintly temper was a sour stomach. Those who make it a religion of keeping well are usually able to express a great deal of religion in their every-day living.
