## PRUNE HARVEST BEGINS AT UNION

### Association Expects to Ship 30 Cars — Two Already on Rails.

By Mrs. L. Z. Terrill (Observer's Correspondent)  
UNION, Ore., (Special)—The prune harvest is on in Union and the Eastern Oregon Fruit Growers association is optimistic over the outlook. The prunes are of very good quality and although the crop is not quite up to normal the association hopes to ship an average of 30 cars from the warehouse here. They have installed some new machinery to facilitate the handling of the crop. With one crew of about 100 men running one new hull for grading the fruit they yielded one car and started the second yesterday. Today they doubled the crew and are using the new hull. The hull school was dismissed today and will remain closed during the prune harvest, which will last about ten days. The work has been retarded by the cold but they hope to rush it through.

Cedric Dale is manager of the warehouse and Lon Mitchell, warehouse foreman. They expect the addition of several new members to the association this fall. Fifteen cars of prunes have already been consigned to previous buyers.

## BAKER, NYSSA ELEVENS TO MIX SATURDAY

BAKER, Ore., Sept. 26—The Baker-Nyssa football game here Friday afternoon is expected to be a little from start to finish as the Malheur team, according to information reaching here, has a strong team. Coach George Scott says his boys are hard and fast and are coached by John Young, who has made an excellent record.

The Baker team is not fully polished, but the boys are confident they will win. Coach Scott stated.

The Baker boys have been practicing blocking, pushing and general defensive play during the past week in preparation for the first game of the season.

The boys will appear Friday in white jerseys, wearing gold stripes on the front and purple numbers on the back.

The lineup as announced by the coach follows: Left end, Ebers; left tackle, Charlin; left guard, Grant; center, Nelson; right guard, Hartz; right tackle, Hartz; right end, Hartz; quarterback, Crawford; left half, Baker; right half, Webber; fullback, Joslin.

If they can only maintain good defensive line strength, maybe the boys will want to keep out of trouble.

## Little Zest In Games Yesterday In Big Leagues

By The Associated Press

With the baseball world mourning the death of Miller Huggins, there was little zest to the games yesterday and a home run shower at Baker hotel was the most noteworthy happening. Chuck Klein hit two of them, and not only pulled up to within one of Melvin Ott and the National league record of forty-two, but also became the fourth National league in fifty-four years to pass the forty mark.

Frank O'Connell hit his thirtieth and Donald Hest hit thirtieth. Starnes, the Philadelphia event, and Herman, of Brooklyn, also cleared the fence. Hest's drive followed Klein's fourth in the ninth round of the first game, enabling the Phils to win by 10 to 3. The second game was a Philadelphia victory by 8 to 5, ending the Baker boys up to within half a game of the fifth place Boston.

**New Record**  
Johnny Froelich doubled in each game, running his string of two doubles to fifty-two, two more than the modern high mark set last year by Paul Warner of the Pirates. Ed Beahm of the Phillies made the all-time record of fifty-two two base hits in 1935.

The Giants defeated the Braves by 8 to 4 at the Polo grounds, enabling the white stars to take the second place Pirates. Each of these clubs will fall one contest

short of its allotted 154, leaving the Giants only eight games in which to gain four, something of a task.

The Cardinals whitewashed the Reds by 8 to 0 in the remaining National league game, the Cubs and the Pirates having another open date on their schedule.

**Yankovs Win**  
Tony Lazzeri's triple and Lou Gehrig's sacrifice fly enabled the Yankovs to pull out the decision at Boston by 11 to 10 in the eleventh inning. The Yankovs were visibly affected by news of their manager's death, but pulled themselves together in time to earn the victory which clinched second place for them.

Glenn Mearns' home run with two on in the ninth enabled the Yankees to pose on Chicago by 5 to 7, and the Browns shaded Detroit by 3 to 2 in remaining American league games. The Athletics and the Senators were idle.

**SHIP LIMPS INTO PORT**  
SHANGHAI, Sept. 26 (AP)—The shell-riddled Chinese steamer Kiangshin, one of the three battered by Chank Pak Navy's "leaveside" troops near Ichang, limped into port today for repairs. The vessel shows effects of the heavy artillery fire.

The attack resulted in 75 men aboard being killed and 200 wounded, while in all 3,000 Nationalist troops were captured.

The reporter sent to cover the recent wedding of a woman weighing 542 pounds and a man weighing 323 pounds drew a rather heavy assignment.

## SALEM HEN IS PRIZE WINNER AT STATE FAIR

SALEM, Ore., Sept. 26 (AP)—A Buff Orpington hen owned by Lloyd A. Lee, Salem, was judged the best bird in the poultry show at the Oregon state fair.

The hen was awarded the championship in the English class, and a pullet of the same breed and owned by Lee was judged second best in the English class.

The best bird in the American class was a dark barred Rock cockerel, owned by Leroy Lawrence, Eugene. Second in the class went to a single comb Rhode Island Red cockerel owned by J. B. Leggett, Clatsop.

Championship and junior championship in the Asiatic class were awarded to a light Brahma pullet and cockerel owned by F. H. Hoyle, Sultan, Wash. In the Mediterranean class, the championship went to a Black Minorca cockerel, owned by O. E. Winters, of Newburg, and the junior championship to a light Brown Leghorn pullet entered by Fred Ann Johnson, Tacoma.

J. B. Leggett, Clatsop, had the five best cocks in the show, a group of single-comb Rhode Island Reds. Second in the game class went to five-bark Minorca cockerel, entered by O. R. Whiters, Newburg.

America lacks a sense of humor, says Count Keyserling. He ought to come over here during the football season and read some of the roasting stories on the eve of big football games.
