**Keffer May Play**  
The starting lineup against Chemawa last Saturday included: Twiss, Miller, Daley, Lopez, Tuttle, Harn, McDonald, Davis, Ruppel, Moe, Little and others, who went in were: Ward, Newgard, Meacham, Jackson, Dunn, Engler, Holmes, Dowler, Bowman, Canova, Goss, Crawford, Bennett, Peterson, Shih, Hazer, Hixby, Lapsley, Dussenebeck, Hanson, Brownbill, Ebeck and Giesbrecht. In length it sounds like the roll call of a national guard company instead of a football lineup! Local fans are expecting to see Les Keffer, last year's Tiger fullback, in action with the rooks during the contest.

Besides having plenty of reserve strength, the rooks have a large assortment of plays that are sure for yardage. In age and weight, the rooks will equal or surpass Quinn's team, and in spite of the victory over the College of Idaho, the Normal eleven will again go far as the game the "under dog" as far as hope is concerned.
