HUMBLED BY
E. O. N. 19-7

(Continued from Page 1)

was largely a punting duel, until the Normal school started another march from their 25-yard line, which was helped by a five-yard penalty for offense. Sullivan advanced 19 yards for first down, Rust romped through to the middle marker. Beard plunged 12 yards in two attempts and Rust gained three more as the quarter ended. First down was coming in rapidly and second string Coyotes were taking the bench at this stage of the game.

The second quarter was scoreless, although the Coyotes punted the red-shirts to the 12-yard line once, following an imposing march with Routledge, Tucker and Whitney advancing steadily from the 22-yard line. Two 15-yard penalties, both for holding, killed the threat, however, and forced a punt, which went over the goal line, the East Oregonians taking the ball on the 20-yard line, and punting out of danger on the second down. After a pass failed, Routledge tipped off nine yards, but E. O. N. recovered a fumbled ball in the next play, carrying the ball to within 15 yards of a third touchdown, before Beard's fumble was embraced by a Coyote. An exchange of punts left the ball in Idaho's possession on her 18-yard line when the half ended.

10-Yard March

In the third quarter, the rugged, narrow-shouldered westerners showed the staff they are made of, stopping every Idaho try for effective play, keeping the ball within Idaho territory most of the time, and finally scoring a third touchdown after a series of brilliant reverses, forward passes and line snatches. College of Idaho punted from beneath her goal posts, Rust kicking the ball on the 50-yard line and returning it nine yards. Beard gained seven yards, Sullivan one and Rust made it first down on the 39-yard line. After a two-yard gain by Beard, a pass made it first down 29 yards from the goal line. Rust and Sullivan gained five yards in two plays, and Beard took a pass from Sullivan for a first down, nine yards from the goal. Sullivan, McCully and Beard carried the pigskin over, the fullback making the score. Rust place kicked for the extra point.

Starting Pitcher Is Not Selected

PHILADELPHIA, Oct. 5 (AP)—Connie Mack has been asked so many times recently who will pitch the first game for the Athletics in the world series he is getting tired answering.

"Well, I can say truthfully," is Mack's invariable reply, "that right now I don't know, and I don't think I will know until the series is about to start."

Most of the favorites believe Eppa Rixey, the A's star right-hander, will draw the opening assignment against the Cubs. However, Mack is somewhat noted for pulling the unexpected and is a past master at outguessing the opposition.

PRICE SPREAD IN EGGS WIDE; MEATS LOWER

PORTLAND, Ore., Oct. 5 (AP)—Wholesale prices of dressed poultry and country meats at the maximum prices of many varieties were easier today, according to quotations given by the Portland Produce company. The chickens ranged from one to two cents a pound on nearly all grades. Duck was one of the meats that registered unchanged at 15 1/2¢.

Young were practically invincible most of the time during the first half, and occasionally broke through to make a tackle behind the line or hold the opposing back for no gain. Brown's finger was broken in the second quarter but he returned to the game in the last half, gaining finishing the contest. Miller, Sayre, Crawford and other reserves saw service during the game, filling their predecessors' shoes in a competent manner.

Sarrett, end from Wallowa, played part of the game, intercepting two passes and causing the Coyotes plenty of concern.

Back Punting

Beard's effective line snatching and Rust and Sullivan with their speedy, shifty running accounted for most of the gains. Twice Carden, end, chalked up gains, and McCully toted the ball for yardage at intervals. Every member of the Normal school team played a good brand of ball, considering the eagerness of the season. Coach Quinn had only eight days for practice before the game.

Considering the eagerness of the season, and the fact that the Normal school had only eight days of practice prior to the game, the punting was at a minimum on the part of both teams. Overeagerness cost the Coyotes nearly 75 yards via the penalty route but few penalties were necessary for the Oregonians.

11 First Downs

In first downs, E. O. N. scored 11 to Idaho's nine, and completed three out of six forward passes. The feared Idaho aerial attack was only 25 per cent effective, with four completed out of 16 attempts, two of which were intercepted by Sarrett and one by Sullivan.

In total yardage, the two teams were evenly matched, the Coyotes leading 294 from scrimmage and the Normal school gaining 129, both exclusive of gains from penalties.

French Police Facing Strange Case Of Burial

PARIS, Oct. 5 (AP)—Paris police wonder if they are not being made victims of a hoax in a strange case of a dead man apparently buried alive which was revealed to them yesterday.

The dead man is Clement Pausanias the Marquis of Champanbert, who had a long criminal record and had just served a sentence for swindling.

Lead on letters signed by the "Knights of Thomas" the police found what appeared to be the body of Pausanias, in a shallow grave in Gennevilliers, only a few miles from Paris. A rubber hose led from the face of the man in the casket to the open air.

SHARP RALLY TAKES PLACE IN EXCHANGE

NEW YORK, Oct. 5 (AP)—Strong buying support developed in today's stock market, and prices staged a brisk recovery, active issues rising 2 to 10 points while a few high priced specialties soared 12 to nearly 40 points. Trading was in heavy volume, with the ticker showing an average delay of about 18 minutes behind the market.

The sharp rally indicated the condition, at least temporarily, of forced liquidation, which had undetermined the market earlier in the week. Weekly mercantile reviews indicated that general business had not been affected by the decline in stock values, and that operations of the basic industries were proceeding in fair volume.

American Tobacco issues were the spectacular feature, the H stock soaring nearly 40 points and the A 28 on the announcement of an increase in cigar prices. Laggett & Myers issues jumped about 15 points each, and Lorillard Tobacco 7.

Columbian Carbon jumped 20 points, Motor Products 10 and General Electric extended its gain to 5.

The closing was strong. Total sales approximated 2,200,000 shares.

Wheat Higher At Close In Chicago

CHICAGO, Oct. 5 (AP)—Sharply advancing prices at Liverpool, together with reported scarcity of sellers there, led to an early price upturn of Chicago wheat values today. Corn, oats and provisions were also firmer, with corn starting unchanged to 1/2 up, and later holding near initial figures.

Wheat closed firm, 1/4 @ 1/2, to 3/4 cents a bushel higher than yesterday's finish.
